LYNDEN, WASH., THURSDAY, JULY 21, 1921

NO. 6

TRACTOR CARAVAN TO STOP IN LYNDEN

Free Moving Pictures and Lectures To Be Given Here Monday Evening at 7 o'clock

Twenty-two Fordson tractors, equipped with brakes and shod with solid and pneumatic tires, will visit Lynden next week in the greatest power farming and land clearing campaign ever staged locally. Each tractor will haul a trailer, loaded with every conceivable implement used in land clearing and power farming. The fleet of tractors left Seattle on July 5, and since that time has visited every city of importance west of the Cascades, and south of Seattle to the Oregon line. The Fordson Demonstration, as it is styled, is in personal charge of Lieutenant Governor W. J. Coyle, and a big staff of agricultural experts, representatives of the great powder companies and lecturers of nation-wide repute, are among the personnel.

The caravan will reach Lynden on July 25 at 5 p. m., and remain here until 8 a. m. July 26. This will give everyone in this vicinity an opportunity to view the caravan, listen to the lectures and learn the rapid advance which power farming is making.

Free moving pictures and lectures will be given in Lynden at 7 o'clock Monday evening. The Caravan will make its headquarters at the G. W. Robertson Ford Garage, which will be the center of activities.

The land-clearing demonstration will be held July 27 one mile north of Bellingham, on the Ferndale road. All are invited to attend this event.

Five prizes will be given away free at the land-clearing demonstration. Everybody will have an equal chance at the awards, which will consist of a Pyrene, luggage carrier, spot-light, set of chains, and 3-cylinder tire pump.

All will admit that we have the best climate in the world, the greatest natural advantages, and the finest soil in the universe—as soon as we remove the logs and stumps. And it is this work of removing the stumps and logs that is a feature of the Fordson Demonstration Caravan tour. One of the implements shown is a donkey engine attachment for the Fordson tractor that is speeding up the clearing of land in the Northwest.

Powered by the sturdy little Fordson, this donkey rig equals in power and speed a 9x10 compound steam donkey. In power and speed alone can it be compared with the steam rig, for in every other particular it is superior. Among its attractive features is the matter of operation. With the Fordson donkey one man is all that is necessary to operate the rig. Another feature is the fuel cost. Three gallons of fuel per day is sufficient, even in heavy logging operations. No large amount of water is necessary, as a radiator full twice daily is all that is required. In logging operations the fire hazard is eliminated, as there is no danger from flying sparks or open fires.

Several of the Fordson donkey rigs are now operating in this county, and they promise to supplant all but the giant yarding donkeys in the logging camps. The tractor may be detached from the donkey winch in around thirty minutes' time, giving a tractor for general farm work and belt power that will do the work of six horses cheaper, faster and better. Every man, woman and child in this locality should see the caravan on its visit here. There is not a single person the country over who, consciously or unconsciously, is not vitally interested in the farm, for it is from this source that all sustenance is received.

LYNDEN FARMERS PLANNING TO ATTEND FARM BUREAU PICNIC

Many Lynden farmers are planning to attend the first annual County Farm Bureau picnic to be held Saturday, July 30, commencing at 10 a. m., at the Pioneer Picnic Grounds near Ferndale.

Basket lunches will be spread at noon. The Farm Bureau will furnish coffee, cream, sugar and ice cream, but the members are asked to bring their lunches.

A short program of talks will follow the lunch hour. Professor E. C. Johnson of the State College of Washington at Pullman will give the principal address.

The entertainment committee has arranged a few sports for the children, so don't fail to bring all the family to the picnic, is the advice of R. W. Mize, president of the County Farm Bureau.

WATCHES HAY-LOADER AND AUTOMOBILE IS OVERTURNED

Mrs. Jake Roosma and two children were driving to Lynden in a Ford car Tuesday afternoon. Mrs. Roosma was interested in the operation of a hay-loader on the M. Vander Griend farm on the Hannegan road, and took her eyes from the wheel a minute. The car swung off the pavement and when Mrs. Roosma attempted to bring it back on, it turned over completely. Mrs. Roosma and one of the children were pinned under the car, but were uninjured.

STORES TO CLOSE FOR BIG GROCERS' PICNIC

Merchants and Employes To Attend Annual Frolic at Pioneer Park in Ferndale Wednesday

A majority of the Lynden stores have agreed to close next Wednesday afternoon, to permit the proprietors and employes to attend the annual grocers' picnic at Ferndale.

A big program of sports and entertainment has been arranged for the day, and the Lynden business men are looking forward to an enjoyable outing. L. J. Brown and W. H. Waples are members of the committee in charge of the affair.

The following stores have agreed to close at noon Wednesday: Lynden Department Store. W. H. Elder.

De Vries and Borst. Palace Meat Market. Star Mercantile Company. Mrs. N. Boerhave. W. A. Bauman. Linden Furniture Co. Western Mercantile Co. Marion Biehler. Producers Warehouse Company. R. L. Averill. City Market. Farmers Mercantile Company. Paul M. Henderson.

GUERNSEY MEN TO VISIT LYNDEN FARMS

Breeders of Northwest To Make Excursion as Guests of Whatcom Co. Association

The Whatcom County Guernsey breeders will be hosts next Thursday and Friday to the Guernsey men of Island, San Juan, Snohomish, and Skagit Counties, and British Columbia. A picnic and excursion to the important Guernsey herds of the Lynden district and other points is arranged for the two days.

B. C. Vander Griend, secretary of the Association, has been arranging the schedule of entertainment, and he expects a large crowd of the most prominent breeders of the Northwest to bring their families here for the excursion.

The following is the program for the two days:

Thursday, July 28th
10:00 a. m.—Start from the H. W. Bateman farm, on Marietta Road.

11:00 a. m.—H. B. Douglas farm, near Ferndale.

Lunch—Gulf of Georgia. Address by E. L. Westover, Guernsey field man for the Northwest.

Short talks by several other prominent Guernsey breeders.

1:30 p. m.—J. C. Curry farm.

2:30 p. m.—R. A. Baer farm.

3:30 p. m.—C. F. Kunzman farm, near county farm.

Friday, July 29th

9:30 a. m.—Vander Griend Bros. farm.

10:00 a. m.—Gerrit Vander Griend farm, double ditch road.

10:30 a. m.—S. Hiemstra farm.

11:15 a. m.—Nels Jacobson farm.

Lunch—Berthuson's Grove. Address by E. L. Westover.

Short talks by several other prominent Guernsey breeders.

1:30 p. m.—Vander Griend Bros. farm.

3:00 p. m.—J. O. Anderson farm, 3 miles east of Sumas.

5:00 p. m.—Dr. A. MacRae Smith's farm on the Hannegan road.

Makes Quick Trip from Centralia

Corporals Joe Whipple and Harry Savings have returned to Lynden after spending two weeks at the National Guard camp at American Lake. Whipple made the return trip from Centralia, where Mrs. Whipple and family were visiting, to Lynden by Ford in 13 1/2 hours, a distance of 225 miles.

Mr. and Mrs. Peter De Bruyn left Sunday for a visit in Michigan.

LYNDEN MEN GET STREET PAVING JOB

Boerhave and Zoet Awarded Contract for Olive Street Improvement By Council

Boerhave and Zoet of Lynden were awarded the contract for the paving of Olive Street by the city council Friday evening. Their bid was \$5,789.21.

The only other bid was that of Charles E. Lind of Bellingham, who wanted \$600 more for the work.

The contract calls for the closing up of the gap between the Third Street pavement in the city, and the new Lynden-Sumas pavement, including the construction of a new bridge across the Fishtrap Creek at the city park.

Boerhave and Zoet have had considerable experience in the construction of concrete pavements, and the news that the job had gone to a Lynden firm was received with considerable pleasure. They will start work at once, so as to have the pavement completed by fall.

POULTRYMEN CONTINUE FIGHT FOR ONE LYNDEN DIRECTOR

Poultrymen of the Lynden district are carrying on their campaign with vigor for the appointment of a Lynden man to the board of directors of the Washington Co-operative Egg and Poultry Association to succeed Harry Beernink, resigned.

George H. Griffith, former director, will carry Lynden's petition to the board at its next meeting. Mr. Griffith today addressed the following communication to G. W. Holt, president of the Association:

"Up to the time of my resignation as director, I represented the Bellingham district. It was so understood by the Bellingham members and by the board of directors. When Mr. Bauman's term expired, there was no question raised as to Lynden's right to a director. We Lynden members challenge the right of Bellingham members to put up a candidate to fill the vacancy at Lynden.

"I believe it would be a mistake to fill the vacancy with a Bellingham man.

"Mr. Bender is our best available man. He was Postmaster at Lynden for four years, is director of one of the Lynden banks, and has a forty-acre ranch near Lynden.

"Our main reason for sending in this petition is to establish the right of each district to have a local man for its director."

Miss Hermina Haveman has returned from Bellingham, where she has been attending the State Normal School, and is spending her vacation at home.

LOCAL HEN NEAR TOP IN LAYING CONTEST

Seidell Bird Scores Second in June and Moves Up Towards Lead in Egg-Production Tests

Lynden people should keep one eye on a Lynden bird who is making a stirring fight for first place in the Western Washington Egg-Laying Contest now drawing to a close at Puyallup. "Lady 313," a fine White Leghorn belonging to H. E. Seidell of the Forest Grove district, is the contender for championship honors, and with eight months of the contest gone, she is only nine eggs behind the leader.

Lady 313 is coming especially fast now. In June, she was second in the contest with 27 eggs. For the eight months period, she has a score of 203 eggs as against 212 of the leader, but not one of the birds ahead of her are now making the production record that she is establishing.

She is seventh in the contest for producing the highest value of marketable eggs for the eight months, with a mark of \$6.285. In June, she attained fifth place with a production of \$4.92.

The Laymore Farm pen is first among the Lynden entries for the eight months period. Laymore is now in 29th place with 817 eggs. J. W. Stearns in 33rd place with 805, Ray Slade in 42nd place with 741, and H. E. Seidell in 44th place with 737.

MISS ERNESTINE ZWEEGMAN AND HERMAN BOUMA MARRIED

The residence of Mr. and Mrs. Leonard Koole was the scene of a pretty home wedding Wednesday, when their daughter, Miss Ernestine M. Zweegman and Mr. Herman J. Bouma were married.

The interior of the home was artistically decorated with flowers and greenery. The ceremony took place under a bower of green, overlaid with rose blooms.

The bridal party entered the room as Miss Marie Zweegman played the wedding march. Rev. A. J. Brink read the service in a circle of relatives and friends.

The bride was attired in white crepe meteor, and carried a beautiful bridal bouquet.

A reception was given in the evening for a large number of the young couple's friends.

Mr. and Mrs. Bouma left for a camping trip Wednesday evening. They will make their home in Lynden.

Mrs. Frank Clendenen of Bellingham spent a few days last week with her parents, Mr. and Mrs. Henry Landaal.

Joseph Sytsma has purchased the Oscar Post home at 1518 Front St.

FORMER BANKER AND EDITOR OF LYNDEN MAKE VISIT HERE

Mr. and Mrs. R. W. Green of Seattle, and Mr. and Mrs. Dan Cloud of Montesano visited old friends in Lynden on Saturday and Sunday. Mr. Green was formerly president of the Lynden State Bank, and Mr. Cloud was editor of the Tribune. They attended the funeral services for a brother of Mr. Cloud and Mrs. Green at Nooksack, and stopped over in Lynden on their way home. Mr. and Mrs. Green were guests at the Knapp residence and Mr. and Mrs. Cloud at the Jamieson home.

CHAUTAUQUA TICKETS PLACED ON SALE HERE

Cost Less than Year Ago; Guarantors Asked to Call for Quota of Admission Tickets

Arrangements for the sale of season tickets to Lynden's big Chautauqua have been completed, and the tickets may now be purchased at any of the Lynden stores, or from the guarantors.

The Chautauqua will be here the week after next—August 2 to 8.

E. Edson is in charge of the distribution of the tickets. Each guarantor is requested to call at once and get his quota of tickets to sell.

Season tickets this year are priced at \$2.72 for adults, \$1.50 for students, and \$1.00 for children. No war tax will be levied on these tickets, so that the cost is lower than last year.

Announcement will be made next week as to the sale of reserved seats. No advance reservations will be made by telephone this year. All who wish tickets must appear in person or send in a representative to get the seats. Last year, phone reservations were accepted, and there was considerable complaint on the part of those who waited in line, and found the best seats already taken.

Localists Meet Defeat at Hands of Fast Nine; To Play at Ferndale Next Sunday

LYNDEN LOSES FAST GAME TO CUSTER TEAM

Custer defeated Lynden for the third time this season, last Sunday at the Fair Grounds. The score was 5 to 4. The visitors were simply too fast for the locals and their hits came at times when they meant runs, although Lynden rallied in their half of the ninth and almost tied the score when they ran in two runs.

While Jones pitched a good game for Custer he was also given almost perfect support. Several hits by Lynden, which ordinarily would have been safe were caught by Custer's fast outfielders. Olson for the locals pitched his usual good game but his teammates failed to produce hits at the right time.

Custer got three scores in the first inning on two 2-baggers, a sacrifice grounder and an error. They kept their lead thruout the game securing one more in the third and one in the fifth.

Lynden got their first run in the second; another in the third; and in the ninth their batting rally brought the crowd to their feet, but the best they could do was two scores.

Lynden has another hard game to play next Sunday, when they meet the fast Ferndale team at Ferndale.

The box score and summary of Sunday's game is as follows:

LYNDEN		CUSTER	
AB	R H PO A E	AB	R H PO A E
Bentley rf	4 0 1 2 0 0	R. Creasey ss	5 1 3 0 1 0
Dean cf	3 0 0 1 1 1	E. Creasey 2b	4 1 1 0 5 1
Hickey 3b	4 0 0 2 0 0	Bruland 3b	5 0 0 1 1 0
W. Meurer 2b	3 2 1 1 6 1	Behme 1b	5 1 0 9 0 0
Olson p	4 1 2 0 8 1	Otley cf	4 2 1 3 0 0
E. Meurer ss	4 0 0 0 1 1	E. Jones p	4 0 1 0 10 1
Thon c	3 0 0 8 0 3	Larson rf	4 0 1 1 0 0
Blaisdell 1b	3 0 0 8 0 2	K. Jones c	4 0 0 11 0 0
Kellner lf	4 1 0 5 0 0	Brinkman rf	4 0 0 2 0 6
32 4 4 27 16 9		39 5 7 27 17 2	

Summary—Earned runs Lynden 1, Custer 4; 2-base hits W. Meurer, R. Creasey (2), E. Creasey, Otley;

Mr. and Mrs. Gerrit Schuyleman have moved into their new poultry building, awaiting the erection of a new bungalow on their property.

D. W. Groves of Tacoma is moving to the De Bruyn house at 611 East Front Street.

first base on balls off Olson 1, off Jones 3; struck out by Olson 8, Jones 9; left on bases Lynden 5, Custer 8; wild pitches Olson 1, Jones 3; hit by pitcher Blaisdell; first base on errors Lynden 2, Custer 5; stolen bases E. Meurer, Kellner, R. Creasey, Otley, Umpire, Conklin.

Other games in the league resulted in the following scores: Ferndale 5, Deming 3. Everson 15, Valley 8.

NOOKSACK VALLEY LEAGUE

Lynden	8	4	.666
Ferndale	5	3	.624
Custer	5	3	.624
Everson	4	4	.500
Deming	3	5	.375
Valley	2	8	.200

TON OF LYNDEN BIRDS ORDERED FOR ALASKA

Local Station Lands Big Order for Shipment North; Eggs Considered Best in East

One ton of Lynden chickens will be shipped to Alaska this week by the local station of the Washington Co-operative Egg and Poultry Association.

An order for 2,000 pounds was awarded the Association in competition with other Seattle firms. The Alaskan Engineering Commission wants the birds, and will pay \$1 cents, f. o. b. Seattle for them.

The Eastern market is now recognizing that better weather conditions in this section cause the production of better eggs than the Petaluma output, and Lynden eggs as a result are commanding a higher price in New York than those from any other section of the country. Market quotations for July 12, for instance, in New York showed that Pacific Coast extras were topping the market with a premium of eight cents a dozen.

Along this line, the Daily Produce News of Seattle makes the following comment:

"Hot weather in the east has shot the market up for Pacific Coast whites as shipments from the Middle-west show the effects of the intense heat. Due to ideal climatic conditions, the eggs from Western Washington are receiving a premium over the Petalumas on the New York market. Inquiries for eggs are being received here daily by wire from eastern brokers."

PYTHIANS WILL WORK FRIDAY NIGHT AT CITY PARK GROUNDS

Tomorrow night, Friday, will be K. of P. night at the new city park. All Knights of Pythias, Pythian Sisters and their families are cordially invited to be in attendance.

The Pythian Sisters will serve a real feed at 6:30 p. m. After supper the men will raise the new flagpole now on the ground, under the supervision of V. D. Bussard. Park Superintendent Burns will be on job and direct any other work that can be done toward cleaning up and beautifying the park.

The committee in charge of the picnic is composed of V. D. Bussard, Ray H. Slade and E. E. Horton.

FIRE DEPARTMENT PLANS BIG CELEBRATION ON LABOR DAY

Preliminary plans for a big celebration and race meet for Labor Day were announced this week by the Lynden Volunteer Fire Department, through its committee, W. S. Baldwin, Jack Kauffman and A. A. Bauman.

The day will start with a big decorated automobile parade. Substantial cash prizes will be awarded for the best decorated cars in line. Immediately after the parade, activities will center at the Fair Grounds where foot races, sports and contests will take place, to be followed by a baseball game. Bicycle races will be held for prizes offered by the "Cycle Trades of America, Inc." through the Kauffman Tire Shop.

The day will wind up amid a blaze of light with a great big pavement dance. The streets will be illuminated with hundreds of lights and the boys are planning on having a big band furnish the music.

The Lynden Volunteer Fire Department promises to make this a gala day, and Lynden will see a big crowd of visitors on Labor Day. A full announcement of details of the sports, races and the various committees will be given soon.

Mr. and Mrs. Gerrit Schuyleman have moved into their new poultry building, awaiting the erection of a new bungalow on their property.

D. W. Groves of Tacoma is moving to the De Bruyn house at 611 East Front Street.

first base on balls off Olson 1, off Jones 3; struck out by Olson 8, Jones 9; left on bases Lynden 5, Custer 8; wild pitches Olson 1, Jones 3; hit by pitcher Blaisdell; first base on errors Lynden 2, Custer 5; stolen bases E. Meurer, Kellner, R. Creasey, Otley, Umpire, Conklin.

Other games in the league resulted in the following scores: Ferndale 5, Deming 3. Everson 15, Valley 8.

NOOKSACK VALLEY LEAGUE

Lynden	8	4	.666
Ferndale	5	3	.624
Custer	5	3	.624
Everson	4	4	.500
Deming	3	5	.375
Valley	2	8	.200

Stefansson at Chautauqua

Famous Explorer Comes on Second Night With His Remarkable Story of the Polar Regions

The cardinal lecture event of the week for all Chautauquans comes on the second night when Ellsworth L. White presents Vilhjalmur Stefansson, the famous Arctic explorer and discoverer of the "Blonde Eskimo," for the first time on the Chautauqua platform.

Rear Admiral Robert E. Peary, discoverer of the North Pole, said of him: "Stefansson has taken the white man's brains into the Polar regions, and has evolved a way to make himself absolutely self-sustaining. He could have lived in the Arctic fifteen and a half years, just as easily as five and a half years. By combining great natural physical ability with hard, practical common sense, he has accomplished what he has accomplished, and made an absolute record."

Stefansson's lecture has thrilled audiences everywhere. He has a remarkable story to tell and unusual ability in presenting its fascinating details graphically.
