"The Finished Mystery"

The GREATEST BOOK of the hour. It throws more light than any book yet written on "THE PRESENT WAR; ITS REAL CAUSES AND THE OUTCOME" All THINKING MEN should have it! No one can afford to be without it. It is the FIRST and ONLY book that makes clear every part of the hitherto hidden prophecies of REVELATION and EZEKIEL, and in so doing, shows what part the CATHOLICS, ANGELICANS, METHODISTS, BAPTISTS, PRESBYTERIANS and all other church denominations have played in the world's history, and what part they have yet to perform. It also reveals the part SOCIALISM has played and is yet to play in the great world drama.

The book comprises 592 pages and is well bound. ORDER NOW! The price is but 60c postpaid. BIBLE TRUTH-SEEKER'S SOCIETY

HIGH SCHOOL NOTES

School opened Monday with all the teachers except Mr. Boggan, present. In spite of wash-outs and delayed trains. Mr. Boggan spent Christmas East of the mountains, and has had to take a roundabout way to get back to Lynden.

The following half-year subjects are offered: General Science, Solid Geometry, Commercial Geography, Manual Training, Girls' Advanced Physiology, and English History.

The Sophomores, under direction of Miss Bessie Gwinn, had charge of the purchasing of a new flag for the assembly.

The next basketball game will be played at Laurel Friday evening. A number of rooters plan to accompany the team.

Dreaming.
As the minutes slip along;
Makin' life a playtime
An' a story an' a song.
Hear that rooster's crow ascend
As day begins to peep!
Get up an' get busy, friend,
An' don't you oversleep.

Loafin' up the highway
An' loafin' down the lane;
Loafin' in the byway
Far away from toll an' pain.
Ain't you got no chores to tend,
No promises to keep?
Get up an' get busy, friend,
An' don't you oversleep.

Church on a Cliff.
The only way of reaching the old parish church at Whitby, in Yorkshire, from the town is by means of 199 steps—probably as curious an approach to a place of worship as any in the kingdom, says London Tit-Bits. The church stands on the east cliff some 200 feet above the sea level and to watch the crowd of worshippers before and after the service threading its way up and down the winding stairway is a sight to be remembered.

Garlic a Panacea.
Garlic "seems to be swinging into therapeutic favor," remarks the Medical Record, in commenting on how American physicians and chemists have awakened to a desire for a return to nature's own remedies, after many years of ignominious dependence upon German patented chemicals. Garlic is now used as a remedy for diphtheria, whooping cough, typhoid fever and tuberculosis.

Knew Use of Brown Money.
Ellis was sent to the store one day by his mother. She gave him ten pennies to buy five two-cent stamps. Ellis returned in a few minutes with a sack of candy and was asked where the stamps were, and replied: "Why, brown money isn't for stamps, it's for candy."

Mutual Pride.
"I suppose you will be very proud of your boy Josh when he gets back from the war."
"Yes," replied Farmer Cornstossel; "and I'm going to try to buy liberty bonds enough to make him reciprocate a little bit."

Simplified Procedure.
"What will you have for breakfast?" inquired the waiter.
"What's the use of my sitting here and guessing. You go ahead and bring me what the law allows for today."

Disappointment.
Polly—What's Freddie crying for?
Dolly—Because he dug a big hole in the garden, and mother wouldn't let him bring it into the house.

OLD AGE.
There is a winter for you and me, and when we approach the end of life's February do we not catch a glimpse of the spring which looms up on the horizon? Old age? Yes, we are dull, but the soul is still young and awaits with eager anticipation the springtime of our immortality. The February of life brings us to the valley that is just this side of the New Jerusalem.—George H. Hepworth.
