THAT DULL ACHING

Don't worry and complain about a bad back. Get rid of it! For weak kidneys, lame and aching backs, your neighbors recommend Doan's Kidney Pills. Ask your neighbor. Read this statement:

Mrs. David Lesoine, 1405 11th St., Anacortes, Wash., says: "About a year ago I suffered from backache and kidney trouble. A heavy dull pain in the small of my back made me feel miserable and mornings I hated to get out of bed on account of the lame back. My kidneys didn't act right and caused much annoyance. I was tired and weary and lacked ambition. I also had pains in the top of my head that nearly drove me crazy. I heard about Doan's Kidney Pills and one box drove the pain out of my back and put my kidneys to acting right. The headaches left, also and I felt years younger." 60c at all dealers.
