**MISS JENNIE HAVEMAN AND MR. JOHN KOK MARRIED**  
Miss Jennie Haveman and John Kok were united in marriage Monday, at the home of the bride's parents, by the Rev. P. Jonker, in the presence of only immediate friends and relatives.

**HIGH SCHOOL ALUMNI MEET AT ENJOYABLE REUNION**  
A pleasing party was enjoyed Friday evening at the I. O. O. F. Hall by the Alumni of the Lynden High School.  
Tables were arranged at which various games were played, after which groups were formed by representatives of the different schools and colleges, and stunts were given. The prize, a box of candy, was awarded to the group in charge of Douglas Slade, who represented the University of Washington.  
At the close of the evening luncheon consisting of ice cream and waters was served.

**LYNDEN LOOKS FOR SPEEDY CONTEST WITH MERIDIAN**  
Lynden will play their fastest opponent tomorrow night in the High School gymnasium. It has been left for Lynden and Meridian to play the championship games in the past two years and Meridian is back again this year with a very strong team coached by Don McLeod, of Bellingham. Meridian has lost but one game this season, and Lynden has a clean slate season and Lynden has a clean record so far. Both girls and boys will play.  
Lynden will play Nooksack next Wednesday evening, January 11, on the home floor. This game was scheduled for Friday, January 13, on the Nooksack floor, but owing to the fact that Lynden was to play in Blaine on the 14th, Coach Rocky had it changed to Wednesday, and on the Lynden floor. Neither Lynden nor Nooksack have lost a game so far this season.  
Lynden won two victories over Harmony Friday, December 23, when both boys and girls defeated the Harmony teams.

**The Lynden Gimlet**  
Jim Pelham of Seattle dropped in on his old Lynden friends this week. Pelham used to be the Harry Savings of Lynden thirty years ago. He dispensed aigs at 3c a dozen and butter at 9c a pound at the Judson store here.

U---ooo-  
They held quite a celebration out in the country this week when S. T. Jackman moved to town.

U---ooo-  
A buggy without lights caused C. K. Smith to hit an automobile in Lynden this week. In the excitement, the buggy kept on going and Smith was unable to learn the name of the owner. He would consider it a favor if every farmer who owns a buggy without lights would drop in and see him.

U---ooo-  
The Gimlet is always glad to acknowledge mistakes, but this week we are puzzled. A report was turned in to us last week that Mrs. John Vandekamp was in the hospital. Mrs. Vandekamp is quite well.

U---ooo-  
Now we hate to say we're sorry we made a mistake, because we're glad we're wrong. What would you do about it?

U---ooo-  
The Gimlet believes that right in Lynden last week a world's record was established. Between Christmas and New Years, D. De Jong became a grandfather three times.

U---ooo-  
If President Harding hears of this, De Jong will receive a letter of congratulation; he is just as deserving as the New York woman with twenty-six children.

U---ooo-  
De Jong is doing fine.
