

THE PULLMAN HERALD

Devoted to the best interests of Pullman and the best farming community in the Northwest surrounding it.

VOLUME XXIII

PULLMAN, WASHINGTON, FRIDAY, MAY 19, 1911

NUMBER 33

PULLMAN ATHLETE LOWERS RECORD

Boyd Schlaefler, of Pullman High School, Runs Mile in Record Time of 4:43 3-5—Spokane High Wins Meet.

In the seventh annual Interscholastic track and field meet, held on Rogers field under the auspices of the State College, last Saturday, Boyd Schlaefler, a 17-year-old student of the Pullman high school, ran the mile in 4:43 3-5, clipping four and one-fifth seconds off the interscholastic record in that event. Schlaefler led the field all the way and finished strong, which was proved by the fact that he entered and won the half-mile race a few minutes later. Schlaefler was pitted against Fancher, last year's winner of the mile, and several other athletes of much renown, but had no difficulty in winning the event.

Thirty-five high schools were represented by a total of 222 athletes and much credit is due the officials for the dispatch with which the various events were run off. The meet was won by Spokane high with a margin of only one point over Tekoa, the meet being decided by the relay, which was won by Spokane. Pullman high school took fourth place in the meet with a total of fourteen points.

Watson, of Tekoa high school, took five points and gained individual honors at the meet, carrying home the beautiful gold medal offered for individual point winner. McCroskey, also of Tekoa, took two firsts. This made Tekoa's sum total of 35 points.

The list of events, winners, etc., follows:

50-Yard Dash—Watson, Tekoa; Smith, Lewiston Normal; Shaw, Lewiston High. Time 5 4-5 seconds.

100-Yard Dash—Watson, Tekoa; Gwinn, Harrington; Smith, Lewiston Normal. Time 10 2-5 seconds.

220-Yard Dash—Watson, Tekoa; Gwinn, Harrington; Cohn, Spokane. Time 23 1-5 seconds.

440-Yard Dash—Johns, Spokane; Fox, Davenport; Lyon, Harrington. Time 53 2-5 seconds.

Half-mile Run—Schlaefler, Pullman; Dingle, Palouse; Matson, Davenport. Time 2:10 2-5.

Mile Run—Schlaefler, Pullman; Fancher, Spokane; Henry, Palouse. Time 4:43 3-5 (a new high record.)

120-Yard Hurdles—McCroskey, Tekoa; Thompson, Lewiston High; Unbewust, Harrington. Time 17 2-5 seconds.

220-Yard Low Hurdles—McCroskey, Tekoa; Butler, Pullman; Campbell, Spokane. Time 37 seconds.

Shot Put—Watson, Tekoa; Phillips, Lewiston High; Keeran, Harrington. Distance 47.5 feet.

Discus Throw—Johns, Spokane; Phillips, Lewiston High; Adams, Spokane. Distance 101.5 feet.

Pole Vault—Cassidy, Colfax; Cohn, Spokane; Woods, Walla Walla. Height 10 feet.

Hammer Throw—Phillips, Lewiston High; Keeran, Harrington; Adams, Spokane. Distance 130.7 feet.

High Jump—Watson, Tekoa; Spalding, Goldendale; Adams, Spokane. Height 5.3 feet.

Broad Jump—Wooster, Spokane; Morrison, Colfax; Butler, Pullman. Distance 20.3 feet.

Javelin Throw—Johns, Spokane; Phillips, Lewiston High; Woods, Walla Walla. Distance 144 feet 3 inches.

Relay—Won by Spokane. Time 3:39.4. (A new record.)

Boosters vs. Hasbeens.

May 21st, the Boosters cross bats with the now famous "Hasbeens," who claim to have broken all rules of nature by "coming back." The manner in which they humiliated the Firemen on their last meeting not only inspired hope as to what their chances would be with the Boosters, but they are confident of being returned the winners, thereby calling for an entirely new line-up to represent Pullman in the remaining games of the league. The admission will be 15 cents, so of, course, everybody will be there. Remember, the city's one real star—Joe Dew—will be there with bells.

PULLMAN WOMAN DIES IN BOSSBURG

Mrs. L. C. Richardson, Formerly of This City, Passes Away in Bossburg, Wash., After Brief Illness.

Mrs. L. C. Richardson died at Bossburg, Wash., last Friday evening, after an illness of but two weeks, death being caused by complications following an attack of la grippe. Mrs. Richardson, who was a sister-in-law of Mrs. Wilford Allen, of this city, who was with her at the time of her death, lived in Pullman for several years, and had many friends here who mourn her loss. Mr. Richardson, while in Pullman, was engaged in the mercantile business, and before her marriage deceased taught school here for several years. About four years ago the family moved to Bossburg, Wash., where Mr. Richardson purchased a store and engaged in the general mercantile business.

Besides her husband, deceased leaves two sons, Louis and Edward. Funeral services were held in Bossburg Sunday afternoon.

Pullman Runner to Tacoma.

Boyd Schlaefler, the local high school runner, left Wednesday for Tacoma, where he will take part in the track meet which will be held there on Saturday. Pullman people are looking forward to the meet Saturday with a great deal of interest as Schlaefler has not been defeated in the mile run since he took up track work a year ago. In the Interscholastic meet Saturday he broke the state record in the mile race and seems to have a good chance of cleaning up at least five points against the coast athletes. Pullman will send but one entry to this meet.

TELEPHONE POLE ADVERTISING TABOOED

Chamber of Commerce Asks Mayor to Put Stop to Practice of Posting Advertisements on Telephone Poles.

The Chamber of Commerce met Tuesday evening and after transacting the usual routine business took up the following matters.

The sanitation and improvement committee recommended that steps be taken to stop the posting of advertising matter on the telephone and electric light poles. It was moved and carried that the mayor be requested to instruct the city marshal to remove all such advertising matter.

The park committee recommended that another day be fixed for cleaning up the park, and the committee was authorized to decide upon the date.

Plans for the proposed Fourth of July celebration were discussed at length and some difference of opinion developed as to the advisability of having a livestock show in connection with it. Many advocated an old fashioned celebration, with a picnic dinner, plenty of speaking, music, dancing, baseball and athletic sports, and an amateur minstrel show or dramatic performance in the evening instead of fireworks. The matter of outlining a program was placed in the hands of a committee, with J. N. Emerson as chairman, to report at the next meeting.

J. B. Holt was instructed to secure estimates as to the cost of erecting the exhibition booth at the N. P. depot. Attention was called to the fact that the annual election of officers will occur on Tuesday evening, May 30. Adjourned to meet next Tuesday.

Mr. and Mrs. F. N. Bryant, teachers in the public schools of Pullman, will leave Sunday for New York and other eastern states. They will spend the summer visiting relatives in New York. They will go over the Canadian Pacific line and will visit the Great Lakes, Niagara Falls and other points of interest. Mr. and Mrs. Bryant will return to Pullman at the close of the vacation and will teach here next year. Mr. Bryant having accepted the position of high school principal.

THE PULLMAN CHAMBER OF COMMERCE

The objects for which the Chamber of Commerce was organized are the objects which warrant its existence, namely: The bonding together of the citizens of Pullman in a united effort to make our city the cleanest (both morally and physically), the most progressive, and the busiest city in the Palouse country. To effect these objects there must be the frank co-operation of all citizens. Concerted action means success for the Pullman Chamber of Commerce.

The following are our immediate tasks:

- 1. Pullman—To make and to keep Pullman a place which we shall be proud to call our city.**
We need improved streets, cement sidewalks, well kept houses and lawns, a public park, good sanitary conditions in public halls and schools, the best schools in the state, attractive stores and obliging citizens. Some of these we have; others we must get.
- 2. Pullman and Vicinity—To work for a thickly settled country tributary to Pullman.** Such industries as the raising of small fruits and vegetables, the growing of forage crops (field peas, corn) on summer-fallow land, the raising of stock, and dairying will bring in the small holder and many people.
To look forward to the establishment of such plants as condensed milk, creamery, cheese factory, and cannery to take care of the products.
To have a fruit growers association and sales agency with headquarters at Pullman.
To construct good roads tributary to Pullman.
- 3. Pullman and the State—To keep Pullman on the map, and to co-operate with other commercial organizations, especially with Spokane Chamber of Commerce, throughout Washington and the Pacific Northwest.**

City Council Changes Sprinkling Hours

Fixes Time During Which Residents of Different Districts May Use City Water for Irrigation Purposes.

At last night's session of the city council an ordinance was passed changing the sprinkling hours for the different districts. The terms of the new ordinance are as follows:

- District No. 1—All persons residing east of Monroe and north of Colorado streets are allowed to sprinkle between the hours of 3 and 5 p. m.
- District No. 2—All persons residing east of Monroe and north of Campus avenue, extending to the south side of Colorado street; also those residing north of Colorado street and west of Monroe street are allowed to sprinkle between the hours of 5 and 7 p. m.
- District No. 3—All of the residents

of that portion of the city of Pullman not provided for in the first and second districts are allowed to sprinkle between the hours of 6:30 and 8:30 p. m.

The ordinance positively prohibits sprinkling on Sunday at any hour. A recent ordinance changed the following streets on College hill: Colorado street now extends west to Star Route, taking the place of that portion of Mornoe street which formerly connected Star Route with Colorado street. Monroe street now extends south to Maiden Lane, taking the place of Short street, which formerly connected Maiden Lane with Monroe street.

Mrs. Barbara Henderson, of North Dakota, has purchased the Mrs. Elbert property on Methodist hill, consisting of a house and three lots. The deal was made through D. B. Putman & Son, and the consideration is given as \$1100.

ANOTHER SCHOOL YEAR COMES TO A CLOSE

Pullman High School Graduating Exercises Held This Week—H. C. Sampson Delivers Address.

The graduating exercises of the Pullman high school were held during the past week, having been commenced by the sermon which was delivered to the Senior class on last Sunday evening by Rev. Robert Brumblay. The sermon was delivered in the Methodist Church and the building was crowded with friends of the graduates. No services were held in the other churches on that evening because of the graduating exercises.

On Monday evening the Class Day exercises were held in the high school assembly hall, and a large crowd was present. The president's address was delivered by Russell Chamberlain, who was followed by Miss Celia Burgess, who read a paper on the history of the class. The class poem was recited by Miss Jesse Aten, the class will was read by Harry Wilson and the class prophecy was delivered by Harry Wexler and Earl Barbee. Miss Pearl Cornelious delivered the closing address, after which the four classes each sang a song which had been composed by members of the classes. The Freshman song was decided the best of the four and that class was given a prize pennant, which had been offered by the Senior class.

On Tuesday evening the graduating address was delivered in the W. S. C. auditorium by H. C. Sampson, of Spokane in the presence of a large crowd. The diplomas were presented to the members of the class by Mrs. J. W. Mathews. During the evening Mr. Fitzsimmons rendered a violin solo and Mr. Lamoine played a piano solo. Rev. Clark pronounced the benediction.

GETS BEST PICTURE OF THEO. ROOSEVELT

Robert Burns, Pullman Photographer, Wins \$50 Prize for Best Picture of Roosevelt at Moscow—Twenty-five Contestants.

Robert Burns received a prize of \$50 offered by the Idaho National Harvester company of Moscow for the best picture secured of Theodore Roosevelt while the Hon. hunter was in Moscow last month. There were twenty-five photographers after the prize and Mr. Burns is justly elated at his success in securing the best picture.

The Farmers Union had erected a huge pile of sacked wheat, on which was located one of the combined harvesters of the Idaho National Harvester Co., the stipulations in the contest being that the photograph was to be taken when Roosevelt was standing near the machine, the picture to include both Roosevelt and the harvester. The photograph made by the Pullman photographer was an excellent one and besides the \$50 prize won, Mr. Burns has sold nearly \$150 worth of postal cards on which the picture was printed. The copyright on the photograph has now been turned over to the harvester company, and they will use it in connection with their advertising. Score another victory for Pullman!

Roy Godman Murdered

Roy Godman, a former student at the State College and one of the best athletes who ever attended the institution, was recently murdered in Mexico by the insurrecting Mexicans. The Godman family was located at Acapulco, Mexico, having left Dayton for that place about two years ago. Melvin Godman, a brother to Roy, was also badly wounded, and it is doubtful if he will live. Mr. and Mrs. Godman and their youngest son escaped and are now located safely out of the danger zone.

After leaving the State College Roy Godman went to Portland, where he graduated from a dental college and later practised his profession in that city. When the family moved to Mexico, however, he accompanied them. He was well known in this city and leaves many friends to mourn his loss.

PROGRESSIVE LEADER WILL VISIT PULLMAN

Hon. W. H. Kaufman Will Deliver Address in This City Monday Evening, May 22.

On Monday evening, May 22, 7:45 p. m., in the Y. W. C. A. room, at the college, the citizens of Pullman and Whitman county will have an opportunity to listen to Hon. W. H. Kaufman, assessor of Whatcom county, and one of the ablest progressive leaders of the state. Those who are in touch with the Grange, the Farmers Union, the Federation of Labor, and with the Progressive Republican movement, need no introduction to Mr. Kaufman. His influence reaches beyond the state. Owing to his efforts the state of South Dakota was the first commonwealth to adopt a direct legislation constitutional amendment. It is due to his exertions that Whatcom county is today probably the most progressive county in the state. Since becoming assessor he has instituted reforms in the taxation system which have drawn on him the attention of thinking men from all over the United States. Mr. Kaufman has been interested in the movement to put our educational institutions on a mill tax basis. It was he, who at the meeting of the Ellensburg State Grange in 1909, made a resolution to put the schools on a millage basis.

Naturally a man of Mr. Kaufman's ability can not long be kept in a local office, no matter how well he performs his duties. The state and the United States has need of him.

It is not at all surprising that he is urged to run for governor in 1912 on a platform advocating direct legislation and tax reform. He has behind him not only the Grange, the Farmers Union, the Federation of Labor, but also the Progressive Republicans, the Socialists, and a great many of the Democrats. In the last primary election he defeated the two Republicans, carried the Socialist vote, and lacked three votes of capturing the Democratic support, and he even received 1036 more votes than Poindexter. That Mr. Kaufman's reputation is wide both in and out of the state may be seen from the following testimonials:

"W. H. Kaufman, of Whatcom county, is not merely an expert, he is master of the subject of taxation. He is one of the best posted men, if not the best posted man in the state on the subject of direct legislation."—C. B. Kegley, Master Washington State Grange, Delegate to National Tax Reform Convention.

"I congratulate you and the people of Whatcom county on your magnificent victory, both at the primaries and at the general election. I note that you will be a candidate for the Republican nomination for governor. I think it is very fortunate that you are going to place before the people of the state the great progressive issues of direct legislation as a means and tax reform as one of the ends."—Miles Poindexter.

"Kaufman will lead the progressive campaign in Washington."—Portland Press.

"Kaufman knows more about taxation than any other man I ever met."—Alson W. Steers, Secretary Whatcom County Grange.

"Kaufman is the strongest man in the state, with the possible exception of Poindexter."—Bellingham Journal.

"Resolved, That the Bellingham Grocers' Association heartily endorses tax reform as explained by Mr. Kaufman."

"I wish to thank you for your clear and intelligent statement of the objects of the forest reserve policies. I want to say how deeply I appreciate the work of the grange. It seems to me superb, and I should like to send you my heartiest congratulations upon it."—Gifford Pinchot.

"Your article on Progressive Taxation is the best thing of its kind that I ever saw."—Prof. Charles B. Spahr, Columbia University; Associate Editor Outlook.

Mr. Kaufman comes here under the auspices of the Twentieth Century Club. This lecture, like all the others of the club, are open to the public free of charge. Everybody is welcome. Y. W. C. A. Room, Monday, May 22, 7:45 p. m. sharp.
