

1916 FAIR SHOWS PROFIT OF \$500

A profit of approximately \$500 was netted by the 1916 Whatcom County Fair, according to figures prepared by the board of directors at a meeting Monday night. The Fair, from all standpoints, proved the most successful one yet held. The standing indebtedness of the Fair Association, consisting of a mortgage of \$2,000 on the grounds will be reduced to \$1500 by the directors this year. The receipts of the 1916 Fair totaled \$3,926.23, including \$750 from concessions, \$2,915.16 from the gate, and \$261.07 from the grandstand. Estimated expenses are \$3,500.

"We wish to express our sincere thanks to those who helped make the Fair a triumph," said W. H. Waples, president of the Association today. "Many unselfishly devoted considerable time and labor to helping get the Fair ready, and in keeping it running, and their efforts are deeply appreciated."

PEOPLE TO VOTE ON TEN MEASURES

Two initiative measures, seven referendums, and a proposed amendment to the State constitution, will be passed on by the voters at the election Nov. 7. The initiative propositions are the liquor bills, No. 18 and 24, which would make Washington a wet state again, and a nighty wet one. The Lynden district will vote a practically unanimous vote against No. 18 and 24. Although an occasional measure among the referendums has a meritorious purpose, so many flaws crop up at different points in the bills, that the wisest policy that can be pursued is to register a solid vote against the seven referendums and the amendment.

Official booklets containing the measures can be obtained at the City Drug Store, the Lynden State Bank, the City Clerk's office, and the Tribune office. The following is a summary of the bills, with the weak points indicated:

STAGES TO CARRY TWO DAILY MAILS

Bids have been called for by the postoffice department for the transfer of the mails between Lynden and Bellingham twice a day. This means that the automobile will succeed the railroad as a mail carrier, and that two deliveries by stage will be in force.

Bids must be in by Nov. 21, and the new service is scheduled to begin Dec. 1.

The trial of the auto as a carrier which has been under way during the last few months, has proved most satisfactory. A regular schedule can be maintained at all times of the year, and the necessity of messenger service at each end to transport the mail to and from the trains, is eliminated.

The morning train that leaves Lynden at 9:24 arrives in Bellingham at 10:35 a. m. under the new schedule that went into effect this week. This gives Lynden far better service on the morning mail, which now reaches Bellingham in time for the noon trains South. Heretofore, the mails were held at Sumas until the afternoon, and reached Bellingham but an hour or so before the afternoon mail which goes out of Lynden by stage at 4 p. m.

The Lynden postoffice is open on Sundays now from 10 to 11 a. m., in accordance with the earlier schedule.

EXPLORER TO TELL OF SOUTH AMERICA

Dr. G. Whitefield Ray, F. R. G. S., the celebrated explorer who spent fourteen years in South America, will open Lynden's winter lecture course Tuesday evening, Nov. 3, at Jameson's Hall.

For fourteen years Dr. Ray was the official explorer for the government of Bolivia, and his lecture is illustrated with scores of priceless curios collected by him during his travels. Do you know that Peru is as big as Spain, France, Germany and Italy combined? That Chile is as long as from New York to San Francisco, and as narrow as Lake Erie? That you could set the United States (excepting Alaska) down in Brazil and have a tidy farm of 200,000 square miles hanging around the edges? That Brazil produces enough coffee to float a battleship in a sea of 119 billion cups per day? That South America offers the United States her most engaging market? You will get a glimpse into a new country as you breathlessly follow Dr. Ray through South American civilization and savagery.

The lecture course this year, in addition to Mr. Ray, will include two numbers by J. Werner Hoppe, dramatic reader, whose interpretation of Mary Jane's Pa proved a delightful feature last year, the Lindon-Gordon Co., singers and readers specializing in songs and stories of the South, and Mrs. Davenport-Engberg in an evening of music.

Season tickets may be obtained from P. A. Wright, superintendent of schools, or at the City Drug Store. Seats for the Ray lecture may be reserved any time after 4 o'clock on Wednesday, Nov. 1, at the City Drug Store.

Dr. G. C. King, pastor of the First Methodist Church of Bellingham, and formerly pastor of the Queen Anne Methodist Church of Seattle, will occupy the pulpit of the Lynden Methodist Church next Sunday evening.

The McNairs have sold the Blaine shingle mill on Dakota creek to G. W. Vinup and C. E. Holmes, formerly of the Edwards Shingle Co., of Lynden. We understand that in the deal the McNairs will take the machinery of the Lynden mill and will move to near Port Angeles and build a new mill there. Vinup and Holmes some months ago purchased a tract of Blaine tide lands and announced that they would build a new mill. The above deal, however, will mean that their former plans have been changed.

MANY FRIENDS GATHER AT VAN PATTEN SERVICES

Harry G. Van Patten passed away in Bellingham Saturday afternoon, following an illness of several weeks. Funeral services were held in the Baptist church Monday afternoon and were conducted by the Rev. Percy Davies, and Martin Olsen, pastor of the Wiser Lake M. E. Church.

He leaves besides a father and three brothers, a wife and seven children to mourn the loss of a loving husband and father, and a host of friends who knew him as a kindly Christian man of high ideals.

The pall bearers were Messrs. J. W. Richardson and C. L. Banks of Wiser Lake, E. C. Crabtree, Mr. Swenson, E. W. Bayes and E. Bayes of Lynden. The floral offerings were beautiful, and silently expressed the sympathy all felt for the family. Interment was made in the Lynden cemetery under the direction of Frank H. Knapp.
