

**THAT FIRST THANKSGIVING DAY,
NOVEMBER 26, 1789**

How much more this country has to be thankful for this November 24, than then.

And, how much more you and we have to be thankful for than even three years ago.

We at this bank are not indifferent to either. Nor are we indifferent to our good fortune of having the good will of Colville and Stevens county people.

The spirit of cooperation you will find in the Bank of Colville is our year-around expression of thanksgiving.
