

PRIMARY PUPILS TO GIVE PROGRAM

Entertainment Will Be Provided by Youngsters Friday Evening, April 3

The primary rooms of the main building of the local schools will give a program in the auditorium of the new high school building, Friday evening, April 3, at 8 o'clock. No admission will be charged, but a collection will be taken, the proceeds to be used to purchase an instrument for the use of the little folks. The following program will be rendered:

Chorus, "The Riders."
Musical Dumb Bells Drill.
Lullaby, "My Drowsy Babe."

"JOE," A TWO-ACT COMEDY DRAMA OF CHILD LIFE.

Cast of Characters.

Josephine, commonly called "Joe," Dorothy Brownell.
Marjorie, Joe's elder sister, Ethelyn Rima.
Kitty Blanchard, Joe's cousin, Lucile Rima.
Dolly, Kitty's little sister, Ruby Reed.
Master Jack, Joe's brother, Harlan McCroskey.
Master Sam, Kitty's brother, Oliver Klossner.
Katy Neal, the lacemaker's daughter, Dorothy Stivers.
Pussie, Katy's little sister, Bessie Mumma.
Mikey Flynn, a bad boy, Robert Schroeder.
Mrs. Morton, Joe's mother, Hollis Hughes.
Mrs. Neal, Katy's mother, Cleone Dawson.

Act I.

Scene—Parlor of Morton home. The Morton parlor a nursery room. Joe has a mishap. Mrs. Morton tells a story of her girlhood. A lullaby. Dr. Sam prescribes. Effects of a newspaper yarn. Katy accused. "Oh, it's dreadful; I promised not to tell—and I won't." Recitation, The Garrett Twins. Reading, winner of the local county declamation contest. Collection.

Act II.

Scene—A path in the woods. Fussy plays house. A storm brewing. Katy returns. Boy hunters. A trespasser. Jack, Katy's champion. "Mercy, Pussie, they are going to fight." The elements intervene. Joe as patrolman. Joe repentant. Katy generous. Mrs. Morton meets a former playmate. Lost boys found. "His name is Michael Macgillivuddy Flynn, isn't it Mike?" Off to Joe's birthday party.

HOMES WANTED.

The Washington Children's Home Society has undertaken the great task of finding good family homes for all of the state's wholly dependent children. It has placed more than 500 of such children in a single year. One of its fundamental principles is to avoid the separation of brothers and sisters, if possible. As many as six children have been placed in a single home. Recently two brothers and one sister went into one home, and a brother and sister together have been sent within the month to a home near Pullman, and two sisters to a home near St. John.

At the Spokane Receiving Home the society now has several sets of brothers and sisters needing homes. Is there any better exemplification of Christian charity or service to humanity than giving the shelter of your home and the personal influence of your life to these homeless waifs?

Rev. M. A. Covington, superintendent of the Spokane district, with offices at 526 Hutton block, would be glad to receive applications from homes willing to take such children.

W. O. W. MEETING

Neighbors, you are specially invited to attend the regular meeting of the W. O. W. next Wednesday evening, April 1, at 8 o'clock. Bring a friend who might be induced to join our order. Deputy Head Consul Martin, Manager John Pattison and District Manager Pollock will be present.

Come! Important!

GEO. N. HENRY,
Clerk Camp No. 110.

WANTED—A housekeeper at once. Apply to Frank Zalesky, opposite postoffice. mch27th

LOST—A bunch of keys, finder will please return to this office. mch27

PROSPECTS GOOD FOR BIG WHEAT CROP

Thomas Batty, the Wawawai fruit grower, was in Pullman last Saturday and spoke very optimistically of the prospects for a big yield of fruit at the Snake river points. Apricots, however, will be a light crop, estimated by Mr. Batty at one-third of a normal yield, due to the frosts which nipped the buds after they had become swollen by the spring-like weather preceding the frost. Early cherries, peaches and plums are all in excellent condition and a yield equal to or exceeding that of last year is anticipated. Early vegetables will be a light crop, owing to the light rainfall.

A. T. S. ENTERTAINS AT MUSICAL AND RECEPTION

The Alpha Theta Sigma formal was given Saturday night at Stevens Hall. The affair was a musical by Mrs. Thomas Carrick Burke of Portland, followed by a reception. The drawing room was canopied with ferns, the reception hall decorated with Oregon grape, and the entire fireplace banked with greens. Those in the receiving line were: Miss White, Mrs. Burke, Miss Thaanum, Miss Avery, Miss Johnson, Mrs. Waller, Miss Ross, Miss Rankin, Mrs. Shedd, and Miss Devin. The following out-of-town guests were present: Mrs. Frances Striegel Burke of Portland, Ore.; Mrs. I. Clyde Weatherford of Dayton, Wash.; Miss Florence Avery of Eugene, Ore.; Miss Cecil Johnston and Miss Marjorie Ross of Missoula, Mont.; Miss Margaret Thaanum of Seattle; Miss Mary Rankin of Colfax; Mr. and Mrs. Richard Burk of Moscow, Idaho; Mr. Tulle, and Miss Margaret Anderson of Spokane, Wash.; Miss Verna Burton of Puyallup; Miss Rosella Hamilton of Kennewick.

DEAN WHITE LEAVES FOR COAST.

Dean Rhoda M. White left Sunday to visit several different cities to secure speakers for the Vocational Conference, which is to be held here in April. She will visit Spokane, Seattle, Tacoma, and Portland, Oregon. It is hoped that this will be the most interesting conference yet held here.

OPENING RALLY FOR PROHIBITION

John G. Woolley Will Speak at College Auditorium Next Sunday Afternoon at Two o'Clock

Arrangements have been completed for the address by John G. Woolley, the noted prohibition leader and orator, at the college auditorium next Sunday afternoon at 2 o'clock. This rally will mark the opening of the fight for state-wide prohibition. R. C. McCroskey of Garfield will preside and special music will be furnished by the college orchestra and the Y. M. C. A. quartet. A large attendance from the country and nearby towns is expected as Mr. Woolley's reputation as a speaker is nationwide. Following are some comments by well known men:

"Woolley has his own emotions and views, and he has his own way of expressing them—a way that is stimulating and nourishing. And he never forgets his main purpose—to smash the saloon.—Edward J. Wheeler, editor Current Literature.

"John G. Woolley's public addresses are passionate and powerful pleas for righteousness. Their spirit is virile and bracing. Any lover of his country and of his kind ought to find in them impulses to the more thorough application of Christian principles to public life. Dr. Woolley is a great orator and a great man. His words are sure to be of great help."—Herbert Welch, president of the Ohio Wesleyan University.

"Hon. John G. Woolley is as good as a dose of 20 grains of quinine. He is a tonic. A man who grasps a principle and then holds to it and fights for it regardless of all cost and consequence, renders a service to the world quite apart from the value of the principle which he upholds. In the midst of a mob of time-servers such a man renews our faith in human nature and rallies us to the eternal verities. Mr. Woolley's addresses are full of principle and pith, of wisdom and of wit."—Josiah Strong.

BOOSTERS WIN FAST PRACTICE GAME

Newly Organized Baseball Team Humbles Fraternity Team to Tune of Seven to One

The baseball season was opened last Sunday, when the newly organized Booster team, under Captain Rodrick, had little trouble in winning a 7 to 1 game from the Alpha Tau Omega fraternity team from the college. The Boosters played in mid-season form, and proved that without the question of a doubt Manager Thorpe and Captain Rodrick have the best bunch of material lined up this year for several seasons past, if not the best in the history of the city team. Walker was on the slab for the city team, and although he didn't turn loose the best he had, was never in danger and when he found himself in a temporary hole was always equal to the occasion with one or two timely whiffs. Arthur Henry, at first base, is probably the find of the season. Henry is a natural batter and tapped the ball for two well-earned home runs, one of them well over the center fielder's head. He also played errorless ball at the first sack. Fred Glover also annexed a homer, and Eddie Muir was credited with a ripping three-bagger, although he was out at the plate in an effort to stretch it into a home run.

Peck and Goeden at shortstop and third base, respectively, played sensational ball, while Muir was equally at home on second. For the fraternity team Tweed, behind the bat, was probably the stellar performer, although Vic Anderson pitched good ball at times, and Wiese was the heavy hitter, getting the first hit off Walker in the fourth inning and taking two bases, and later connecting for a single.

The Boosters will probably make their first "road trip" next Sunday, when they are scheduled to meet the Uniontown team.

CANDIDATES FOR DEGREES

The names of the candidates for advanced degrees to be conferred by the college at the end of this year have been announced. The list, which is the largest in the history of the institution, includes Richard N. Miller, Chehalis, M. S. in Agriculture; Annetta J. Nicoll, Pullman, M. S. in Botany; William C. Gregory, Boise, Idaho, M. S. in Chemistry; S. O. Jayne of Spokane and Harold A. Sewell of Newport, Civil Engineer; George W. Eyre, Pullman, M. S. in Economics and History; A. B. Jones, Spokane, M. S. in Hydro-electrical Engineering; D. E. Foster, Pullman, M. S. in Mechanical Engineering; and Frank N. Bryant, Pullman, M. S. in Mathematics.

DECLAMATION CONTEST.

There will be a Declamation Contest, open to the pupils in the grammar grades, in the old high school building this afternoon at 1:30. There are 14 contestants. At this contest a representative will be chosen to represent Pullman in a district contest, which will be held here on the afternoon of April 4th, at 2 o'clock.

CITY COUNCIL HELD TALKFEST

Plans for Proposed Improvement and Extension of the Water System Discussed at Length.

The adjourned meeting of the city council held Tuesday evening developed into a genuine heart to heart talkfest, with the improvement of the water system as the center of interest. Professors Waller and Edwards are securing prices from many points on pumps, mains, tanks, and other material which will be required, and are preparing specifications for the proposed improvement and extension of the system. Until they are ready to report no definite action can be taken, but the councilmen are taking advantage of the interim to air their views. It was decided to sink a number of holes in the streets in the business district to test the condition of the old water mains, and this has been done.

The general tenor of the talk was that it may be necessary to postpone the paving of the business streets until next year, on account of the necessity of laying the water mains before the paving is done. At the meeting next Tuesday evening the improvement of West Main street will probably come up for final action and the proposed paving of California and other streets on College hill is likely to be discussed.

TO THE PUBLIC.

Considerable damage and loss to the trees, shrubs, flowers and grass on the college campus has been occasioned by children playing on the college campus and much danger and annoyance to pedestrians by the use of the college walks and drives by children on roller coasters, wagons, sleds and roller skates. The campus is not intended as a playground for children, and parents are requested to keep their children off the campus, unless accompanied by an older person. The walks and drives must not be used for roller coasters and roller skates.

E. A. BRYAN.

The condition of Councilman Falmerton is greatly improved and his friends now trust that he is on the road to a speedy recovery.

FINE ATTRACTION ON LECTURE COURSE

Byron's Troubadours Will Give Concert at College Auditorium Next Thursday Evening April 2

The cancelling of the engagement of Katherine Ridgeway was a great disappointment to those who held season tickets for the college lecture course, but the management has secured an excellent substitute in Byron's Troubadours, who will appear here next Thursday evening, April 2. This company of sweet singers and clever musicians gave a concert at the M. E. church last year, which made a decided hit, and all who attended will be delighted to hear them again. They give a varied program, including vocal and instrumental solos, orchestra selections, and instrumental quartets and quintets. Commenting on the entertainment a Red Bluff, Cal., paper says:

"No finer entertainment was ever given in Red Bluff than the musical program furnished at the opera house last night by the Byron Troubadours. The versatility of the eight men who constitute the company is short of marvelous, they not only playing a great variety of musical instruments, but each member of the company possessing a superb voice. There was something in the program for everybody and everybody made the most of their opportunity. In fact, if any criticism is to be offered at all, it is that the audience worked the company too hard. Many numbers were encored as often as five times, the musicians graciously responding. Every musician was an artist, the soloists, both vocal and instrumental, being among the best ever heard in this city."

Student tickets and lecture course season tickets are good for this entertainment. Admission 50 cents.

The Extension Department of the State College is preparing an exhibit for display at the meeting of the Inland Empire Teachers' Association in Spokane, April 15, 16, 17. This exhibit will show the work of the department during the past year.

Several cities in the state have already made arrangements for Extension Schools next year. Wenatchee, Chehalis, Vancouver, and North Yakima have requested one week schools and are guaranteeing a large advanced enrollment over this year. Several other towns have asked for institutes to be held early in the season.

LOCAL BREVITIES

M. O. Plummer, head of the Portland Union Stockyards, spent Tuesday in Pullman, inspecting the college. He was very much pleased with the institution and said that after visiting nearly all of the western colleges he believed that in points of plant, equipment and work, the State College of Washington stands first.

Alex Carlyle, who recently resigned his position as cerealist at the W. S. C. to accept a position at the University of Minnesota, has left that institution to take charge of the cereal work in connection with the government experimental farm at Vermilion, Alberta, Canada.

Walker & Struppler report the sale of the W. C. Kruegel house and two lots on the corner of B and Colorado streets to W. O. Straight, cashier of the First National Bank. Mr. Straight's family will arrive from Montana in a few days. Mr. Kruegel expects to build a new home on Campus avenue, just back of the McKay place.

Mrs. Solon Shedd gave a delightful reception Tuesday afternoon in honor of Mrs. Thomas Carrick Burke of Portland, Oregon, who has been visiting her.

J. J. Rouse and little son came down from Spokane Tuesday and Mr. Rouse attended the meeting of the Federated Commercial Clubs of Whitman county.

Isaac Nicholson returned to Pullman last Friday from an extended visit with relatives at Danville, Ill.

John Squires made a business trip to Spokane last week, returning Sunday morning.

Eben Urick returned last Friday from Guma, Arizona, where he has been working on a government reclamation project.

Fred Doolittle was up from Colfax this week on business connected with the construction of the permanent highway in the Busby district.

R. A. Langley returned Saturday on a business trip to Spokane.

Mrs. Robert Burns left last Saturday for Pomeroy, called there by the serious illness of her mother, Mrs. Mary B. Kribbs.

Mrs. A. W. Taylor returned Monday from a two weeks' visit with friends in Spokane.

The P. E. O. club and a number of invited guests met last Monday at the home of M. K. Akers and inspected an exhibit of pottery.

J. W. Mathews was a Spokane visitor this week and the time which he spent in the garages in that city indicates that he has heard the buzzing of the automobile bug.

Miss Ethel Rodimon and three members of the college Y. W. C. A. returned Monday from the cabinet meeting held in Walla Walla.

C. M. Smith, state hotel inspector, was in Pullman this week and went to Uniontown and Colton.

The Historical Club met Tuesday afternoon at the home of Mrs. Quarels and listened to an interesting paper by Mrs. A. B. Baker on "The Characteristics of Dutch Art in the Nineteenth Century."

Harry Austin returned Wednesday evening from Aberdeen, where he went to look over a piece of land with a view to purchasing.

Extensive improvements are planned by the N. P. railway on the Genesee branch. The entire 30 miles of roadbed will be ballasted with sand as the first step in the good work.

A Dry Farming Congress will be held at Connell March 27-28. The following from the State College staff will assist: Dr. Ira Cardiff, director of the experiment station; George Severance of the Department of Agriculture; J. N. Price, Extension Specialist; Byron Hunter, vice director of the Bureau of Farm Development; H. E. Goldsworthy, vice director Dry Land Demonstration and Experiment; Miss Blanchard, Poultry instructor; Miss Sutherland, Home Economics Department.

PIANO TUNING

V. H. Brown, the well known piano tuner of Spokane, will make his 53rd semi-annual visit to Pullman on March 30, to tune for the college and any others who leave orders for him at the Palace hotel. He will not canvass for orders. For the past 15 years he has been tuning the instruments at the college and for many families in Pullman, and his excellent work has given entire satisfaction. If your piano needs tuning you had better leave your order at the Palace hotel and have the work done by an expert, for whose reliability the department of music at the college, as well as many residents of Pullman are glad to vouch. Remember the date, March 30. mch27

IT'S A MISTAKE

Made by Many Pullman Residents

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Pullman is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Pullman.

Mrs. Frank Klossner, 300 Harrison St., Pullman, Wash., says: "One of my family was suffering from backache and he was advised to try Doan's Kidney Pills. He got a box at White's Drug Store and began using them. He had been having considerable trouble with a lame back and it often interfered with his work, so that he had to lay off. One box of Doan's Kidney Pills gave him relief and he hasn't needed any kidney medicine since. Nothing else ever did him as much good as Doan's Kidney Pills. The cure has been permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
