

ALBION.

Clem Roberts' baby was buried in the Albion cemetery last Friday. Warren Willoughby and family are now located in Oregon. Mr. and Mrs. H. L. McCay left this week for a pleasure trip to Spokane and Seattle. They will be gone all summer. Professor Dykes is ill with the measles. Mr. and Mrs. Bert Rice have just returned from a visit with relatives on the reservation. Mr. and Mrs. Will Thompson are soon to leave Albion for a home in Oregon. Robert Short, a wealthy cattleman from near Chehalis, is visiting relatives here. Mr. and Mrs. R. M. Bachus of Gifford, Idaho, are spending the summer here. At the annual school election, Alonzo Standard was chosen director for the ensuing year. A family who are traveling through the country are camped here this week, because of illness of the mother. Martha Sleizer is very ill with measles. The Ladies Aid society of the M. E. church will meet at the home of Mrs. W. H. Thomas Thursday afternoon, for an old-fashioned "rag bee." The Christian Ladies' Aid society will meet Thursday afternoon at the pleasant farm home of Mrs. E. V. Cunningham. Professor Merry and family are going to Oregon for the summer. A. Miller is having his house raised and is getting ready to put a foundation under it. John Stover is preparing to build a large barn. Masons started the wall Friday. Miss Trowbridge visited her home people in Garfield over Sunday.

MOCKONEMA.

Not having heard from Mockonema for so long we greatly fear that we may lose our rightful place in the minds and hearts of the people, so we reappear to assure you that our quiet little village is still abreast of the swiftly advancing times, doing good word and work, which tends to the happyfication of humanity in general. The beautiful residence of C. B. Moreley was full of life and joy on the eve of May 9th and a number of our young people tripped the light fantastic to the splendid music furnished by Messrs. St. Lawrence and Moreley, interspersed with songs by Mr. St. Lawrence, and followed by a dainty repast that would make an epicurean smile. Our enterprising farmer, D. A. Beasley, has a splendid barn under construction. He is also building hog fence, which taken together will greatly enhance the value of his ranch. The Crumbaker telephone line and the R. F. D. No. 5, it is hoped, will soon be a thing of reality in this community, to the great comfort of our citizens. Harrowing fall wheat and summer following is the order of the day in this vicinity. John O'Neil is offering a nice band of yearlings and two year-olds for sale. John McClintock has given up the Livingston ranch and B. F. Sherley has rented it. Robert McNeilly is on the warpath after the road hands, as he has begun constructing our highways. We are sorry to report Miss Blanche Ellis on the sick list. George McClintock of LaCrosse is visiting his brother here this week. The present successful school term taught by Mrs. Monteith will expire on May 29. Messrs. Pearl and Wiseman have brought their cattle home from Tate Broyle's ranch near Dusty. Mr. and Mrs. Chas Modi were up from Dusty this week. Our genial friend, John Gates, made a business trip to Washtucna last week, to look after his interests there. Morris Staples is moving to his home-stand near Washtucna. We are glad to report the great improvement in the health of Mrs. Wm. Woods since her stay in Oregon. When you want a pleasant physic try Chamberlain's Stomach and Liver Tablets. They are easy to take and pleasant in effect. For sale by Elk Drug Store. Pure and delicious describes everything served at the Colfax Candy Factory.

THE SOCIAL SIDE.

There was a very pleasant gathering at the home of Mr. and Mrs. C. E. Walmer, Tuesday evening, when members of the Order of Eastern Star met there to celebrate the seventy-seventh birthday of Mr. Ed. Irwin. It was in the nature of a surprise to Mr. Irwin and had been so carefully planned that not an inkling of the affair had reached him. The evening was a delightful one to all present, and at its close Judge Chadwick, in a graceful speech, presented to Mr. Irwin a handsome gold headed cane, as a token of the high esteem in which he is held in the order. The friends present united in wishing Mr. Irwin many happy returns of the day and in this sentiment they are joined by a host of others in Colfax and vicinity.

CHILL WINDS

Are the dread of those whose lungs are "weak." Some fortunate people can follow the summer as it goes southward, and escape the cold blasts of winter and the chill airs of spring. But for the majority of people this is impossible. Family cares and business obligations hold them fast. "Weak" lungs are made strong by the use of Dr. Pierce's Golden Medical Discovery. It cures the obstinate cough, heals the inflamed tissues, stops the hemorrhage, and restores the lost flesh to the emaciated body.

Let me am a railroad agent," writes R. Staples, Esq., of Barclay, Osage Co., Mo. "I was twenty years ago my work keeping me in a room, and stepping out frequently into the cold air gave me bronchitis, which became chronic and deep seated. Doctors failed to remedy my case and advised me to try a higher air, but fortunately for me, a friend advised me to try Dr. Pierce's medicine. I commenced taking your 'Golden Medical Discovery,' and by the time I had taken the first bottle I was better, and after taking about four bottles my cough was entirely gone. I have found no necessity for seeking another climate, and am now as well as ever." Sometimes a dealer, tempted by the little more profit paid on the sale of less meritorious medicines, will offer the customer a substitute as being "just as good" as the "Discovery."
