

THE ROOSEVELT CLUB

Permanent Organization Was Effected Monday Night.

Objects and Aims as Expressed in the Constitution are Good—Rolls Open for Signers.

At a meeting of the Roosevelt Republican Club of Colfax, held at the office of R. H. Lacey Monday evening, a constitution and by-laws were adopted and the temporary officers, elected at a previous meeting, were made the permanent officers of the club.

Much interest is being manifested by local republicans in this club and it is confidently expected that the organization will have a membership of 250 before another month shall pass. For the benefit of those who may be interested, The Gazette publishes herewith the constitution as adopted by the local club, being an exact copy of the one suggested by the president of the state league, Mr. Cavanaugh of Olympia.

A copy of the constitution may be seen at the office of Secretary Howard Bramwell and at the office of Treasurer R. H. Lacey. Any person who may wish to subscribe their name to the club may do so by calling upon either Mr. Bramwell or Mr. Lacey. The following is the constitution:

Constitution.

Article 1. The name of this club shall be The Roosevelt Republican Club of Colfax, Washington.

Article 2. The objects of this club shall be to advocate, maintain and promote the principles of republicanism; to influence and enroll the first voters; to direct and interest in politics those who have heretofore been more or less indifferent to their political duties; to encourage attendance at primary meetings, in order that honest and capable men, true and tried republicans, may be nominated and elected; to guard and defend the purity of the election laws; to work in harmony with and to carry out the plan of permanent republican club organizations; and to perform such other work as may best conserve the interests of the party, national, state and locally, thereby exerting the most potent influence for good government.

Article 3. This club shall not be used in any way to further the interests of any candidate for office previous to nomination, but shall reserve its force to be exerted in behalf of all candidates nominated by republican conventions.

Article 4. Any person over 18 years of age, who is a republican and in sympathy with the principles of the republican party, a supporter of its candidates, shall be eligible to membership in this club.

Article 5. The officers of this club shall be a president, vice president, secretary, assistant secretary, treasurer and executive committee of five, and president and secretary ex-officio. All officers shall be members of the club, and shall be elected by ballot at such time as may be prescribed by the by-laws.

Article 6. Sec. 1. The regular meetings of this club shall be held at such place as shall be selected by the club, on the dates provided for in the by-laws. Sec. 2. Ten members shall constitute a quorum at any regular or duly called special meeting of the club.

Article 7. Sec. 1. All by-laws and resolutions of this club shall require a majority vote of the members at any regular meeting for their adoption. Sec. 2. Amendments to this constitution shall only be made upon previous notice of two weeks, in writing, and shall require their adoption an affirmative vote of two thirds of the members present at a regular meeting.

BASKET BALL TONIGHT.

Spokane High School Girls Meet Colfax High School Girls.

A very interesting game of basket ball will be played in the armory, Friday night, February 26, at 8 p. m. The teams playing will be the High school girls of Spokane and the Colfax High school girls. The Spokane team played the W. A. C. girls a short time ago in Spokane and held their visitors down to a score of 3 to 1, thus proving their team to be a strong one, even if defeated. The local girls have demonstrated their ability to play excellent basket ball so recently that very little need be said about them.

Twice have they defeated the Lewiston girls this season. They have been practicing daily this week for this contest, perfecting their plays and team work. They will be in better shape for the game than ever before and the Spokane team will have to be a whirlwind to win. Lovers of basket ball will see a battle royal on tonight. This is the last game scheduled to be played in Colfax this season.

The team will line up as follows: Hattie Carter, basket forward and captain; Lunette Pocock, field forward, Lois Boyd, center; Maude Smith, basket guard; Maude Brown, field guard. The girls will play a return game in Spokane, Friday night, March 4.

THE BOHEMIAN GIRL.

Beautiful Opera at The Ridgeway This Friday Evening.

In presenting the Rose Cecilia Shay Grand Opera Co., in the Bohemian Girl, this Friday evening, Managers Lennox & Larkin offer one of the strongest attractions of the season. The accomplished and brilliant young prima donna is the daughter of the famous criminal lawyer, Judge Thomas F. Shay of Cincinnati, and holds an enviable social position throughout the state of Ohio. She has surrounded herself with principles of national reputation, a superb chorus of young and fresh voices, and carries her own orchestra of skilled musicians. The operas are produced under the direction of Carlo Nicosis, colleague and former concert master of the great Mascani.

Prices for this engagement will be \$1, 75c and 50c.

Athletic Entertainment.

The athletic entertainment given at the Ridgeway Tuesday evening by the Washington Agricultural college athletic club was very poorly attended, although the program rendered was interesting from start to finish. The tug-of-war between the college team and a selected Colfax team, composed of Dr. Tift, A. M. Scott, Warren Cram and J. Reed, afforded the most amusement. The college boys were easy victors, as the local team had never practiced more than half a dozen times. Milton Moreskey acted as referee. In the wrestling match Dr. Austin was the referee. All of the exhibitions were splendid and brought forth much enthusiasm from the audience. Considering the class of entertainment, the athletic club was worthy of a larger audience.
