Wanted.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of indigestion, dyspepsia, and liver troubles that has not been cured—and we also mean their results, such as sour stomach, fermentation of food, habitual costiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try a 25 cent bottle first. We have never known of its failing. If so, something more serious is the matter with you. The 25 cent size has just been introduced this year. Regular size 75 cents. At all druggists.
 G. G. GREEN, Woodbury, N. J.

Cured Paralysis.

W. F. Baily, P. O. True, Texas, writes: "My wife had been suffering five years with paralysis in her arm, when I was persuaded to use Ballard's Snow Liniment, which cured her all right. I have also used it for old sores, frostbites and skin eruptions. It does the work."
 "Dimes make dollars"; and the dollars deposited in the savings department of the Farmer's State Bank, soon run into a good fat bank account.
