MANUAL AND DOMESTIC ARTS TO BE FEATURES

New Features for Annual Interscholastic Meet May 12-13—Fifteen Schools Send Orations.

The annual interscholastic meet, May 12th and 13th, promises to be even better than usual. Fifteen schools sent orations from which the best ten have been selected for the oratorical contest to be held in the College auditorium, Friday evening, May 12th. Several schools have also entered the contests in manual arts and domestic arts, two new features of the meet. The contest in manual arts will be in woodwork, each school being allowed to send one article made by a bona fide high school student. The committee does not say what the article shall be. Some are sending chairs, tables, boxes, etc., all of which will be judged by one set of judges, the decision being based upon design, workmanship and utility.

The contest in domestic arts will be a shirtwaist suit, each school being allowed to send one suit made by a bona fide high school student. The articles in this contest as well as those in manual arts will be on exhibition at the college on Friday afternoon and Saturday morning. There are more high schools entered in the athletic contests than ever before. Next week's paper will give the list of high schools entered with the number of athletes and other contestants from each school.

Sixty-six medals, 22 sets, have been ordered by Prof. Charles Timblin, chairman of the Interscholastic Committee for the Interscholastic Meet May 13. The Spokane Chronicle has offered a \$60 cup to take the place of the big McCroskey cup carried off by Spokane High School last year after being won three times in succession. Dr. Campbell of Pullman has offered a smaller trophy to be known as the Campbell cup for competition among the minor High School teams.

Hobo Gets Thirty Days

Peter Poalh, a hobo, was taken before Justice Henry Tuesday and given thirty days in the county jail. He was taken to Colfax Wednesday, where he began his sentence at once. Poalh was first noticed by Marshal Lanning at the N. P. depot, where he approached a bystander and, after putting up a hard luck story, started off with a brand new 25-cent piece in his pocket. He told the charitably inclined stranger that he wanted the money to purchase a meal at the N. P. lunch counter, but instead of stopping at that place, went on down the track. He was followed by Marshal Lanning and was arrested when he went to a Dago camp and again told his story of the world's hardships, asking for contributions from the section workers. When arrested he stated that he had a position in the country and was going out to his work at once, but was unable to give the name of his employer or any information concerning the job. He was taken before Justice Henry with the above result.

Assistant Soil Physicist Resigns

E. L. Peterson, assistant soil physicist of the state experiment station, has resigned and will go to Minnesota as instructor in agriculture at the County Agricultural High School. He will spend the summer in charge of the school garden and will install a four-year course in agriculture at the school at the beginning of the next term.

Mr. Peterson has been in charge of the dry farming and irrigation stations at Ritzville and Sunnyside.

Mrs. LaFollette Entertains

One of the most delightful social events of the season was the "at home" given by Mrs. W. L. LaFollette last Friday afternoon in honor of a number of Colfax ladies. The magnificent LaFollette residence was beautifully decorated for the occasion and fully three hundred ladies were entertained in the course of the afternoon. In the receiving line, besides the hostess, were Mrs. W. J. Windus, Mrs. Dr. Stult, and Mrs. Dr. Mitchell, of Colfax.

PULLMAN HIGH SCHOOL THIRD IN COUNTY MEET

Tekoa Wins With 52 Points—Schlaefler Wins Mile and Half Mile Runs in Good Time.

The annual track meet of Whitman county high schools was held at Garfield last Saturday in the presence of a large crowd. Tekoa won through the remarkable work of Watson and McCroskey, who scored 56 points, besides virtually winning the relay for their team. Luden of Rosalia broke the state record in the hammer throw. One of the features was the work of Schlaefler of this city in the mile and half miles runs. In both events he made fast time and showed such excellent form that he is sure to be a factor in the interscholastic meets. Following is the list of events and winners:

Pole Vault—McCroskey, Tekoa, first; Cassidy, Colfax, second; Corcoran, Tekoa, third. Height 9 feet 10 inches.

PROFESSOR THATCHER TO DETROIT MEETING

Director of Experiment Station Will Address Meeting of Millers on "Improved Cereals in Washington."

Prof. W. Thatcher has been invited by the National Federation of Operative Millers to address their annual meeting at Detroit, Mich., June 5-10 on "Improved Cereals in Washington." He will address the convention and will also carry with him a large exhibit of the experiment station's hybrid wheats and barleys, with charts to show how these were developed. The letter of invitation received by Prof. Thatcher stated that the work of the Washington Experiment Station here at Pullman in the breeding and improving of grains is recognized as being the best in the United States, and on that account the Millers' Association offered to defray all expenses of the trip and exhibit materials if he would come.

THE EAGLE WILL SCREAM IN PULLMAN FOURTH OF JULY

Fourth of July Celebration, Pioneers' Picnic and Livestock Show Will Mark Nation's Birthday

While the attendance at the meeting of the Chamber of Commerce last Tuesday evening was rather small, the enthusiasm was undiminished and much business was transacted. Next Saturday, May 6, was selected as the date for improving the city park. If the weather is favorable all citizens are urged to report at 1 o'clock p. m., provided with tools and ready for work. At 5:30 a basket dinner will be served on the grounds, in providing which all the organizations and ladies of the city are urged to co-operate. Prof. Waller will be in charge of the work of cleaning up and improving the park. A number of college students and high school pupils have become interested in the project and will report for duty.

On motion of J. N. Emerson it was decided to hold a combined Fourth of July celebration, pioneers' picnic and livestock show to last one or more days, as may be deemed advisable. Mr. Emerson was named as chairman of a committee on arrangements to be selected later.

President Slagle announced that

the vinegar factory was a "go," and that the project was now in the hands of the stockholders, the Chamber of Commerce having completed its part of the work.

It was decided to petition the city council and O-W. R. & N. officials to remove the ledge of rock on the south side of Main street, where it crosses the O-W. R. & N. tracks. This ledge obstructs a view of the track, making the crossing very dangerous, and its removal would make it easy to construct a short road to the city park, without passing under the tracks, as is now necessary. The change would greatly benefit the railroad as well as the city.

After considerable discussion a vigorous campaign was outlined to increase the membership. During the next four weeks every member will endeavor to secure at least one new member and it is hoped to bring the roll up to 200.

An excellent chicken supper was served by the Alton hotel and it was decided to hold the next meeting at the same place.

Watch the List Grow

At the meeting of the Pullman Chamber of Commerce held last Tuesday evening at the Alton hotel, it was voted to inaugurate a membership campaign, to run until the semi-annual meeting and election of trustees, the last Tuesday of this month. PULLMAN PIONEER IS LAID TO REST

Funeral of Neil Stewart Sr. Held at Methodist Church Last Sunday—Rev. Dr. Hays Speaks Last Words Over Remains.

The funeral of Neil Stewart, Sr., who died in this city early Thursday morning, was held at the Methodist church Sunday afternoon, the sermon being preached by Rev. Dr. Hays of the Presbyterian church. The services were largely attended, the masses of people speaking volumes for the respect in which the pioneer was held by those who have known him for many years.

Neil Stewart was born in Providence, R. I., March 1, 1849, and died in Pullman April 27, 1911. The first four years of his life were spent in Providence, after which he moved with his parents to Illinois, where he resided until 1870. He attended school in Illinois and later learned the trade of carriage maker. At the age of 21 years Mr. Stewart came west, working a year at Portland and Corvallis, Oregon. He then went to Lapwai, Idaho, and later to Moscow, where he followed lumbering. In 1876 he came to Whitman county and settled on a homestead, adjoining which he later acquired 1280 acres of land and followed wheat raising and stockraising.

In 1902 he disposed of the farm and engaged in the hardware business in this city, the firm name being Stewart-Outman Hardware company, and later Stewart-Clure Hardware Co. In 1909 he disposed of his hardware business and in the spring of 1910 went to Okoloks, Alberta, Canada, where he bought a stock ranch and lived until March 1, 1911, when he returned to Pullman to attend to business affairs and was stricken with the disease that took his life.

Fraternally, Mr. Stewart was affiliated with the Woodmen of the World, under whose auspices the funeral services were held. He was married in 1874 to Nevada Howard, and to the union five children were born, they being Anna, Josie, Neil, Charles and Elma. His first wife died and he was married in 1898 to Mrs. Georgia Boone, who, with four of the children, survives him.

Card of Thanks.

We desire to express our heartfelt appreciation to those who were so kind to us during the illness and at the death of our husband and father. Mrs. Neil Stewart and Family.

SPOKANE WOMEN ATTEND LUNCHEON

Friday Luncheon Given by Domestic Science Department Attended by Several Ladies from Spokane.

The luncheon given by the domestic science department of the college last Friday afternoon in honor of several Spokane ladies was well attended, a large number from Spokane accepting the invitation of the department. The ladies were shown through the domestic science building and were taken on a tour of inspection of the entire campus. The color scheme for the luncheon was green and pink, peach blossoms being used in profusion.

The Spokane ladies invited were: Mrs. Warren W. Holman, Mrs. Doyle, Mrs. Schier, Mrs. R. O. Morgan, Miss Helen Morgan, Mrs. Votan, Mrs. Peter McGregor, Mrs. J. J. Bronwe, Mrs. Sam Glasgow, Mrs. W. D. Vincent, Mrs. Robert Fairly, Mrs. S. B. Nelson, Mrs. Bruse Watson, Mrs. J. Grier Long, Mrs. John Mohr, Miss Kate Reid, and Miss Etta Reid. The local guests were: Mrs. Fancher, Mrs. Albert E. Egge, Mrs. Elton Fulmer, Mrs. R. W. Thatcher, Mrs. R. Kent Beattie, Mrs. O. N. Morris, Mrs. Mrs. Joe Ashlock, Mrs. R. C. Ashby, Mrs. Kerlin, Miss Rheldaffer, Miss Hunt and Miss McKay.

The M. H. Houser grain office in this city was closed Monday out of respect for John Houser, father of M. H. Houser, who was buried that day at Pataha, this state. Mr. Houser, who was 82 years old, died Saturday, April 28.

PULLMAN "BOOSTERS" WIN FROM ROSALIA

Defeat Tailenders in Inland Baseball League Six to Three—Vandorn Gets Three of the Six Hits.

Pullman won the third game of the inland league schedule from Rosalia last Sunday afternoon by a score of six to three. The game was played in this city before a fair-sized crowd and on the whole was not up to the standard of the two former games played by the "Boosters." For the first three innings the Rosalia team, which had been considerably strengthened after the game with Colfax, seemed to have a shade the better of the argument, but in the last half of the third inning the Pullman boys began to clout the ball up to their true standard and when the smoke cleared away three men had scored for the locals. After that it was all Pullman's game, both in the field and at bat, and the outcome was never in doubt after the third.

The game was called at the end of the sixth inning to make it possible for the visitors to catch the 3:30 N. P. train for home.

The features of the game were the hitting and baserunning of Vandorn, captain of the "Boosters." Out of four times at bat Van got three singles, two runs and stole a total of five bases. His batting average for the first three games is .500. Fullenweider was the star performer at bat for the visitors, he also having three clean ones to his credit at the end of the sixth inning. Thorpe, who played left field for Pullman, grabbed everything that came his way in the field, but failed to connect with the ball, three strikeouts being charged against him.

Muir was not at his best in the pitcher's box and allowed eight hits, most of them clean line drives. He kept the hits well scattered except in the third inning, when three came in a row, two of them doubles. Fast fielding by his teammates, however, held the visitors down to one run in that inning.

The game in detail was as follows: Ladd, the first man up for Rosalia, struck out. Fullenweider grounded to shortstop and took first but was forced out at second on Coleman's grounder. Hardesty flew out to Thorpe, retiring the side. No score.

For Pullman, Vandorn hit a hot one to third which the third baseman fumbled and Van was safe on first. Gaddis struck out and Vandorn pilfered second and third. Thorpe failed to connect and Vandorn was thrown out in an attempt to steal home. No scores.

In the second inning Sholtz took first when Gaddis muffed his high fly to right field. Kelly went out, short to first, Sholtz taking second and later stealing third. H. Lemley struck out and Suddeth drew a base on balls. Sholtz scored when Moss fumbled C. Lemley's grounder. Ladd struck out. One score.

In Pullman's half of the inning Thompson walked but was out at second on Rosenoff's grounder to shortstop. Dirstine fanned. Rosenoff stealing second. Moss retired the side by going out, short to first. Score: Rosalia 1, Pullman 0.

In the third Rosalia began to clout the ball in earnest. Fullenweider got a two bagger. Coleman duplicated the feat, scoring Fullenweider. Hardesty singled, advancing Coleman to third. Sholtz struck out and Coleman was thrown out at the plate in his attempt to reach home on Kelly's grounder to Moss. H. Lemley struck out, retiring the side. One run.

For Pullman Glaeser struck out and Muir singled and stole second. Vandorn singled, scoring Muir, and himself taking second on the throw to the plate. Gaddis got in the way of a pitched ball and stole second. Thorpe struck out and Vandorn and Gaddis scored on Thompson's single to center field, but Thompson was out at second trying to make it a two-bagger. Three runs. Score: Rosalia 2, Pullman 3.

In the fourth Suddeth was out on a high fly to Thorpe. C. Lemley fouled out to third. Ladd singled, stole second and scored on Muir's wild heave to second. Fullenweider singled and stole second and Phillis, who replaced Coleman at short, re-
