LYNDEN WINS GAME FROM BLAINE TEAM

High School Team Remains At Top of County League By Winning Another

The Lynden high school baseball nine won their third game of the season, Thursday, from the strong Blaine team with a 5 to 4 score.

Lynden is now the only team in the county with a clean record. They have won three games and have three yet to play.

They will play Sumas at Sumas, April 21; Harmony at Harmony, April 28; Nooksack at Lynden, May 5.

Blaine had their best chance of winning the game in the last half of the ninth inning, when they had a man on second and one on third with only one out.

The batter hit a fast grounder to Johnson, who threw to first and Gorseman, first baseman, threw it home catching the man from third by a couple of feet and ending the game with a double play, in Lynden's favor.

Jones of Blaine got a home run in the first inning with one man on the bases.

Scores were made by Elbert Meurer, 2; Teddy Johnson, 2; Cornie Lindhout, 1.

Batteries—for Blaine, Jones and Jones; for Lynden, Johnson and Daniels.

PLANS MODERN HOSPITAL HERE

Mrs. Craig Seeks Lynden Backing For Maintenance of Up-to-Date Institution

If sufficient local backing can be obtained, Mrs. C. A. Craig, head of the Lynden hospital, plans to erect a modern two-

of the sick.

Mrs. Craig would make the institution a credit to Lynden. All features in connection with it would be up-to-date. Provisions would be made for a series of private rooms, four with private baths, an operating room, a dietitian's room, an office and waiting room, and other necessary quarters.

The Lynden district is paying thousands of dollars annually to the Bellingham hospitals, and it is pointed out that with a modern hospital here, much of this money would remain here. Mrs. Craig has been promised considerable support locally. A meeting may be arranged shortly for the consideration of the project.

It was decided at a meeting of the Nooksack Valley League officials, last Tuesday evening to divide the eight or nine teams into two groups and form separate schedules for each division. The winners of each place in one division will play the winners of the corresponding position in the other division.

One group will be formed with teams from Ferndale, Custer, Blaine, and Marletta, while the second will be composed of Everson, Acme, Sumas, and Lynden, and possibly Kulshan, if they do not consolidate with Acme.

SENIORS SCORE HIT IN AMUSING COMEDY

Graduating Class Amuses Large Audience With Presentation of "Martha-by-the-Day"

Martha-by-the-Day, an amusing comedy in three acts, presented by the Senior Class of the Lynden High School, at the High School auditorium Friday night.

The lines and plot of the play were exceptionally clever, and the cast handled the parts ably, bringing many laughs from the audience.

Marie Le Compte proved herself equal to the difficult part of Martha Slawson, while Reba Slade and Gertrude Schuyleman as Martha's two daughters, Fran and Cora, were equally pleasing. Ma Slawson was depicted by Marjorie De Line, who carried the part well. As Sam Slawson, Harold Keller was well cast, while Tom Young and Teddy Johnson scored hits as Steve Lunty, the landlord, and Shaw, the butler. Jeanette Finnell was charming as Miss Claire Lang, and Elbert Meurer made an excellent Frank Ronald. Mildred Shay took the part of Mrs. Allen Sherman, and Irene Merritt as part of Amy Pelham, and both did well. As Allen Shaw, Walter Daniels also was well cast.

Several pleasing selections were played by the high school orchestra, before the performance and between the acts.

CO-OPERATIVE PLAN SCORES BIG VICTORY

Seattle Decision in Favor of Egg Association Considered of Vast Importance to Farmers

A decision that marked an important legal victory for the co-operative institutions of the State was handed down last week by Judge A. W. Frater of the King County superior court, when he granted every claim of the Washington Co-operative Egg and Poultry Association in its suit against Frederick A. Taylor, Auburn poultryman, one of the members who attempted to break his contract.

The Lynden district is vitally concerned in the outcome, as so many local farmers are members of various co-operative institutions.

The Egg Association sued for \$319.50 damages, a restraining order to prevent Taylor selling eggs other than through the Association, and a permanent injunction to compel him to sell his eggs and poultry through the association. Judge Frater upheld all three in his decision.

According to the complaint, market all his eggs through the Association. On June 14, 1921, he became angry because of the dismissal of J. L. Craib as manager, and refused to deal with the association, and began marketing through private channels.

The association filed suit for 5 cents penalty as provided in the contract for every dozen eggs marketed through outside channels. A total of 6,390 dozen eggs were sold in this way, totaling \$319.50 damages, awarded the association.

Each year, under the contract, members are given an opportunity to withdraw from the Association. This year, not a withdrawal was filed from the Lynden district, and only four were made in the state, two of them being Taylor and Craib.

HENS AT BIG CONTEST GET PLENTY OF GREEN FOOD

Feeding information of value to Lynden poultrymen was sent out this week by the Puyallup contest.

The contest schedule during the entire month of March. The green food did it. We turned them out in the green runs the first of the month, and now as the yard begins to wear out, we are starting the lawn mowers, so expect a continuous green food supply to the kale crop is ready this fall.

There were six deaths during the month and there are now three pens which have been reduced to four birds each.

We were urged by some of our friends to increase the amount of concentrates in the dry mash, in order to make up for the falling off occasioned by the unusual stretch of cold weather this past winter. We are quite certain we could have jumped the production at least ten percent by this means, but fully half of the teams were laying seventy percent or better, and a decided increase in the rate of lay of these individuals would surely result in their breaking down.

Our job as we see it is to get it possible at least five good birds to their owners at the end of the contest, with an official record which is a credit to the breeder and to our institution.

The feed costs for the month were as follows: Oats \$39, Scratch \$42, Mash \$40, Shell \$24, Mangel \$10 and Straw litter \$12 per ton; Blood 5c per lb., and Milk 75c per cwt. The average cost for the month was 16 cents per bird of the light weight breeds, including the Leghorns, Anconas, etc., was \$9.28 or \$1.56 per bird, and of the heavy weight breeds, including the Rocks, Wyandottes, Rhode Island Reds, etc., was \$14.27 per pen or \$2.34 per bird.

The average price received for Experiment Station eggs for the month was 21c for standards and 18c for pullets.

Mrs. Roy Alexander entertained at dinner Wednesday evening at the Leach home on the Guide for the Misses Martha Knittle, Edith Jacobson, and Alma Ecker.

Mr. L. Berkman of Bellingham visited friends in Lynden Tuesday. He will go to Seattle to make his home with his daughter, Mrs. H. Miller.
