

"Light" Fingered?

Here is a man who works in the dark. He is the only man in the world who will not be glad to learn about EDISON MAZDA Lamps—the lamps that give three times as much light as the old-style carbon lamps—with the same amount of electricity.

EDISON MAZDA LAMPS

Electric light is the best burglar insurance you can have. Now that EDISON MAZDA Lamps have reduced the cost no home, office, store or factory should be without the safety and convenience of electric light. Let us demonstrate them for you.

E. C. BAXTER OF KENDALL IS CANDIDATE FOR COMMISSIONER

E. C. Baxter of Kendall has announced his candidacy for County Commissioner from this district on the Republican ticket. Mr. Baxter visited in Lynden Monday, and renewed old friendships with many of the citizens of the district.

Baxter has been Township Assessor in his township since the beginning of township organization, and has served on the township board. He has taken a leading part in road and bridge building in his section, and is considered to be one of the best posted men in the county along these lines.

How Mr. Baxter is regarded in his home district is indicated in the following editorial from the Sumas Advocate-News:

"Since The Advocate-News announced in its last week's issue that Mr. E. C. Baxter of Kendall would

be a candidate for county commissioner from the second district, we have heard scores of endorsements by citizens generally of this end of the district, where Mr. Baxter is best known. Such endorsements reflect not only the character, the integrity, but the confidence the community has in Mr. Baxter's ability to make good. He is conversant with county affairs and needs and is fully capable of administering them economically and fairly. It is a knowledge of these characteristics that will insure him the united support of the district."

Says the Nookack Reporter: "The people of Whatcom County would indeed be fortunate if all their officers were as well qualified for their places as Mr. Baxter for the place he seeks."

Experts Say "ZEROLENE IS BETTER"

—because it holds better compression, gives better protection to the moving parts and deposits less carbon.

Zerolene is the correct oil for all types of automobile engines—the correct oil for your automobile.

Get our Lubrication Chart showing the correct consistency for your car.

STANDARD OIL COMPANY (California)

The "T"-Head type engine, illustrated here, like all internal combustion engines, requires an oil that holds its lubricating qualities at cylinder heat, burns clean in the cylinders and goes out with exhaust. Zerolene fills these requirements perfectly, because it is correctly refined from selected California asphalt-base crude.
