 Lynden now has four more citizens with jail records. The desperate characters are George Abbott, Lawrence Asam, Joseph Shoop and Carl Boice. They were incarcerated in the county calaboose for an hour, charged with holding a dip-net in the crystal waters of the Nooksack.

Why That Lame Back?
 That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Anacortes resident's example.
 G. F. Rouse, 416 4th St., Anacortes, Wash., says: "I obtained my back doing heavy lifting and suffered from lame back. At times I went right down on my knees with a terrible pain which caught me in the small of my back. I had to lay off work for days at a time. The kidney secretions passed too often and were unnatural. Spocks came before my eyes and confused me. I was told to try Doan's Kidney Pills and half a dozen boxes rid me of the backache and dizzy spells and made my kidneys act like clock work."
 Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rouse had. Foster-McMillan Co., Mfrs., Buffalo, N. Y.

The Lynden Gimlet
 Here's a Christmas card we received from one of Bellingham's most distinguished citizens this week—
 "The Navy is a wet, wet place. And Bellingham is dry."
 What can a City Father do When "licker" is so high?
 "We'd like to offer you some 'cheer'
 And a 'Merry Christmas' too. But where'll a fellow charge it That the Gimlet won't bore thru?"

Ed Kamm, G. G., which stands for Gimlet Graduate, is visiting the scenes of his boyhood this week. Ed is now the police reporter for the Seattle Daily Union Record, his experience on the Gimlet staff standing him in good stead now as he mixes with the throngs of lawbreakers of the great city. He also conducts the Totem Pole, the Union Record's column of alleged humor.

The Gimlet is delighted to be able to announce this week a piece of exclusive big news.
 When M. A. Hickey reads this, he will receive the first information that his Sunday hat, lost during the blizzard and high wind of two weeks ago, has been found!

The hat did not get quite to Ferndale, was picked up by John Bussard near his home, carefully dried, brushed and aired, and brought to the Gimlet office.

The quartet pleaded "not guilty," and intend to fight it out in the courts even if they have to appeal to the League of Nations. Joe Elenbaas and Steve Woudenberg, who were apprehended for the same offense across the river, decided not to argue the matter, and kissed ten dollars and costs a fond farewell.

An Oregon man claims to be the champion male tatter of the world. He has just finished a scarf 60 inches long, and 18 inches wide.

Why can't Dr. Mounter and George Worthen, who used to knit socks during the war, take up this sport, and show what Lynden can do. We venture to say that they can tat as neat a dolly as the Oregon champ.

The Gimlet will furnish the tating tools necessary for the competition.

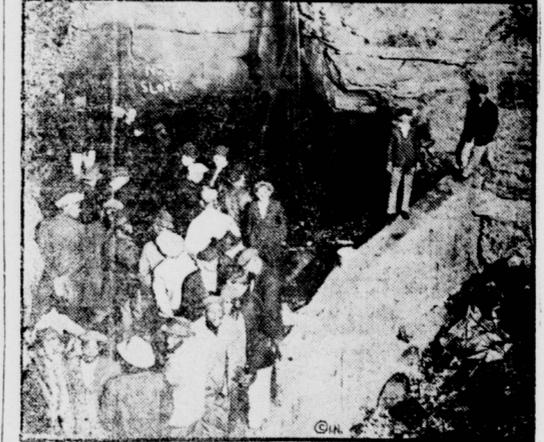

LOTS ON FRONT STREET BOUGHT BY LYNDEN MAN
 Mrs. H. C. Brooks of Mentor, Ohio, sold two lots on West Front Street this week to Bert Vander Kooi, for \$350.
 Mr. Vander Kooi is clearing the property now, preparing to build a modern bungalow.
 A. A. Bauman made the sale.

LYNDEN FIRE DEPARTMENT DOES GOOD WORK IN 1922
 The Lynden Volunteer Fire Department responded to fourteen calls in 1922. Chief William S. Baldwin reports. The estimated losses were \$3,200.
 But two of the calls were paid for, the department costing the city but \$49 during the year.
 Sixteen men are actively enrolled in the department.

Mr. and Mrs. P. M. Serrurier entertained the 1922 officers of the Eastern Star and their husbands at a 7 o'clock dinner at the Masonic Hall Wednesday evening. Covers were laid for twenty-eight. The evening was spent at cards, high scores going to Mrs. R. L. Averill and Mr. B. C. De Long.

The W. H. M. S. will meet next Thursday at 1:30 p. m. at the Waddell home. The district president, Miss Wilkinson of Bellingham will be present to give a report of the national meeting.

Nearly 100 Died in Explosion In Heart of This Mine

Entrance is shown here to the Woodward Iron Company's Dolomite mine No. 3, near Birmingham, Ala., in which nearly 100 men were killed by an explosion, the climax to a series of shocking subterranean disasters in the country recently. Several ore cars, breaking away, showed down this shaft, striking an electric spark which caused the blast.
