NORTH PRAIRIE CLUB EARNS \$4,850 IN YEAR

Twenty Boys and Girls Make Remarkable Profit at Projects During Year

North Prairie's aggressive Achievement Club, operating under the leadership of Mrs. C. R. Axling, and with P. M. WISER LAKE

MISS PEARL FROST AND CALIFORNIA MAN MARRIED

Miss Pearl Frost, daughter of Mr. and Mrs. A. W. Frost and Mr. Daniel Pierson of Torrance, Cal., were united in marriage at 7 o'clock Wednesday evening, Oct. 18, at the Methodist Church in this community, with Rev. Duncan McPhail officiating. The church was prettily decorated with autumn leaves and flowers.

A beautiful arch of autumn leaves and white asters was made at 7 o'clock, and while Mrs. Will Dorr played Mendelssohn's March, the bride and her attendant, Miss Jennie Peterson, came down one aisle, and the bridegroom and his attendant, Mr. Lynn Miller, came down the other. The ceremony was performed.

The bride wore a pretty suit of brown, embroidered in the same shade, and carried a corsage bouquet of roses and sweet peas.

The ushers were the Misses Ellen and Vivian Burgess, Blanch Wood, and Ida Glass, each wearing white dresses.

A reception was held at the home of the bride for the immediate relatives and friends. Soon after the reception, Mr. and Mrs. Pierson left for Bellingham where they took the train for Torrance, Cal., where they will make their home. Mr. Pierson is a mechanic for the Union Tool Works of that city. Mrs. Pierson has spent the greater part of her life in this vicinity, and has many friends. She was graduated from Wisner Lake grade school, the Lynden High School, and the State Normal of Bellingham, and has taught school in South Bend, Woodlyn, Liberty, and Astoria.

Mrs. Pierson was an active worker in church and social work, and will be missed in this community.

The Wisner Lake Literary Society had an all-day meeting at the Church Sunday. A very interesting program was given, in both the morning and afternoon. The address in the morning was given by Rev. Moles, and most of the songs and recitations were by the primary and intermediate children. The address in the afternoon was given by Dr. E. T. Mathes of Bellingham. Charles Bartlett gave an interesting talk. Music was furnished by Mrs. Wesley and Will Dorr, and Philip and Priscilla Dorr.

ELECTION NOW ONLY DOZEN DAYS AWAY

Temperance Question Is Paramount; Gruber and Laytham Run on "Dry" Platforms

But a dozen days remain until the general election, and interest in the event is strong in the Lynden district. If the voting machines will handle the crowd, there will be a one hundred per cent vote cast here.

The wet and dry issue is the main policy at stake, and on this basis voters are rallying to the support of Edwin Gruber for prosecuting attorney, and James F. Laytham for sheriff, both of whom have pledged themselves to a strong enforcement of the liquor laws. Gruber won out at the primary because of his firm stand on this question, and his determination to conduct his office economically with one deputy only.

Efforts to split the vote for sheriff by scattering ballots to Crawford, the Farmer-Labor candidate, are being made by the Callahan camp. Crawford's reputation on the temperance question is not of the best, so that it is unlikely that he will pull much strength away from the Laytham support. Marshal Jake Le Compe is authority for the statement that Crawford this summer drove several disorderly parties from Bellingham to Canada, via Lynden, drunkenness being in evidence on more than one occasion among the occupants of the car.

The large number of initiative and referendum measures, together with the amendments to the constitution, are not receiving much attention from the voters, many of them not being informed on these questions. The Tribune in this issue is reviewing the measures to be voted on.

REV. H. K. PASMA TO BID CITY FAREWELL

Pastor Will Preach Final Sermons at Reformed Church on Sunday

On next Sunday, at 10 a. m. in the English language, and at 1:30 p. m. in the Holland language, Rev. Henry K. Pasma, who has accepted a call to become the pastor of the Southern Presbyterian Church of Charleston, Miss., will preach his farewell sermons at the First Reformed Church on Grover Street.

After they have held a sale of their household goods on Saturday afternoon, Rev. Pasma and family are planning to leave Lynden next Monday for Michigan, where they intend to spend a week with relatives, before entering upon the work in their new field in the South.

"It is only," said Rev. Pasma today, "by reason of the peculiar nature of the work of the ministry, which calls a man away from a locality, quite often against his own personal preferences, that we are leaving Lynden."

"We shall always retain happy recollections of our Lynden pastorate of five years, not only on account of our immediate relations with the First Reformed Church people, but also because of our happy associations with the splendid citizenry of Lynden."

HIGH SCHOOL NEWS

OTHER SCHOOLS COPY PLAN OF LYNDEN GOVERNMENT
Due to the fact that student government has proven to be such a success at the Lynden High School, other schools have been making inquiries as to the method employed here. Meridian sent four delegates last Thursday to attend classes and student government meetings and to carry back their report with the idea of introducing a similar plan in their school.

The secretary of the Student Body Association received a letter from the high school at Nooksack, where they are also considering the student government proposition. Since Nooksack is looked up to as a model for this mode of student control, we should try more than ever to carry it through successfully. We are looking and hoping for the co-operation of every student in working toward this end.

Last Friday night, the inter-class games were held. The contest between the sophomore and freshmen boys was well played, the freshmen winning by a score of 13 to 8. The sophomores deserve credit for their hard playing and the idea of introducing a similar plan in their school.

The junior-senior boys' game proved to be the most exciting of the evening. As the seniors had three letter men, things looked rather favorable for them. From the time the first whistle blew until the end of the game, both teams played hard and fast. Although the game was well-played by both teams, the Juniors outplayed the seniors and won by a score of 10 to 6.

The Freshmen and Sophomore girls played an exciting game. At the end of the first half, the score stood 6-2 in favor of the Freshmen. At the beginning of the second half, the sophomores woke up and during the half made ten points to the freshmen four, making the score 12 to 10 in favor of the sophomores.

The junior-senior girls' game was a fight worth while, but the juniors led throughout the game. The score was 5 to 3 at the end of the first half, and the final score 14 to 6.

The junior class had charge of the singing this week. It was led by Rita Jamieson, with Mertha Bostwick at the piano. The singing was very good and was enjoyed by all. The sophomore class will have charge of the singing next week.

A most interesting program was given Wednesday noon of last week by the senior class. A take-off of a county fair givenly demonstrated the magic of hair-tonic, corn extraction, and dentistry. Those taking part were Cressa Vinup, Berenice Craig, Mertha Bostwick, Alice Knutzen, Gertrude Wolfe, Mary Worthen, Tom Van Horn, Edwin Benson, Henry Hofman, and Raymond Bremner.

The freshmen board of control met Friday noon to discuss various class matters.

STORE WILL GIVE BIG BIRTHDAY PARTY

Lynden Department Store Will Be Hosts at Silver Anniversary Banquet

November 1, next Wednesday, marks the twenty-fifth anniversary of the establishment of the Lynden Department Store by W. H. Waples, and to celebrate it fittingly, the big institution has invited the entire community to a real birthday banquet.

The entire second floor of the store is being fitted up as a banquet hall, with an imposing series of long tables. Here from 11:30 to 3:30 Wednesday, the silver anniversary dinner will be served, as prepared by Chef Sam Mayhew, the celebrated barbecue artist.

The menu will be a tempting one. And there'll be Heun's orchestra to fiddle during the birthday dinner, and fifty fat "drummers" to serve it right. "As every grown-up in the section has been invited, there will be some three thousand guests at the big party. President Waples hopes, and he is making plans to entertain that many, and more."

The store is being handsomely decorated for the anniversary. It's forty times bigger than the tiny corner grocery of twenty-five years ago, and has gained the proud reputation of doing more business annually than any other establishment in a city the size of Lynden west of Chicago. And this is its real Medal of Honor after its quarter century of service.

In issuing the invitation to the big Birthday Party to the friends of the store W. H. Waples, president, made the following statement: "Wednesday, November 1, is just twenty-five years since this store opened its doors to serve the public."

"We are going to celebrate that day, the first day of our Silver Anniversary Sale, in appreciation of the quarter century of patronage given us by the good people of the community and county. We are planning on a real Jubilee."

"The entire upper floor is being arranged into a Big Banquet Hall so we can entertain you, rain or shine.

"Mr. Sam Mayhew, famous barbecue chef, will roast the fattest ox barbecue style. Hundreds of pies will be baked by Lynden's best cooks.

The Banquet Table will be loaded with good eats. About fifty traveling salesmen from the manufacturers and wholesalers will wait on the table.

"Heun's Matchless Orchestra will furnish the music during the entire banquet which will last from 11:30 a. m. to 3:30 p. m.

"We want you and the grown-up members of your family to be our guests that day. Come prepared to visit your friends and neighbors and have a good time."

"This is the only silver anniversary we will ever have, and we want you to help us celebrate it."

NEW FORD PRICES LOWEST IN HISTORY OF COMPANY

That the cut of fifty dollars on all models bring the touring car sixty-two dollars below the previous low level of \$350 in 1917, the Ford factory announcement made today by G. W. Robertson, local Ford agent, the sedan price, fully equipped, is now \$50 below the 1916 price, which did not include electric starter or demountable rims.

The new prices are: Roadster, \$249.00; touring \$248.00; coupe \$530; sedan \$595.00, these prices being f. o. b. Detroit and not including electric starter nor demountable rims on the roadster and touring models, this extra equipment being \$20 for the starter and \$25 for the rims.

On the commercial cars the new prices are: Chassis, \$235; one-ton truck chassis \$380.00. The price of the Fordson tractor remains unchanged.

These new prices represent a drop of 48 per cent in two years in the price of the touring car and of 38 per cent in the same time in the price of the sedan. Ford cars are now the lowest cost of all forms of gasoline-propelled vehicles, not excepting even the humble motorcycle.

There has been a steady decline in price in the eighteen years in which the Model T has been built. In its first year, the car which is now the famous Ford touring sold for \$2,600, dropping to \$1,000 in the following year, to \$850 in 1908, and on down until 1916 when it reached \$350.00.
