### Fire Department Elects Officers.

A meeting of the members of the Pullman volunteer fire department was held last Friday night in the city hall, the object of the meeting being to reorganize the department and elect officers for the ensuing year. Officers were elected as follows:

Fire chief, Geo. Wagner; president, Geo. Henry; treasurer, L. M. Clarkson; secretary, Will Klossner. Chief Wagner appointed Geo. Henry and Harry Muir head nozzlemen, Geo. Mahon hoseman and L. M. Clarkson and Will Klossner hydrant men.

A committee was appointed to make arrangements for giving a dance on the Fourth of July, the committee to report Tuesday evening.

On Tuesday evening the members met at the hose house in the city hall and overhauled the hook and ladder and hose carts and got them ready for immediate use. The hose cart was taken out and practice runs made. Several hydrants were tapped and all were found to be in good working order. The dance committee reported that they had secured the lot on which the Palace hotel formerly stood and the big picnic tent of Ewartville grange. A temporary pavilion will be erected and a bowery dance conducted under the big canvas all day and night of the

4th, the proceeds to go toward new equipment and repair of the hose carts and hook and ladder.

The boys will take part in the big parade on the Fourth and will probably give one or more practice runs on that day.

The fire department is composed of the following members: Geo. Wagner, Geo. Henry, L. M. Clarkson, John Swall, Will Klossner, Hugo Klossner, Jim Ford, Harry Muir, Edgar Muir, Harry Wilson, Geo. McMahon, Cliff Glass, Archie Henry, and R. L. Hollenback.
