CITY ELECTION QUIET AFFAIR

Dr. Ed. Maguire Elected Mayor Without Opposition—D. C. Dow Re-Elected Attorney Over J. W. Mathews.

Very little interest was shown in last Tuesday's city election, the result being that only about 325 votes were cast out of a registration of nearly six hundred. The principal interest centered around the race for city attorney, in which D. C. Dow, incumbent, was pitted against John W. Mathews. At the primary election the race for the nomination was between Dow and F. E. Sanger, the former winning out by a small majority. Sanger announced that he would be a candidate for election and asked his friends to write his name on the ballot, but a couple of days before election he withdrew from the contest. On election day stickers bearing the name of John W. Mathews were freely distributed to the voters and 143 of these were used. Dow's vote was 205, giving him a majority of 62.

For mayor, Dr. Maguire was elected without opposition, as were also J. B. Sanborn for councilman-at-large, Geo. Henry for clerk and J. S. Clark for treasurer.

For councilman from the first ward, Geo. Wagner, incumbent, was defeated by U. G. Lawler, the vote standing 69 to 40. Wagner was defeated for the nomination at the primaries and his name did not appear on the ballot, his supporters using the "sticker" method of expressing their choice.

In the second ward Murray Henry, incumbent, got 72 votes to 41 cast for W. F. M. Ricketts, and in the third ward F. E. Sanger won out over J. P. Duthie, the vote being 47 to 75.

Will Improve Road.

At the last meeting of the Pullman Chamber of Commerce a committee was appointed to solicit funds from the business men for the improvement of the road from the Grand Street bridge to the stockyards. The road is nearly impassable and it was decided that this would be the best means of getting action on the proposition. The committee is making a thorough canvass of the business houses and is meeting with much success. The city council has announced that it will provide one dollar for every dollar raised by the committee and in all probability enough money will be forthcoming from the two sources to put the road in good condition.

The W. C. T. U. will meet at the home of Mrs. Damon Tuesday, Dec. 13th, at 3 p. m. Mrs. Brumblay will preside and the topic is "Causes Which Necessitate Rescue Work."

TELL HOW TO FIGHT THE WHITE PLAGUE

Tuberculosis Exhibit Will Be Given in Pullman Next Monday and Tuesday — Good Program.

Every citizen of Pullman and community should make it a point to attend the tuberculosis exhibit of the Washington state department of health, in conjunction with the Washington State Association for the Prevention and Relief of Tuberculosis, which will be held here in the Bloomfield building on December 12 and 13. These two organizations are making an educational campaign of the state and Pullman is indeed fortunate in being one of the places included in the itinerary of the cities of the state to have an anti-tuberculosis campaign this year.

The exhibit will consist of mottoes stating briefly the salient facts about tuberculosis; of charts and diagrams showing its prevalence in various localities; the mortality from different infectious and preventable diseases; of pictures, hospitals, sanatoria, home appliances, dispensaries, open-air schools, etc.; of models of out-of-

door sleeping rooms and porches, of institutions, and specimens of sanitary appliances which are used in the treatment of this disease. All of which give an idea of the means by which a patient is given proper care and at the same time prevented from becoming a source of danger to others.

One of the most striking facts brought out by the exhibits is that "one-third of all deaths in people dying between the ages of 15 and 45 are due to tuberculosis." Contrary to the general belief, it has been discovered that tuberculosis is preventable and curable and that the many deaths resulting from the "White Plague" were caused, not by tuberculosis alone, but by other complications which could be eliminated by proper care and caution. Besides the matter illustrating tuberculosis problems there are over two hundred stereopticon views and diagrams illustrating the prevalence and means of controlling other common diseases, as typhoid, smallpox, scarlet fever, diphtheria, and views illustrating proper methods of sewage and garbage disposal.

During the campaign here meetings will be held each day from 10 a. m. to 10 p. m., at which prominent local physicians, teachers, clergy and business men will be called upon to give their views upon the problem. All the school children in the city

Christmas Sale.

The Golden Rule society of the Congregational church will hold their Christmas sale in the church parlors, December 16 and 17, when handkerchiefs, aprons, plain and fancy, dolls and dolls' clothes, and many other articles suitable for Christmas gifts will be for sale. The sale will be held in the afternoon and evening of both days. Do not forget the time, Friday and Saturday, December 16 and 17.

GLEE CLUB WILL SING

State College Songsters Will Visit Several Towns in Northwest—Will Sing in Pullman.

The State College Glee Club, whose previous entertainments have always more than pleased its audiences, will soon start on its fourteenth annual tour of the towns of the Northwest. The club has been brought to a high stage of efficiency through the faithful coaching of Prof. W. B. Strong, and the entertainment this year gives promise of surpassing all previous efforts. The club is composed of Messrs. Graham, Baumelster, Merritt, Crane, Thompson, Cave, Glaisyer, Gaddis, Hoffeditz, Laird, Brownell, Wilson, Shields, Fulton, Curtiss and Ness, and will give its initial performance at Pomeroy, Dec. 27.

The boys will also visit Walla Walla, Waitsburg, Dayton, Ellensburg, Sunnyside, Prosser, Ritzville and Davenport, after which they will sing in this city. The club will be accompanied on the trip by Prof. W. B. Strong, director; Dr. E. A. Evans, Pianist, and Mrs. Kuria Strong, soprano. The Pullman date will be given later.

Lawyers Form Partnership.

D. C. Dow and F. E. Sanger have formed a law partnership and henceforth their shingle will read "Dow & Sanger." Mr. Dow was formerly in partnership with Thos. Neill, but upon the election of Neill to the office of superior judge the partnership was dissolved.

Merry Christmas

THE 1910 Yuletide is fast approaching and will soon be upon us. Not the regular tide of the rising and falling of the great oceans, but as of yore.
