BOYS AND GIRLS AT SPOKANE FAIR

Education and Amusement of Children Strongly Considered In Arranging Program For Nine Days.

Education and amusement for the child at the Spokane Fair go hand in hand with the endeavors to produce better farms and efficient farmers in the Inland Empire. The 1914 Fair promises more ideas and more fun for the children than ever in the history of the institution. A liberal list of prizes in all departments and numerous amusement and athletic features make the children's departments at the fair very inviting for youths of all ages.

Among the departments where prizes are offered at the fair this year is the School Garden Contest, which is under the direction of Professor Thomas A. Bonser, E 1427 Providence avenue, Spokane. All the children's exhibits must be in place at the fair grounds by noon, Sept. 12, and all children bringing work or products for display purposes will be admitted free that morning. There are over \$300 cash prizes offered in this department, and the entire contest has been arranged in connection with the Washington State Boys and Girls' Agricultural Contest. One of the special prizes offered in this department is a registered Jersey bull calf to the boy or girl exhibiting the best Jersey heifer calf, grade or pure bred, over three months and under a year in age. The calf must be raised and attended to exclusively by the exhibitor.

Three Children's Days.
 There will be three Children's days, Saturday, Sept. 12; Monday, Sept. 14, and Saturday, Sept. 19. On all these days the admission charge for children will be 10 cents, and in order to further interest the children the management this year will sell a season ticket for 50 cents. This will admit them every day in the week.

For the children as well as the older visitors to the fair the management this year will offer an animal show, which will be entertaining for everybody. The three trained elephants with the Patterson shows, Captain Webb's performing seals, which are by far the most clever and interesting of all animals, and the famous Dutton riding act will furnish three acts which the children will thoroughly enjoy. Added to these will be the feats of the cowboys and cowgirls that accompany the Irwin Wild West Show, which will put on "Frontier Days" every evening during the week. These are only a few of the special stunts that will be offered for the entertainment of young and old.

LOCAL DRUGGIST MAKES MANY FRIENDS
 White's Drug Store reports they are making many friends through the QUICK benefit which Pullman people receive from the simple mixture of buckthorn bark, glycerine, etc., known as Adler-ika. This remedy became famous by curing appendicitis and it is the most thorough bowel cleanser known, acting on BOTH the lower and upper bowel. JUST ONE DOSE of Adler-ika relieves constipation and gas on the stomach almost IMMEDIATELY.

Teething babies always have a hard time of it when this process occurs in hot weather. They not only have to contend with painful gums but the stomach is disordered, bowels loose and the body uncomfortable. The best help you can give the little sufferer is MCGEE'S BABY ELIXIR. It corrects sour stomach, cools and quiets the bowels and helps digestion. Price 25c, and 50c per bottle. Sold by Watt's Pharmacy.

SOME FACTS ABOUT THE PULLMAN SAVINGS AND LOAN ASSOCIATION

Who It's For
 To provide a systematic and absolutely safe plan for the investment of savings, and to aid its members to acquire homes of their own is the object of the Pullman Savings and Loan Association. The Association is in every sense a Home Institution. It is for the Practical Man, who realizing the uncertainties of business and of health, and of the folly of spending all his money as fast as he gets it, provides for an emergency. It is for the Prudent Woman, who out of her earnings or allowance, desires to put away a little money, monthly, where it will be securely and profitably invested, and give her the least trouble and where she can get it when needed. It is for the Young Man possessing the manhood and determination to save something every month from his earnings as a reserve fund, to draw on when sick or out of a position, for providing a home or for a start in business. It is for Boys and Girls, to help them to be economical and industrious and to encourage them to acquire the habit of saving, provide a fund to educate them and to make them independent. It is for Societies, Fraternal and Other Organizations wishing to invest their income for the purpose of creating a reserve fund, or for building.

It is for all Seeking a Home or who want to improve their property, or pay off a mortgage or to provide a fund for any other worthy purpose.
