Why the New Precision System in Dentistry Saves You Money

Recently we installed in our laboratory the new PRECISION SYSTEM which has revolutionized dentistry and dental charges in other parts of North America. This has not only enabled us to continue the high grade work which has built up the patronage of this office; but has lessened our dental expense, and WE ARE ABLE TO GIVE OUR PATRONS THE BENEFIT OF LOWER PRICES.

The new PRECISION SYSTEM does the work skillfully, accurately, with precision, and more rapidly than the older method. It saves time which is the greatest expense to any dentist; hence under the new PRECISION SYSTEM YOU PAY FOR WORK DONE AND NOT DENTAL TIME.

Bridges and 22-Karat Gold Crowns at a Lower Price

We will guarantee this work to be the very highest grade and to give perfect satisfaction; further we GUARANTEE ALL WORK FOR TEN YEARS. We do not know of fairer terms or better work in any part of the world.
