HIGH SCHOOL NOTES.

Miss Lelia McKoy entertained the seniors Tuesday evening at a very enjoyable picnic supper at a short distance from town. The seniors and faculty started from Mr. Chase's residence at about 4:30 and returned at 9 o'clock to spend a delightful evening. Each member of the class and faculty was dressed to represent some noted book or poem. Homer Cronk, dressed as "Mother Goose," received the prize.

The Germania picnic was held at Mrs. Howe's park Wednesday afternoon. About sixty German students were present and everyone did their utmost to make the time pass pleasantly.

DIVORCE MILL AT WORK.

Has Been Idle for Long Time—Two Cases Scheduled.

Two divorce suits are on the tapis. This will be interesting news to the gossip—news that can be rolled under the tongue and keep the tongue wagging until something better turns up. Monday papers were filed in the case of Edwin Busby against Florence Busby. Adultery is charged. The couple were married in Lewiston three years ago and have since been living in Colfax. The defendant at this writing is out of town and may not appear at the trial. If she does interesting developments are looked for. The gossips have been busy on this case for some time, and names and events, now withheld, have been mentioned in connection with it.

The second case is that of Katherine Nauert vs. John Nauert, the papers in the case being filed Tuesday. Extreme cruelty is set up in the complaint as grounds for divorce. The Nauerts live near Albion and were married in Germany seventeen years ago. Three minor children are the fruits of this union. It seems to be a case where the old man is tired of the old woman and wants her to "go way back and sit down." The court will be asked to decide who is entitled to this privilege. The divorce mill has been idle of late and the machinery is a little rusty, but Judge Chadwick can probably oil it up and make it run as smooth as ever.

Charles R. Hill is attorney for plaintiff in both these cases.

Ugly and Quarrelsome.

George McInturf, having imbibed too freely of firewater, became quarrelsome Wednesday afternoon and was taken into custody by City Marshal Mackay. It was necessary to call an express wagon to haul him to the cooler, where he was placed until he could sober up. Thursday morning McInturf was taken to the county jail, where he lingers. It is not known at this writing what the charge will be against him, but his quarrelsome disposition is continually getting him into trouble and people are tired of it. Judge Chadwick intimated that he would give him the limit of the law.

The Automobile Fuel Problem.

The fuel problem is becoming a serious one for automobilists. Within the past ten years the demand for gasoline has increased enormously, and the price has almost doubled, while the supply has increased but little. There is a more serious problem, however, for the sick man or woman to solve, and that is, how to regain health. During the past 53 years thousands have solved it successfully by resorting to Hostetter's Stomach Bitters, and a similar experience awaits you if you'll only start today. For strengthening and toning weak stomachs it is unequalled, and it always cures sick headache, sour risings, bloating, heartburn, nausea, dyspepsia, indigestion, constipation, biliousness or female ills. Try a bottle. The genuine has our Private Stamp over the neck and is guaranteed absolutely pure. Refuse all others.

WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urin, etc. But if you keep the filters right you will have no trouble with your kidneys.

John Barnes who lives at the Columbia Hotel, Olympia, Wash., says: "I have used and therefore very highly value Doan's Kidney Pills. The results on short use of them over a year ago when my kidneys showed a deranged condition were very satisfactory. Any one suffering from kidney complaint, lumbago, backache or pain in the loins, would do well to procure a box of Doan's Kidney Pills at a drug store and take them according to directions. They will find satisfactory results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
