PERFECT CONFIDENCE

Pullman People Have Good Reason for Complete Reliance

Do you know how—
To find relief from backache;
To correct distressing urinary ills;
To assist weak kidneys?

Your neighbors know the way—
Have used Doan's Kidney Pills;
Have proved their worth in many tests.

Here's Pullman testimony.
Mrs. R. A. Emerson, 1211 Star Route St., Pullman, Wash., says: "I suffered a great deal from a dull pain across the small of my back. I felt tired all the time and had but little ambition. My kidneys acted irregularly and caused me much annoyance. A friend advised me to try Doan's Kidney Pills and I did. They proved very beneficial and soon corrected the ailment. Another of my family who had about the same ailments as I did, found great relief from Doan's Kidney Pills. After a lapse of over three years, I can say that I have as much confidence in Doan's Kidney Pills as I did when I gave my former endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Store Service Talks

A store of character and quality, such as this store, means both opportunity and convenience for the people of this community.

It means the opportunity of selection from an extensive and well assorted stock of high grade merchandise, and it means the convenience of securing what is wanted without the delay that must follow when the order is sent to the mail-order houses.

To maintain such a store we need the patronage of the people of the community, and we ask for it on the basis of fair dealing, and equal or lower prices than those offered by the mail-order houses when service and quality of merchandise is considered.
