

UMPIRE LOST HIS JOB

Gave Colfax the Rottenest Decisions on Record.

The Barley Growers Have Gone to Pendleton and the Walla Walla Are in Colfax.

Table with 4 columns: Team, Games, Won, Lost, Per cent.

Third Series Ended.

The third series of games played by the Inland Empire league has closed and the standing of the various teams is as indicated in the table at the beginning of this article.

The game on Friday, however, was the warmest thing in many respects that was ever pulled off on a Colfax diamond. The Palousers don't mind losing a game once in awhile, but the rank decisions of the umpire set the spectators and the players wild.

On Saturday Colfax won from the Dayton by a score of 10 to 7 in a bat and run game. There were a number of pretty plays during the afternoon, but there were also a number of errors.

The game Sunday was a beautiful exhibition of ball in several respects. The Dayton boys were up in the air from the very start and were unable to come down, but even in the face of that fact they displayed some very pretty work.

The Walla Walla Scots are here this week and are crossing bats with the Palousers. The Barley Growers have gone home to entertain the Pendleton team. The Dayton boys are a fine lot of fellows and were more than pleased with the treatment accorded them while in Colfax.

Preparations are being made for a good programme on Decoration Day. In the morning the line of march to the cemetery will be formed at the G. A. R. hall at 9:30 o'clock and will include the G. A. R., W. R. C., National Guard, Odd Fellows, and other fraternal societies and citizens.

Fine Herd of Shorthorns.

G. P. Grimes arrived this week from Missouri bringing with him a herd of 40 shorthorn cattle. These animals are at the fair grounds west of town and are the finest stock ever brought into the Palouse country.

Drake Plead Guilty.

William Drake, who has been confined in the county jail for some days past awaiting the convening of the superior court, to be tried upon the charge of burglary, plead guilty Monday and has been sentenced by Judge Chadwick to one year in the penitentiary.

A Startling Test.

To save a life, Dr. T. G. Merritt of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes: "A patient was attacked with the violent hemorrhages, caused by ulceration of the stomach."

World Wide Reputation.

White's Cream Vermifuge has achieved a world wide reputation as being the best of all worm destroyers, and for its tonic influence on weak and unthrifty children, as it neutralizes the acidity or sourness of the stomach, improves their digestion, and assimilation of food.
