TELLS HOW TO MIX IT
 Directions to Prepare a Simple Home Mixture.
 Tells You How to Overcome Rheumatism With Simple Recipe, Which is Easily Mixed.

A well known authority on rheumatism gives the following valuable, though simple and harmless, prescription, which any one can easily prepare at home:
 Fluid Extract Dandelion, one-half ounce; Compound Sarsaparilla, one ounce; Compound Syrup Karsaparilla, three ounces.
 Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.
 He states that the ingredients can be obtained from any good pharmacy at small cost, and, being of vegetable extraction, are harmless to take.
 This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of rheumatism. The pain and swelling, if any, diminish with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so called rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by many sufferers here at this time.
 Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers if asked to.

WHEEZER OR SNEEZER?
 Have You Heard of Hyomei for Catarrh, Asthma and Hay Fever?
 If you wheeze or sneeze, hawk or spit, snuffle or blow, something is the matter with the membrane of your respiratory tract, and you need Hyomei.
 And you need Hyomei because it will cure you of any catarrhal or inflammatory condition that exists.
 It isn't a stomach medicine, or spray, or douche, but a very pleasant, healing, antiseptic balsam, from the eucalyptus forests of Australia. You breathe this balsamic air through a small, hard rubber inhaler, and it reaches every nook, corner and crevice of the membrane, and promptly kills the catarrh germs.
 V. T. McCroskey will sell you a complete Hyomei (pronounced High o-mey) outfit for \$1.00, on the moneyback plan.
 "The use of Hyomei cured Mr. Cutler of catarrh in 1904. He has strongly endorsed the use of Hyomei in many instances, and we are glad to go on record regarding this marvelous catarrh cure, and endorse it."—Mrs. A. Cutler, 201 Post Ave., Battle Creek, Mich.
