The Lynden Gimlet

In honor of the birthdays of Geo. Washington, Mrs. C. M. Anderson, and L. A. Marchant, the Andersen and Marchant families spent Tuesday evening together at the Andersen home, enjoying a birthday cake. George Washington is the only one of the trio not a resident of Northwood, and is a stranger in this district, although it is reported that he used to live at Mt. Vernon.

In speaking of the opening of a new restaurant in Bellingham, our distinguished contemporary, the Herald said the manager had provided "a beautiful restroom for lady patients."

Marius Vander Griend and Ren De Boer appeared on the scene this week after a visit to Idaho. Vander Griend was concealed behind a large and bushy moustache.

In a recent article, the Gimlet said that the stages used to cross the river at the old Erz place. This is a serious mistake. The only ones that ever tried to ford the river at that point were a pair of mules belonging to Sam Palmer, and they are still there.

Of course, we expect to see Ray Hookstra, Ernest Dean, Al Stuurman, Adrian Jongeneel, John Berger and other local butchers out at the high school tonight to inspect that Chinese Ham.

Since an Eastern chiropractor discovered how to cure the little girl who was talking steadily, several local citizens are urging their wives to try one or two treatments at Dock Sand's.

PELEGREN AND MARTIN BUY FRIEDMAN MEN'S WEAR STOCK

Pelegren and Martin of Bellingham this week purchased the Bob Friedman stock of men's wear, and will close it out in Lynden at large reductions in price. The stock will be placed on sale Saturday morning at the Friedman store. The Friedman stock was purchased new last fall, at a time when prices had already taken a drop, so that in cutting the Friedman prices in half, unusually low values are offered. Mr. Pelegren is personally in charge of the sale in Lynden. A full announcement is on page eight.

Meridian Bond Issue Defeated A proposition to vote \$30,000 in bonds to build a new high school in the Meridian district was defeated Saturday by a big vote. High tax statements was the cause.
