Seeks Nomination for Governor.

Our fellow townsman, Mayor John Pattison, has come out flat-footed as a democratic candidate for governor. Like all true democrats John has mounted a platform, which includes, among other things, "a fearless, honest and economical administration of the laws." That sounds good, but The Gazette thinks that Mr. Pattison will not get nearer than the nomination to the office, as the republicans will elect everything this year from president down. Mr. Pattison is popular as a citizen. His boom for governor was started by his friends connected with the Woodmen of the World, in which order he is a high mogul.

Mr. Todd Will Not Run.

County Clerk Hugh C. Todd publishes a card making the announcement that he will not be a candidate for re-election as clerk. Mr. Todd does this after mature deliberation, his main reason being that his retention of the office for another two years would interfere with his purpose of entering the legal profession, which he desires to do in the near future. Mr. Todd has nearly a year to serve yet, or until the 1st of next January, and will endeavor to faithfully serve the people until that time in the same satisfactory manner he has in the past. His nomination was looked upon as a certainty, and his withdrawal comes as a surprise.

Is It Smallpox?

Royce L. Showalter, son of County School Superintendent Showalter, who has been attending school at Gonzaga College, Spokane, for several weeks, came from the Falls City last Saturday with a slight breaking out on his person, which at first was thought to be a mild form of smallpox. As a precautionary measure Health Officer Palamoutain placed the Showalter home under quarantine, although the disease, whatever its nature, is of such mild form that no fear need be felt of its spread.

Marriage licenses have been issued by the county auditor to the following: Elmer S. Wolbeter and Irene J. Raymond, both of Palouse. Paul H. Jones and Mary Semler, both of Colton.

Miss Katherine Ryan and Walter Strickler are the debaters who will go from here.

Ticket Office Closed.

A recent decision of the Interstate Commerce Commission has had the effect of closing railroad ticket offices in towns not located on the road on which tickets were sold. As a result, George H. Lee Willard, an actor of considerable merit, who will be remembered for his clever acting in "Monte Cristo" and "Dr. Jekyll and Mr. Hyde" last season, will appear at the Ridgeway on Wednesday evening, March 4, in "The Country Squire," and judging from press comment he will add to his list of admirers. The Portland Oregonian said: "It is an attraction which could have stood longer. Mr. Willard has visited Portland on various occasions and has presented a variety of plays, but 'The Country Squire' shows him to better advantage than any of the others."

Mabel Yaisley Passes Away.

Mabel Yaisley, aged 7 years, 6 months and 10 days, daughter of Mr. and Mrs. A. Yaisley, died at the family home in Colfax last Wednesday. The child had only been sick since Sunday. Malignant diphtheria was given as the cause of death. THE SOCIAL SIDE.

Mrs. Stephen J. Chadwick and Mrs. Peter McGregor entertained about 65 ladies at an elaborate luncheon last Saturday—Washington's birthday—at the home of Mrs. Chadwick. The rooms and tables were decorated with the national colors, red in the dining room, white in the library and blue in parlor and hall, flowers and festoons all carrying out the color scheme. The place cards bore pictures of the American flag, and each guest received a bunch of cherries as a souvenir. The luncheon was delicious, and was daintily served by young girls in colonial costume. These were Misses Harriet Chadwick, Aline Browder, Katherine Ryan, Emma Hannah, Winnifred Windus and Ruth De Pledge. The last course served consisted of delicious ices, moulded into miniature hatchets, on each of which was a perfect likeness of the Father of His Country in bas relief. After luncheon all engaged in answering a number of questions concerning Washington's history. In this the prize was won by Mrs. Charles E. Scriber. Then followed a musical program, which was much enjoyed by all. Numbers were given by Mrs. Goodyear, Mrs. Chapman, Mrs. Kipp, Mrs. Windus, Mrs. Carter, Miss Perkins and Miss James. Pullman was represented among the guests by Mrs. E. A. Bryan, Mrs. O. L. Waller, Mrs. A. D. Baum and Mrs. J. W. Matthews. The afternoon was delightfully spent by all present.

Miss Rose Lippitt was hostess Tuesday afternoon at an elaborate luncheon, the guests being six young ladies. After the daintily served repast guessing contests were features of the afternoon's entertainment, Miss Mamie Apple of Spokane and Miss Ada Doolittle winning the honors. The afternoon was a delightful one.

Last Saturday evening Mrs. R. H. Duff entertained a large number of her friends at the Duff home in the Binnard block, the occasion being the 51st anniversary of her birth. The evening was pleasantly spent in playing five hundred and other games. Elaborate refreshments were served.

MARRIED.

Halpin--O'Neil.

A beautiful wedding took place at the home of the bride on Rebel Flat, Feb. 19, when Thomas Halpin and Miss Maggie O'Neil, daughter of Mrs. P. O'Neil, were made husband and wife. The ceremony was performed by Rev. Father Le Roux of Colfax. The bridal couple, accompanied by the brother and sister of the bride, Johnny and Nellie O'Neil, marched into the parlor to the strains of a wedding march played by Miss Marion Keiba, where the beautiful and impressive ceremony of the Catholic church was performed. The O'Neil home was tastefully decorated for the occasion with carnations and ferns. After the ceremony a sumptuous feast was served, which was greatly enjoyed by all.

The bride was attired in a light gray traveling suit and carried a bouquet of white carnations. The groom was attired in the conventional black. The happy couple left on the evening train for Spokane and northern points on a brief honeymoon trip. After March 1 they will be at home on the Halpin farm 10 miles west of Pullman. The wedding was witnessed by relatives and immediate friends of the high contracting parties.

Valuable Property.

J. H. Ehlers and M. W. Neary, owners of the beautiful Woodland Terrace addition to Spokane, who have made Colfax their headquarters for the past month, announce that they have made many sales of lots and tracts in the addition to Whitman county people. A representative of The Gazette who viewed the ground the other day is of the opinion that investors in the property will have no reason to regret their action. Because the property must be disposed of within a limited time it is sold at a much lower price than other property in the same section farther out and not so well located. Woodland Terrace is a choice location on the southeastern heights, overlooking practically the whole city, and possesses many advantages not exaggerated in the advertised descriptions of it. For either speculation, investment or residence purposes this property appears to answer all requirements.
