The BEST COMBINATION CLEANER

is a vacuum cleaner and carpet sweeper combined. The three powerful bellows create a suction which pulls the dirt. The revolving brush gets the threads, etc. Both working together form a perfect cleaning device.

SIMPLE, ONE PERSON'S HANDPOWER

Efficiency? Supplied with the Bellows, assuring continuous suction; a distinct advantage over the two-bellows type, and most essential feature. Can be used every day instead of a broom with 95 per cent better results. Durable? Constructed of the best material by skilled mechanics. Runs on rubber tired wheels. Guaranteed for one year against defective material and workmanship. Ask to see our "Farmers' Best" Combination Cleaner. It is guaranteed to clean, sweep and give satisfaction. **PRICE \$10.00**
