WILL REPORT FAVORABLY

JUDICIARY COMMITTEE OF COUNCIL CONSIDER NORTH COAST RAILWAY FRANCHISE.

Right to Use Rose Street Will be Changed to Only Include Sixth Street.

If all the members of the city council are of the same mind as the three that constitute the judiciary committee the North Coast Railway company will be granted a franchise to use certain streets in Walla. The judiciary committee held a meeting yesterday, when the ordinance presented at the council meeting Tuesday night

by C. M. Rader, the attorney for the company, was examined. It was unanimously decided to report favorably upon the ordinance at the next meeting, the only change being that the franchise for the use of Rose street would only extend as far as Sixth, in place of Fifth, as asked for. This was satisfactory to the company's attorney.

Giant Maniac Battled. NEW YORK, Nov. 3.—A maniac 6 feet 2 inches in height, armed with an iron bar weighing twenty pounds and a bludgeon made of copper wire, forced his way into the house of Superintendent Walter Sager of the Central park reservoir in the park yesterday, and was subdued only after a fierce struggle with Dr. Charles Goldsmith of the park ambulance station, two policemen and nearly a dozen park laborers. The maniac was sent to Bellevue hospital for examination. He said he was a human dynamo and that with his iron bar he drew electricity from the clouds into his body.

FIVE YEARS FOR BARNES

MAN WHO ESCAPED FROM DEPUTY BYRNES GIVEN PRISON SENTENCE.

Plead Guilty to Grand Larceny This Morning—Buchanan and Noble Sentenced Today.

John Barnes, who stole a team of horses and a hack from E. M. Warner at Two Rivers two weeks ago and was captured by Deputy Byrnes at Lyons Ferry as he was fleeing for Idaho with the stolen property, entered a plea of guilty to a charge of grand larceny this morning and was sentenced by Judge Brents to five years in the penitentiary. Barnes is one of the toughest looking citizens the sheriff's office has had to deal with in years, and in passing sentence Judge Brents remarked that he bore the earmarks of being a hardened criminal. Barnes did not deny the accusation. Before passing sentence the court asked Barnes where he hailed from. After some hesitation he said he had been working in the woods near Seattle for a logger named Hansen, but he could not give his employer's given name or postoffice address. He admitted that he was heading for Idaho with the team when overhauled by Deputy Byrnes. Barnes is the man who escaped from Deputy Byrnes at Whitman station while being transported to the Walla Walla jail last week and was later captured in a straw stack on Dry creek by Deputies Haviland and Byrnes.

Buchanan Gets Heavy Sentence. Clint Buchanan, convicted of embezzlement at the last term of the superior court, was sentenced to serve three and one-half years in the penitentiary at hard labor. A motion for a new trial made by Attorney Cain was overruled.

Noble's Sentence. William Noble, convicted of assault, was sentenced to pay a fine of \$200 and costs amounting in all to \$294.60, and serve six months in the county jail. The court suspended the jail sentence, however, pending Mr. Noble's good behavior. The court warned Noble that if he failed to tread the straight and narrow path hereafter that he would be compelled to serve the jail sentence, besides being cited to appear on a contempt charge.

Rich Clubman's Heirs. NEW YORK, Nov. 3.—The children of Peter Lorillard Ronalds, who gave nearly a million dollars to Miss Elizabeth N. Blake before his death, which occurred on Saturday last, are said to have made a compromise with the young woman, and the suit filed by Reginald Ronalds, one of the sons, will not come to trial. According to a report, Pierre Lorillard Ronalds, Jr., another son, has met Miss Blake's lawyer and an agreement was reached by which further legal action will be avoided.

The compromise is said to involve the payment of a lump sum to Miss Blake and also the filing by the Ronalds heirs of a bond which will guarantee to her a certain annual sum. This sum, it is said, will almost equal the entire income from the New York properties.

IMPORTANT TO SUBSCRIBERS

Subscribers to the Statesman will confer a great favor upon this office by reporting any irregularity of delivery of the paper or inattention of the carrier, to the office at once. It is the chief aim of the circulation department to establish an efficient carrier service and to do this we must have the help of the subscriber. The Statesman has 10 carriers, and of course it is impossible for us to see that every paper is delivered to its proper address every evening. Each carrier from this time on will be required to cry "Evening Statesman" at every house where he delivers a paper.
