### Who It's For

To provide a systematic and absolutely safe plan for the investment of savings, and to aid its members to acquire homes of their own is the object of the Pullman Savings and Loan Association. The Association is in every sense a Home institution.

It is for the Practical Man, who realizing the uncertainties of business and of health, and of the folly of spending all his money as fast as he gets it, provides for an emergency.

It is for the Prudent Woman, who out of her earnings or allowance, desires to put away a little money, monthly, where it will be securely and profitably invested, and give her the least trouble and where she can get it when needed.

It is for the Young Man possessing the manhood and determination to save something every month from his earnings as a reserve fund, to draw on when sick or out of a position, for providing a home or for a start in business.

It is for Boys and Girls, to help them to be economical and industrious and to encourage them to acquire the habit of saving, provide a fund to educate them and to make them independent.

It is for Societies, Fraternal and Other Organizations wishing to invest their income for the purpose of creating a reserve fund, or for building.

Pullman People Have Good Reason For Complete Reliance

Do you know how—  
To find relief from backache;  
To correct distressing urinary

ills;  
To assist weak kidneys?  
Your neighbors know the way—  
Have used Doan's Kidney Pills;  
Have proved their worth in many tests.

Here's Pullman testimony.  
Mrs. R. A. Emerson, 1211 Star Route St., Pullman, Wash., says: "I suffered a great deal from a dull pain across the small of my back. I felt tired all the time and had but little ambition. My kidneys acted irregularly and caused me much annoyance. A friend advised me to try Doan's Kidney Pills, and I did. They proved very beneficial and soon corrected the ailments. Another of my family who had about the same ailments as I did, found great relief from Doan's Kidney Pills. After a lapse of over three years, I can say that I have as much confidence in Doan's Kidney Pills as I did when I gave my former endorsement."
