

WHITMAN COUNTY FAIR IN FULL BLAST

(Continued from page 1.)
two places in a fine exhibition of straight up and down bucking. Harry Hasbrook had no trouble in staying with Sunfish Molly.

Five harness horses started in the 2-35 trot or pace for a purse of \$250. Ester D., owned by A. Russell, took the race in two straight heats; time 2:24 and 2:22. Yosemite, owned by H. J. Stall, was second in the first heat and third in the second heat sharing honors with Tom S., owned by R. L. Sebastian, who was third in the first heat and second in the second heat. Frisco, owned by J. Laroux, was fourth and Pedashaw, owned by Lute Lindsley, was fifth. At the end of the race Mr. Lindsley was introduced as the oldest driver on the American turf. In the harness race Dan Barclay of Moscow, acted as starter and the judges and timekeepers were Ed. Johnson, Charles Scriber, E. B. Smith, W. A. Nelson and Paul Pattison. In the running races F. A. McClees of Walla Walla, and William Pointer of Colfax, acted as starters.

A purse of \$50 called six starters to the wire in the three-eighths mile dash. First money was won by Topsy Blondy, owned by E. Markham; second, Jim Dealer, owned by L. T. Palmer; third, Wiltrude S., owned by A. Neel. Other starters were Homelight, J. Hamilton; Rosebud and Scotty. Time 37 1-2.

The hippodrome race was won by Smiley Corbett of Pendleton, in 1:09. Happy Jack of Los Angeles, was second.

In the half-mile dash for a purse of \$75, Eel, owned by W. Markham, won. Scorch, B. R. Platt, second, and Alchemist, G. W. Robinson, third. Time 51. Little Elve and Monte also started in this race. Ned Bartlett of Colfax, won the first heat of the relay race in 4:15 2-5. Earl Hardy of Lewiston, was second.

Between the races the time was taken with special attractions of many different characters. Buffalo Vernon did some fancy roping. Happy Jack did the drunken ride and other horseback stunts which brought forth cheers from the grandstand. Prof. Kohl did some hair-raising chair balancing acts. Walter Stoutan in his original presentation of "The Chanticleer," including a well-trained rooster, took the prize for platform performances. Glen Cox leaped from a running horse and grasped a wild steer by the horns throwing the animal with such force that a horn was accidentally broken. Prof. Kohl did the slide for life from the top of a 50-foot pole hanging by his teeth.

Because of a strong wind no attempt was made to fill the balloon until late in the afternoon and twilight had settled over the grounds when Professor Kohl at last shouted, "All ready," and his heels snapped as the tugging gas bag shot upward cutting loose his parachute he dropped to the ground near the tent where the Coeur d'Alene Indian braves hold their war dances. The balloon soared away and landed on the cliffs east of the city.

Wednesday's Races.
King Seal captured first money in the 2:13 pace in two straight heats. Katrinka Norte, owned by Burrows, was second and King Bird, owned by Thomas Golden, was third. Time 2:19 1-5 and 2:21. There were five starters and the race was a good one. In the quarter mile dash Topsy Blondy won with Homelight second and Jim Dealer third.

Frank Hanna was first in the chariot race and Boone Freeman was second.

The five-eighths mile dash was a hot one. Lofty Haywood winning with Mela Finnia second and Purse Rose third. Time 1:05. There were seven starters.

Smiley Corbett won the hippodrome race with Happy Jack second. The second heat of the relay race was won by Ned Bartlett of Colfax with Earl Hardy of Lewiston second. Special attractions between races kept the crowd on its tip-toes all afternoon.

Thursday.
Pullman has buried the hatchet for this week, at least, and came down 300 strong, everybody wearing a Pullman ribbon badge.

In the 2:20 pace, best two in three. King Seal, owned by R. L. Sebastian, won; Helen, Jr., owned by O. A. Russell, second; Ester D., owned by A. Russell, third; Tom S., fourth; Katrinka Norte, fifth. It took three heats to decide the race. Time: 2:16 4-5, 2:16 1/2, 2:17 4-5.

In the special trot and pace for a purse of \$150, Ruth A. won, Frisco second, Bonkin third, Al McKay fourth. Time: 2:24 1/2, 2:24 1/2. All horses finished in the same places in both heats.

The Baby Show.
With proud mothers and fathers anxious to show their infants, the baby show was held Thursday afternoon with about twenty entries.

The prize for the baby under one year was awarded to Mabel, the infant daughter of Mr. and Mrs. James Fee of Colfax.

For the baby over one and under two, the honors were bestowed upon little Everett, the son of Mr. and Mrs. Everett Carter of the Whitman Hotel.

The twins under one year to receive the award were Stella and Della, the daughters of Mrs. McConnell, widow of the late Dell McConnell, deceased.

For the twins over one and under two, Neta and Nora, children of Mr. and Mrs. S. E. Walker of near Colfax received the prize.

The judges in this department

were unanimous that all were sweet and expressed their congratulations to all the loving parents present on the beautiful display.

NOTES.

The premium stock parade will be held Friday.

Asaph Kreuger and B. P. Kramlich, two young men living near Mockonema, are exhibiting sulky riding attachment for a harrow which is adjustable for side hill work. A lever throws one wheel above the other and keeps the wheels upright on the steepest side hill. The device was made by the young men who have used it the past season in harrowing 100 acres. They have applied for a patent.

Charles Michaelson is exhibiting a sickle drive attachment for any machine that uses a sickle. The scheme is his own invention and he has used it during all of the past season. A patent is pending.

One of the most beautiful pieces in the art department is a piece of tapestry landscape four by six feet in size and entirely the handiwork of Mrs. Seymour Manning.

C. S. Ricker, who formerly devoted his entire time to oil painting, has a collection, some pieces of which are remarkable for their age and beauty. Among the best is a musk melon painting which he spent three months in finishing.

Mining was not entirely overlooked and an exhibit from the Republican camp, in charge of E. C. Tousley of Spokane, created much interest.

Elberton flour, graham and mush breakfast foods, manufactured by C. N. Hinchliff at Elberton, are demonstrated by Mr. and Mrs. Hinchliff to make delicious foods. Red, White and Blue flour is also being demonstrated by a Spokane firm.

Friday is children's day and the schools of the county will be closed giving thousands of young people the opportunity of visiting the best county fair ever held at Colfax.

A horse and buggy tried to go up in the balloon Wednesday afternoon after Professor Kohl failed in his first attempt. It happened in this way: The professor started on a fight early in the afternoon without sufficient gas. The balloon came down back of the pavilion where a horse was hitched to the fence. In some way the ropes became attached to the buggy. As Kohl's weight was thrown on the ground the balloon shot upward taking the buggy several feet off the ground. The horse braced himself and saved the day.

J. Wilson of Spokane judged the livestock yesterday afternoon.

- A GOOD POSITION**
- Can be had by ambitious young men and women in the field of "Wireless" or Railway Telegraphy. Since the 8-hour law became effective, and since the wireless companies are establishing stations throughout the country there is a great shortage of telegraphers.

Positions pay beginners from \$70 to \$90 per month, with good chances of advancement. The National Telegraph Institute of Portland, Oregon, operates under the supervision of R. R. and Wireless officials, and places all graduates into positions. It will pay you to write them for full details.
