

The Pullman Herald.

VOLUME XIII.

PULLMAN, WASHINGTON, SATURDAY, MAY 11, 1901.

NUMBER 31

THE NEWS OF A WEEK

RECORD OF LOCAL EVENTS

—W. J. Roberts, assistant professor of civil engineering at the college, went to Colfax Thursday for the purpose of exhibiting to the county commissioners maps and drawings of the proposed improvements in the John Prentice road, west of Pullman. This piece of road has long been a menace to the travelling public, and it has been agreed between the town of Pullman and the county commissioners that each will bear half the expense of macadamizing a portion of the road about two miles in length. This road, which is one of the main roads leading to Pullman, is absolutely impassable during the wet season.

—President Bryan of the Agricultural college has been engaged to deliver the commencement address to the graduating class of the University of Nevada, at Reno, Nevada, May 28. He will leave Pullman May 23 and go to Sprague, where he will address the graduating class in the Sprague high school on the evening of May 24. President Bryan will also deliver the address to the graduating class of the Seattle high school, June 13.

—The base-ball team of the Agricultural college left Thursday for a tour of Western Washington. The trip will be made over the Great Northern and the first game will be at Wenatchee today, and the second, third and fourth games will be at Seattle with the state university team, Monday, Tuesday and Wednesday, May 13, 14 and 15, and the next game in the series will be at Everett, Friday, May 17. Other games may be arranged.

—Hon. H. S. Blandford, ex-regent of the agricultural college and a prominent attorney of Walla Walla, will deliver the commencement address to the class of the college June 20. Bishop Earl Cranston, of the Methodist church, will deliver the baccalaureate sermon on the afternoon of June 16, and the annual address to the college Y. M. C. A. on the evening of the same day.

—Dr. Hays and wife, and little son Creighton, left Tuesday morning for an extended trip to various points in the east. Dr. Hays expects to be absent about six weeks but his pulpit will be filled each Sabbath. Prof. Aughey, of Spokane, will preach on next Sabbath, both morning at the U. P. church, and all are cordially invited to attend these services.

—A concert and recital will be given at the auditorium, on the evening of May 31st, by Bernadine Sargent, soprano, and Pauline Dunston, reader, both of Spokane. The artistic ability of both of these ladies is well known to the people of Pullman, and they should be accorded a good audience.

—J. M. Palmerton left this morning for the Coast, going to Seattle where he will represent the local lodge of Foresters in the meeting of the grand lodge.

More operations in dentistry fail from mechanical causes than physical causes. Dr. W. H. Pittwood does dental work on scientific principles. True's hotel, May 14 to 20.

—Editor L. F. Gibbs, of Colton, is in the city today.

Closing out sale of clothing at the Golden Rule Bazaar.

—Ed. True, Northern Pacific brakeman, is home nursing a sick hand again.

See Chas. Bull, opposite Star Stable, on Grand street, for tinning and plumbing.

Dr. W. H. Pittwood, formerly of Pullman, will by request be at True's Hotel, May 14 to 20 where he will be prepared to perform all operations pertaining to dentistry, using the latest scientific methods.

—Dr. S. B. Nelson, state veterinary surgeon, has returned from Douglas county where he was called to examine a band of horses which he found were suffering with mange, a contagious but not fatal disease, caused by a parasite which works under the skin of the animal, causing the skin to peel off. Dr. Nelson assisted in arranging a huge vat in which the horses were immersed in a solution similar to that used for dipping sheep to cure them of scab. There were 100 horses in the band, all of them wild, and the work of immersing them was no easy task. A huge crane was used to lift the horses over the vat into which they were submerged and the liquid allowed to soak into the hide. The band was quarantined.

Death of Mrs. Laney.

Nancy J., wife of Edward Laney, died at the home of her daughter, Mrs. E. W. Downen, in this city, Wednesday, May 8th; of cerebral softening, after a lingering illness of many years.

Nancy J. Burns was born in Kentucky March 21st, 1838, where her childhood days were passed. Later she removed to Missouri, where she was married to Edward Laney in 1865, removing with her husband to Kansas in 1870. In 1876 the family came west with the tide of immigration, locating in Whitman county, and in 1882 they became pioneers of Pullman, and have since resided here.

For years she had been a patient sufferer, death at last relieving her of her pain, and removing from the family a loving wife and mother.

Besides a husband, Mrs. Laney left one daughter, Mrs. Downen, and two sons, Albert and Birton, to mourn her taking away, two sons having preceded her to the Great Beyond.

The funeral services were held Friday, at 11 o'clock, being conducted by the W. R. C. and G. A. R., the sermon being preached by Rev. C. E. Gibson.

Card of Thanks.

To our many friends, for their kindness and sympathy during our recent great bereavement, we wish to express our heartfelt thanks.

E. LANEY AND FAMILY.

This is the time of the year to kill the squirrels, and the surest way to do it is to smoke them out. The most satisfactory smoker on the market is sold by Chas. Bull.

A Chance to See Pres. McKinley.

The Northern Pacific will make a rate of \$3.40 to Spokane and return on May 26th. For particulars call on N. P. Agent.

Fortnightly Club.

The Fortnightly Club met with Mrs. Alfred Windus Saturday afternoon, May 4th. The study of Hugh Wynn, by Dr. S. Weir Mitchell, was taken up. Mrs. Jackson read a paper entitled "The Historical Setting of this Novel." Mrs. Bean followed with a "Conversation" on "Aunt Gainer as a type of the social habits and manners of Philadelphia." Mrs. Burgan gave a pleasing account of "The Early Quakers." The entire program was intensely interesting and all present were more than pleased that Hugh Wynn had been chosen as one of the books of the year.

Druggists are Organized.

The permanent organization of the Inland Empire Druggists' association was perfected at a meeting held in True's hotel Wednesday night. The officers elected for the first year are: F. J. Stone, of Colfax, president; R. L. Smith, of Palouse, first vice-president; L. A. Torsen, of Moscow, second vice-president; J. W. Palmerton, of Pullman, secretary; B. Baber, of Colfax, treasurer.

Constitution and by-laws were adopted, and these provide that the association shall meet every three months. The first regular meeting will be held in Colfax the evening of the second Wednesday in June, and after that meetings will be held in the various towns in the district every quarter.

"Patience" Next Friday Night.

On next Friday evening, May 17th, at the auditorium, Arthur Sullivan's celebrated comic opera "Patience," will be given by the best musical talent of the college. The proceeds are to be applied to the furnishing of the Washington Society's hall. Preparations for giving the opera have been conducted under the supervision of Mrs. Evenden of the department of music at the college, and we have every assurance that "Patience" will be a most delightful entertainment. The costumes have been selected with the greatest care by competent persons, and the display will be well worth seeing. The opera has achieved a wide fame, and has been well received wherever presented. We predict for it a full house and a well-pleased crowd next Friday evening.

Following is the cast of characters:

Colonel Calverly.....Prof. Thyng
Major Murgatroyd.....Louis Westcott
Lient. the Duke of Dunstable.....
.....Mr. Corner
Officers of the Dragon Guard.

Lady Jane.....Miss Estby
Patience—a dairy maid.....Miss Downs
Rapturous Maidens.
Chorus.....25 maidens
Admission—Parapet, 75 cents;
dress circle, 50 cents; gallery and children, 35 cents. Don't forget the date—Friday, May, 17th, 1901.

Funeral of Mrs. Lucy E. Hanna.

The remains of Mrs. Lucy E. Hanna, whose death occurred at Colfax Saturday evening, were brought to Pullman Monday and interred in the cemetery west of town beside those of her son, who died four years ago. The funeral was held in the Congregational church at Colfax at 8 o'clock, Rev. H. M. James, the pastor, officiating. The remains accompanied by a number of friends, came to Pullman on the morning train and the inter-

ment occurred at 12 o'clock.

Mrs. Hanna had formerly lived near Pullman and was well known and loved by all. She was called "Grandma" by all who knew her. Mrs. Hanna was a pioneer of the Pacific Coast, having resided in Oregon from 1848, when she reached that state from the east, having crossed the plains with her parents, until the family came to Washington territory about twenty years ago. In 1852 she was united in marriage to Mr. Robert Hanna, who survives her. She leaves two sons, E. K. and Robert, who are practicing law under the firm name of Hanna & Hanna, and a daughter, Miss Georgia Hanna, all of whom reside in Colfax. Judge E. K. Hanna is a leading democratic politician and in 1894 was the democratic nominee for supreme court judge, and was a member of the executive committee of the state central committee of the fusion party in 1900. For four years he was prosecuting attorney of Walla Walla county, and has been one of the best known criminal lawyers in the state. The Hanna family settled in the Walla Walla valley in pioneer days and came to Whitman county a number of years ago.

Shooting (at) Blue Rocks.

The local gun club is becoming a strong organization, the membership already reaching about twenty. The first regular shoot was held Monday afternoon, and from the regularity with which targets were missed, a by-stander would have concluded that it was the close season on blue rocks, and that a penalty attached to the breaking of one of them. At the first shoot, Dr. Maguire and C. H. Morton were chosen captains to choose up sides, each side shooting at a total of 150 targets, Captain Maguire's side winning out by a score of 47 to 59. While these scores are very low, it must be remembered that nearly all the shooters were in the infant class, and possibly were better acquainted with the manipulation of pop guns than shot guns, and then, too, the respective captains set a poor example for their men to follow, Captain Morton receiving vigorous applause when one of his 25 targets was seen to fly to pieces in the air, Captain Maguire going him a little better and grassing four out of his string. The scores of the balance of the shooters were about on a par with these as no one felt like outclassing their leaders. A new trap has been received by the club, and hereafter the shooting will be from three traps instead of two, thus greatly facilitating the sport.

Those who have joined the club are Dr. Wilson, E. W. Quarels, O. G. Devenish, Henry Chambers, Wilford Allen, J. D. Kopper, J. W. Stearns, H. E. Foulks, Ira Allen, Wm. Swain, Dr. Maguire, W. L. Lyon, J. W. Burgan, J. S. Keeney, E. D. Eldredge, W. V. Windus and Wm. Chambers.

The next meet will be held Monday afternoon, at 3:30 o'clock, and all who wish to see how easy it is to miss targets are invited to be present.

Notice.

Take the O. R. & N. for Seattle, and Everett, Wash. Leave Pullman, Wn., at 2:05 p. m., arrive at Seattle, Wash., at 8:30 a. m.; only 20 hours.

E. W. QUARELS, Agent.
A. L. CRAIG, G. P. A.

Pan-American Stamps.

Pan-American stamps of six varieties will be on sale at the post-office until the close of the Buffalo Exposition on October 31. The stamps are not on general sale and will be sold only when asked for.

These stamps are in denominations of 1, 2, 3, 4, 5, 8 and 10 cents. Each is of different design and tinting. The 1-cent stamp bears the picture of a vessel in black and the legend, "Fast Lake Navigation." The border is green.

The picture on the 2-cent stamp is a train running at full speed, with the words, "Fast Express." Women bearing a flaming torch flank the sides. The prevailing tint is carmine.

The 4-cent stamp has an up-to-date design in light chocolate. An automobile is passing the capitol building at Washington and two men are seated in it.

The 4-cent stamp has for design a waterfall with a bridge in the foreground. The legend is, "Bridge at Niagara Falls." The coloring is pale blue.

The 8-cent stamp shows a ship passing through locks and the legend is, "Canal Locks at Ste Marie." The color is purple.

The 10-cent stamp shows a steamer on the high seas, and is appropriately labeled, "Fast Ocean Navigation." The color is light yellow.

All tinning and plumbing work done by Chas. Bull is guaranteed.

Don't fail to take advantage of the Muslim Underwear Sale, May 4th to 11th.—Golden Rule Bazaar.

Acker's English Remedy will cure a cough at any time, and will cure the worst cold in twelve hours, or money refunded. 25c and 50c. For sale by J. W. Palmerton.

YOUR FACE.

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance, you should try Acker's Blood Elixir. It cures all blood diseases where cheap sarsaparilas and so-called purifiers fail; knowing this, we sell every bottle on a positive guarantee. For sale by J. W. Palmerton.
