

COOK WITH PEARL OIL

LESS WORK

No coal, wood or ashes to lug. No waiting for the fire to burn up. Meals in a jiffy and a cool kitchen all the time. Bakes, broils, roasts, toasts. Better cooking because of the steady, evenly-distributed heat. More convenient than a wood or coal stove for all the year 'round cooking, and more economical.

The long blue chimneys prevent all smoke and smell. In 1, 2, 3 and 4 burner sizes, with or without ovens. Also cabinet models. Ask your dealer today.

Musical Arts Quartet

Well Known Chicago Quartet Secured For West This Summer

MUSICAL ARTS QUARTETTE.

THE Musical Arts Quartette, which the Ellison-White Chautauques are presenting for 1917, is one of the most popular male voice ensembles known to Chautauqua and Lyceum circles. This is the same quartette that formed the male section of the famous Albee Octet which created such a fervor of enthusiasm throughout the East and Middle West. Choice readings, piano-logues and the other delights associated with a quartette of the first rank make up a musical program of refined fun and artistic merit.
