Wild With Eczema

Fire Could Not Have Been More Painful. "After spending two years in taking all kinds of medicines that were suggested for eczema, but without avail, my mother was induced to take Hood's Sarsaparilla. The result was wonderfully gratifying. Her limbs had been terribly lacerated by the disease, and there were times when fire could not have been more painful. She was, in fact, almost wild. Two bottles of Hood's Sarsaparilla completely cured her, and not a trace of eczema was left." E. W. DECKER, Gardiner, N. Y.

Eat Well, Sleep Well. "Hood's Sarsaparilla has been a great blessing to me. I was weak, irritable, tired and nervous; had no appetite and was always sad and despondent. One day I got hold of a little book about Hood's Sarsaparilla. I looked it over and resolved to try a bottle. I was better before it was gone, so I kept on until I had taken five bottles. I can now sleep well, feel cheerful and can do all my work, walking plain sewing, and I can walk two or three miles a day. I am 55 years old and now feel that life is worth living." Mrs. EMMA SMITH, 68 E. Mitchell St., Oswego, N. Y.

Critical Period of Life. "I took Hood's Sarsaparilla during the critical period of my life, and now, at the age of 60 years, I am strong and healthy. It is a great medicine for the blood. I find Hood's to be the best." Mrs. H. POMROY, 22 Lansing Street, Auburn, N. Y.

You can buy Hood's Sarsaparilla of any druggist. Be sure to ask for Hood's and do not accept any substitute.
