

ATHLETIC TOURNAMENT

LOVERS OF THE FISTIC ART
LOOK FOR GOOD ENTERTAINMENT TONIGHT.

King and Welch Will Go Ten Rounds
for Points—Two Good Preliminaries.

"If I don't win it will be because Welch is the better man," said Andy King this morning in discussing his chances of winning from the little Walla Walla Athletic club tonight. The go will be strictly on its merits and in my opinion it will be the fastest bout ever pulled off in the town. Welch is one of the cleverest little men in the business and in meeting him I think that my work is cut out for me.

Practically everything is ready for the boxing show at the club rooms to-night and the card offered by the management is the best yet gotten up, including as it does a four and eight round preliminary and the main event. The eight round go between two colored middle weights gives promise of being a hammer, as considerable rivalry exists between the two for fistic honors. King and Welch will probably meet at 9 o'clock. The promoter will be seconded by James Treadall and William Bogart of Pendleton, while "Babe" Brown, Fred Muller and Jack Carter will be in Welch's corner. It is almost certain that Henry Berlin will be selected as referee, both men today saying they were satisfied with him.

BANK NOTICE.

Out of courtesy to the members of the Washington State Bankers' association all of the local banks will be closed on Friday, June 17.

HAZZARD CASE APPEALED.

Former Washington Convict Becomes Tired of Prison Life.

Samuel C. Hazzard, who served a sentence in the Washington state penitentiary and is now in the Minnesota prison, has appealed his case to a higher court. Hazzard was sent up from Tacoma several years ago on a charge of forgery. After his release from the state penitentiary here he went east and after playing the leading role in several marriage ceremonies he was arrested and convicted of a charge of bigamy. He was given a three-year term in the Minnesota prison. The last woman whom he deserted has interested her father in Hazzard's case and he is now furnishing the money to secure the release of his darling son-in-law.

CHILDREN BE A FEATURE

WILL TAKE A PROMINENT PART
IN FOURTH OF JULY
PARADE.

Executive Committee Is Arranging Details of Celebration—Fireworks Ordered by the Managers.

The Fourth of July committee met last evening at Dr. N. G. Blalock's office at 8 o'clock. The question of transportation was discussed at length and plans for moving the 2500 school children which are expected to be in the procession on the National holiday were talked over.

All the school children of Walla Walla and the surrounding towns were to be in the procession and it will take 100 wagons to carry them. The plan is to have the wagons hauled in strings by traction engines. A canvass was made by the committee today among the implement men and others to get these wagons and they will be asked to join in the committee with floats.

In addition to these wagons of children there will be the large liberty car and the Washington state car representing the different counties of the state.

The Trades and Labor council of Walla Walla will take part in the procession. They expect to muster about three to five hundred unionists. Arrangements will be made to have city officials in the procession.

The procession will start at 10 o'clock sharp. A complete program of the day's doings will shortly be published for the information of the public. The place of formation will also be settled shortly.

The contract for fireworks was let to Julius Levy as the lowest bidder.

Dr. Blalock, the chairman of the committee, said this morning: "All the committees are working satisfactorily and arrangements progressing nicely. People from out of town should come in early on the Fourth in order that they may enjoy everything and that their children can be ready to go in the procession in time. The next meeting of all the committees will be on Thursday evening at my office at 8 o'clock sharp. I desire all the committees to be present at this time."

White Dove flour, better than ever.

Two Girls and a Boy.

Three births were reported in Walla Walla yesterday as follows:
Mr. and Mrs. Fred A. Wells, a son.
Mr. and Mrs. H. O. Peck, a daughter.
Mr. and Mrs. Charles Parris, a daughter.

PROVIDE FOR BOND ISSUE

THE CITY COUNCIL PASSES A
GENERAL STREET IMPROVEMENT ORDINANCE.

Work on Palouse Street to Be Commenced at Once—To Open First Street.

Street subjects were the main matters under discussion at the adjourned meeting of the city council held last night. In order that all proposed street improvements can be carried on in a systematic manner a general ordinance was passed prescribing the procedure for levying and collecting special assessments for local improvements and for the issuance, sale and payment of bonds to pay therefor, in accordance with an act of the legislature of the state of Washington.

Palouse Street Improvement.

After that ordinance was passed the council then adopted the ordinance providing for the grading, macadamizing and parking of Palouse street from East Alder to sixty feet south of the south line of Craig street, by creating an assessment district, and further providing for the issuance of bonds to pay for the work. The bonds will run for five years and will draw interest at the rate of seven per cent per annum until paid.

Opening of First Street.

The street committee recommended that an assessment district for the opening of First street be made, commencing at Birch street, by taking in one-half of the block on each side of First street to the south side of the vacant block owned by the Abadie estate, and that said assessment be levied in accordance with the benefits to be derived from the opening of the said street. Mayor Hunt appointed A. K. Dice and George W. Whitehouse as assistants to the assessor to appraise the property in the district. The ordinance providing for the opening of the street and creating the assessment district was read the second time and then further action was postponed until the next meeting of the council.

Remonstrances.

H. Parker, M. Murphy, Fannie Burgess, Mrs. Hagerty and G. R. Crowe presented a remonstrance against the proposed improvement of Pine street, claiming that they represented the majority of the property frontage on the street, and that the present conditions did not demand that the improvement be made. The remonstrance was referred to the street committee.

M. E. Stewart, H. Parker, S. D. Gardenour and Lot Fillmore objected to any change being made in the alley running through block 53 of Shauble's addition. The street committee will consider the petition.

Miscellaneous Business.

Benjamin Wendt was allowed the privilege of paying his assessment on the improvement of an alley in Langford's addition by monthly installments.

The street committee reported favorably upon the petition of O. J. Croup and others asking that a foot bridge be constructed across Mill creek connecting Merriam street with East Alder.

Meet Tonight.

The council adjourned to meet again tonight principally for the purpose of continuing the consideration of the general building ordinance.

Fresh crawfish at the Frog saloon every Friday and Betz beer on tap all the time. Jos. Charrier.

WILL BULKHEAD MILL CREEK.

Residents in Eastern Portion of City Will Make Improvements.

The residents of Walla Walla owning property on Mill creek in the eastern portion of the city will present a petition to the city council at its next meeting asking that body to have the city surveyor make a survey and definitely define the banks of the creek from Clinton street to Division. This action will be asked for to enable the petitioners to construct a bulkhead along the banks of the stream.

STOLEN PROPERTY FOUND.

Youthful Thieves Tell Where it Was Cashed.

After a great amount of persuasion on the part of T. A. Paul, their attorney, Tom Vernon, Warren Glaspey and Leroy Bergevin, the youths who are being held under a charge of burglarizing a second hand store on East

Alder street, today gave out information that led to the finding of the rifle and shot gun which they had stolen. They told Attorney Paul where they had the articles cached in the western portion of the city. A man was sent to the place by the attorney and the guns secured. They were turned over to Chief of Police Brown who will keep them until after the boys are given a trial.

ANNUAL COUNCIL DINNER.

Banquet Will Take Place at Reynolds Hall.

Great preparations are being made for the council dinner which will follow the commencement exercises at Reynolds hall this afternoon. Seats have been arranged for about 150 guests and the dining room beautifully decorated for the banquet which will begin about 6:30. Ex-Senator George Turner will talk on "The College in Politics." Major J. B. Erwin of the Ninth Cavalry, on the "United States Army;" Rev. H. P. James of North Yakima, on "The Small College;" Judge C. H. Hanford, Rev. George R. Wallace, Rev. Samuel Green will also give toasts. For the senior class H. E. Brown '04, for the alumni association President C. C. Gose, and Ross Bratton representing the alumni will make short speeches.

HIGH SCHOOL CLASS DAY.

Graduates Held Exercises Last Night at Auditorium.

The annual class day exercises were given by the seniors of the Walla Walla high school last evening to a large and appreciative audience. Miss Angie Sheldon as president of the class spoke well, while Miss Perry delivered the class poem in a faultless manner. Miss Sweetser was entrusted the honor of handing down the class cane. The exercises concluded with a laughable play and it must be said that if the young people can surmount difficulties and evade trouble in their future life as easily as they did in the play they will have an easy time of it. The commencement exercises take place Thursday evening to which are invited the friends and patrons of the school.
