THE MIGHTY POWER OF MI-O-NA

Mi-o-na, that extraordinary and perfect stomach tonic, will relieve dyspepsia in twenty-four hours.

It will cure, and is guaranteed by Y. T. McCroskey to the readers of The Gazette to cure the most pitiful cases of dyspepsia, if taken according to directions.

Mi-o-na tablets not only cure dyspepsia, but all stomach disturbances, such as vomiting of pregnancy, sea or car sickness, and the stomach sickness after excessive indulgence.

Mi-o-na cures by strengthening and invigorating the flabby stomach walls, and after a course of Mi-o-na treatment, constipation, if there is any, will entirely disappear.

Read this from the president of a New York corporation:

"I have been a terrible sufferer from dyspepsia and gastritis for two years. The most eminent physicians prescribed for me with no effect. I have been absolutely cured by your Mi-o-na tablets. The first one gave me a relief almost incredible."—Herbert H. Taylor, 501 West 143 Street, New York City.

Mi-o-na is a most economical treatment—a large box of tablets only cost 50 cents at Y. T. McCroskey's, and the dyspeptic, nervous or otherwise, who does not give them a trial, is losing an opportunity to regain health.

WORK OF CONGRESS.

Many Valuable Laws Placed on Statute Books.

With the adjournment of the first session of the Sixtieth congress another creditable page has been added to the history of the Republican party. Meeting under conditions not wholly auspicious, confronted by unsettled business conditions and hampered almost throughout the session by the unreasonable filibustering tactics of the Democrats in the house, the leaders of the majority have written numerous valuable laws on the national statute books and have added a quota to the body of international law never before equaled by any session in the annals of the nation.

In the face of widely varying opinions on the subject of finance the Republican majority has once more demonstrated its remarkable ability to subordinate personal views and preferences to the opinion of the majority, and the most important law of the session, the compromise financial bill, is the result. Whatever view may be entertained of the respective merits of the various financial theories which found abundant expression in course of the session, few impartial judges will withhold admiration for the party discipline which brought harmony out of practically irreconcilable differences and enacted a law which, although it will probably never be called into action, constitutes an insurance against recurring monetary stringencies and their consequent panics. Moreover, the constructive ability which made this law possible furnishes an earnest of the highly desirable results to be expected from the work of the national monetary commission, which has been created to evolve a new financial system which shall obviate all reasonable objections to existing methods and place the federal finances on a basis as sound as the demands of a rapidly and steadily growing country and a constantly expanding commerce require.

Aside from the financial law the legislation of this session is composed of a great number of comparatively small laws, thoughtfully conceived and perfected with much hard work and care, the aggregate constituting a highly valuable addition to the federal statutes, although few are in themselves of outstanding importance. The work of the senate in perfecting and approving international conventions must compel admiration from every student of public affairs. New York Tribune.

ALL LIVE NEWS IN THE GAZETTE

A Lazy Liver

May be only a tired liver, or a starved liver. It would be a stupid as well as a savage thing to beat a weary or starved man because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drugs. A torpid liver is but an indication of an ill-nourished, enfeebled body whose organs are weary with overwork. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see how quickly your liver will become active.

Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "liver trouble" by its wonderful control of the organs of digestion and nutrition. It restores the normal activity of the stomach, increases the secretions of the blood-making glands, cleanses the system from poisonous accumulations, and so relieves the liver of the burdens imposed upon it by the deflection of other organs.

If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipation or irregular bowels, feel weak, easily tired, dependent, frequent headaches, pain or distress, "small of back," gnawing or distressed feeling in stomach, perhaps nausea, "wind" or "crisings" in throat after eating, and kindred symptoms of weak stomach and torpid liver, no medicine will relieve you more promptly or cure you more permanently than **Dr. Pierce's Golden Medical Discovery**. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or biliousness and its weak stomach. Avoid all hot breads and biscuits, griddle cakes and other indigestible food and take the "Golden Medical Discovery" regularly and stick to its use until you are vigorous and strong.

The "Discovery" is non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle-wrapper and attested under oath. Its ingredients are endorsed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.

Don't accept a substitute of unknown composition for this non-secret MEDICINE OF KNOWN COMPOSITION.

Quick Service Lunch Room

Short Orders a Specialty

The Quick Service Lunch Room is just the place for all the others it sets the pace.

Quick service, good goods, and prices right. Call and see us, Open Day and Night.
