All advertisements will be continued and charged for until ordered out.

—Fred True was in the city from Colfax during the week.

—The summer school for teachers will open at the college next week.

—Prof. and Mrs. Barry are entertaining Mrs. Barry's parents, Mr. and Mrs. N. C. Lowe, of Jackson, Mich.

—J. J. Smith, who moved his harness shop from Pullman to Palouse a couple of weeks ago, has been declared insane.

—L. W. Lanning is enjoying a visit from his parents, Mr. and Mrs. Nathan Lanning, and brother, Don, of Independence, Iowa.

—F. M. Roberts, of Boston, Mass., who has been visiting his brother, Prof. W. J. Roberts, leaves today for Portland and the fair.

—Rev. R. C. Sargent, pastor of the Christian church, left Tuesday for Wisconsin, being called to the old home by the serious illness of his father.

—Prof. S. C. Roberts, who will be at the head of the city schools next year, has returned from Chicago, where he has been taking a post graduate course at the University of Chicago.

—It is announced that the Rt. Rev. Lemuel H. Wells will be here Sunday, July 2nd, and will conduct services at the Episcopal church. Holy communion will be celebrated at three o'clock, and evening prayer service at eight.

—A number of soaking rains have fallen this week, and, although not especially needed, will serve to keep the crops progressing toward a beautiful harvest. Weather conditions were never more favorable than they have been this spring, and the Palouse country is blossoming as a rose. You are safe in pinning your faith and your fortune to the "Famous Palouse country."

—How warm a spot Pullman occupies in the hearts of its friends is shown by the act of Prof. S. C. Roberts, who has refused two separate offers of positions since being elected as principal of the Pullman school, each offer carrying with it a salary of better than \$500.00 more than the position here. The professor says that he would rather take the lesser salary and live in Pullman.

—F. Fielding Nalder, registrar of the college, left Thursday evening for Sedro-Woolley, where he will be united in marriage Sunday, June 25, to Miss Alma Blankenship. The bride to be has been a student in the state college for several years. Mr. Nalder was accompanied to Sedro-Woolley by his sister, Miss Nalder, and Miss Anna Clemens, who will attend the wedding. The ceremony will occur at the home of the bride's mother and Rev. J. H. Carter, pastor of the Methodist Episcopal church at Sedro-Woolley, will perform the ceremony. After a brief honeymoon spent on the sound, Mr. and Mrs. Nalder will return to Pullman.

—Claude Kinzie has been appointed city clerk to fill the vacancy caused by the resignation of Stewart Small, who has gone to Winona.

—A reorganization of the college cadet corps will be had at the opening of the college year in September when six companies will be organized instead of four.

—A printer who does not feel that his first duty is in providing for the license fees of the several saloons in town, can find employment at Allen's Printery for a while.

—Rev. Powell will have charge of the religious exercises at the Ewartsville picnic, on Sunday, July 2nd. He is arranging for three separate services during the day, and will arrange for the speakers at each.

—Dr. Frazier will leave next Tuesday for the east. He will put in the summer months at his old home, and in September will go to Chicago, where he has been appointed to a professorship in the McKillip Veterinary School.

—The college regents were in session during the early part of the week, the new members, Messrs. McGregor and Anderson, being present and assuming their duties. All members were here except Regent Barnard. The contract for the improvement of the Mechanical Engineering building was let to I. Dysart and Hinchliff & Son, the contract price being \$4875.50.

Those residing in Pullman and vicinity who desire full information, including route and arrangements to secure reduced railroad fare, terms, etc., call on Squires & Gaddis.

RESOLUTION NO. 21.

A resolution of a proposal to macadamize and construct curbs and gutters on certain portions of the following named streets in the city of Pullman, to-wit:—

Main street, from Pine to Grand street, and Grand street from McKenzie street to the O. R. & N. railroad track, and Alder street from McKenzie street to Olson street, and Olson street from Grand to Alder street in the city of Pullman, and to assess cost thereof, exclusive of the cross walks and quadrangles, to the abutting property along said streets.

The City Council of the City of Pullman do resolve as follows:

I.—That unless some good and valid objection is offered thereto, the City of Pullman proposes to macadamize certain portions of the following named streets, and to construct curbs and gutters therein and thereon, to-wit: Main street from Pine to Grand street; and Grand street from McKenzie street to the O. R. & N. railroad track, and Alder street from McKenzie to Olson street, and Olson street from Grand street to Alder street.

II.—That the probable cost of macadamizing, curbing and putting gutters in said streets named is the sum of \$2.50 per lineal foot to the property on each side of said streets, excepting on Alder street, which will probably be \$2.40 per lineal foot.

III.—That the cost of macadamizing said streets and constructing curbs and gutters therein will be assessed against the abutting property along said streets, except the construction of cross walks and quadrangles of the streets, which expense will be borne by the city of Pullman.

IV.—That at a regular meeting of the city council which will be held at the city hall, in the treasurer's office thereof, on the 6th day of July, A.D. 1905, at the hour of 8 o'clock, the city council will hear objections to the macadamizing of said streets and to the curbing and guttering thereof, and all persons having any objections thereto are hereby notified to be and appear before said council at said place and time to make any and all objections that they may have to the macadamizing of said streets and to the construction of curbs and gutters therein and thereon.

Passed June 1st, 1905.
D. F. STALEY, Mayor.
S. A. SMALL, City Clerk.

ITS THERE TO STAY Like the faithful watchdog a FIRE INSURANCE

policy is an active force until the day of its expiration. It affords full protection to the insured property at nominal cost.

Figure out the losses if you were burned out tomorrow. Then figure up what insurance cost at say, \$1.50 per hundred. The figures ought to prove convincing.

We represent fire insurance companies, with available fire assets of over \$90,000,000. Ruy the best.

NOTICE

We wish to call your attention to our line of

.. Anchor Buggies ..

The statement that an article is the best in the market is easily made, and this statement is made of so many things, good, bad and indifferent, that in an advertisement it means nothing. But if you will come in and critically inspect the Anchor Buggies we think that we can convince you that they are superior to anything in the vehicle line that has ever been seen in Pullman. If you are intending to buy a buggy come and see us. If you want to trade your old rig on a new one, see us before you make a deal. WE ARE HERE TO DO BUSINESS.
