

PHILO PLAY WILL BE FULL OF FUN

"Homely Old Maid," Pretty Niece, Handsome Young Man, and Others to Provoke Mirth Friday

On the evening of March 12, in the Auditorium, the Philomathian Literary Society will present "The Arrival of Kitty." This play is a farce in three acts and was written by Norman Lee Swartout, a Harvard man, who is also the author of "Half-Back Sandy," etc.

The presentation of comedy is a very serious matter, and those in charge of the play have a quite commendable standard to come up to, but from what can be learned from the press notices of the play, and because of the fact that the farce is being directed by Miss Roziskey, the College community may expect a first rate entertainment.

The setting of the play is a hotel (summer sort) in the Catskill Mountains, and the time is August. The characters include a jolly man of 55, a good-looking chap of 22, an eccentric middle-aged man, a bell boy, a colored porter, a homely old maid, a niece of the homely old maid, an actress, and a maid. To predict that this combination of characters does not produce fun and lots of it, is to deny Mr. Swartout the least pretense to the gentle art of writing plays.

The cast in the order of the above suggestions is as follows:

William Winkler...C. L. Englebart
 Bobbie Baxter...Fred Salt
 Benjamin Moore...LeRoy Gussman
 Tug...Dell McCormick
 Sam...William Moss
 Aunt Jane...Blanche Jeffrey
 Kitty...Mildred Lennon
 Suzette...Sally Pickering

Former Phi Upsilon Local Fraternity is installed as Washington Beta Chapter of Strong National

Last Tuesday the Phi Upsilon local fraternity passed into history when that organization was installed as the Washington Beta Chapter of Sigma Alpha Epsilon. The national recorder of the fraternity, William C. Levere of Evanston, Ill., conducted the installation ceremonies. Sigma Alpha Epsilon is the sixth national fraternity to enter Washington State College. Its Washington Beta Chapter was granted to Phi Upsilon at the S. A. E. convention held in Chicago last December. The local chapter was admitted by a unanimous vote of the delegates to that convention, an honor which has been accorded to but one other chapter of Sigma Alpha Epsilon.

Faculty Members Participate

In the installation services, which were held Tuesday afternoon in the Masonic Hall, National Recorder Levere was assisted by alumni members of S. A. E., among whom John R. Bender, R. P. Cope, A. L. Strausz, T. H. Wright, and C. A. Cornelison figured prominently. A considerable number of Sigma Alpha Epsilon men from outside points were present, there being delegations from Spokane, Lewiston, and other cities of the Inland Empire. The U. of Washington chapter, Washington Alpha, was also represented.

Ritualistic work constituted the chief part of the program of Tuesday afternoon. Tuesday night, however, a formal banquet was laid in Van Doren Hall, where toasts to the new chapter were proposed by many guests. Wednesday night will close the installation festivities, when the local chapter will give its first formal dance in the K. of P. Hall.

Is 77th Chapter

The Washington Beta Chapter has received letters and telegrams of congratulation on its successful campaign for Sigma Alpha Epsilon from all parts of the United States. The S. A. E. fraternity is one of the "big four" national Greek letter organizations. Its history dates back to March 9, 1856, when it was founded at the U. of Alabama. It so happens that the 59th anniversary of the national fraternity is celebrated by the installation of Washington Beta. The local chapter received the 77th charter granted by Sigma Alpha Epsilon, the membership of which is now well over 17,000.

The local Phi Upsilon fraternity was founded December 15, 1908, the charter members being F. P. Hunter, H. H. Montgomery, H. T. Graves, F. H. Skeels, N. D. Lindsley, J. J. Preissner, and N. H. Sampson; several of whom, including Dr. H. T. Graves, state commissioner of agriculture, and "Jumbo" Hunter, were present at the installation.

Of the 56 initiates, 19 are active, 23 alumni, and 15 are absent members. The 19 active members who

were initiated into Sigma Alpha Epsilon Tuesday are: Harold Peckenpaugh, H. G. Holt, G. E. Meany, H. E. Burdette, E. E. Hager, S. A. Swanson, S. S. Hart, T. D. Tyrer, R. C. Howard, Jean Huntington, J. E. Morris, C. C. Boone, C. C. Casad, William Hinchliffe, E. F. Dadds, Homer Mathews, Ray Loomis, Dennis Norman, and Reed Young.

EWARTSVILLE

Mrs. Will Hogan spent last Wednesday with Mrs. J. M. Klemgard.

Several from this neighborhood attended the Aten sale last Thursday despite the bad weather.

Loretta, the little daughter of Mr. and Mrs. J. L. LaFollette, has been quite ill.

George Whitten has returned home from Lewiston, where he has been attending a business college.

C. D. Martin has returned from Walla Walla, where he was called last week by the death of his father.

Mrs. W. H. Kincaid and son, C. H. Kincaid, left Saturday for Soap Lake to spend some time.

Mr. and Mrs. F. A. Hodges and family were Sunday guests at the J. M. Klemgard home.

The Rev. C. H. Harrison will hold services at the Bryant school house next Sunday at 3 o'clock. There will be Sunday school at 2 o'clock.

Mr. and Mrs. R. L. Hollenbeck and Mr. and Mrs. J. C. Kamerrer were guests at the Nat Bryant home Sunday.

Mrs. Will Hogan was a guest at the W. W. Snyder home Thursday.

Mrs. R. L. Hollenbeck spent several days this week at the J. C. Kamerrer home caring for her mother, who is suffering from a severe attack of sciatic rheumatism.

Mrs. J. J. Story spent a few days last week at the home of her daughter, Mrs. Ben Henson.

Mr. and Mrs. Gillespie, Mrs. Taylor, son, Walter, and daughter, Amanda, of Spring Flat were Sunday guests at the Lloyd Bush home.

Mr. and Mrs. W. H. Pritchard and Miss Mary Codd spent Sunday afternoon at the V. L. Higgins home.

Miss Fannie Stein was a guest at the G. F. Johnson and Isaac Buckley homes near Pullman this week.

Miss Belle Higgins, who has been quite ill with the la grippe for the past two weeks, is improving.

Mrs. Cecil Eaton spent Sunday afternoon at the Sherman Brannon home.

Word was received here Monday of the drowning of Fred Miller in the ocean at Garboldia, Oregon, a few days previous. Details of the accident are meagre, but it is known he went down when the fishing boat he was sailing capsized in a gale. At last reports the body had not been recovered. Although Mr. Miller was not known here, his wife will be remembered as Miss Maude Klemgard.

At the Hard Times Social at the A. F. Carrothers home last Friday night the Misses Vera Farley and Letha Garretts won prizes as the "tackiest" ladies and Lee Robinson as the "tackiest" man. About 70 persons were present and enjoyed a pleasant evening.

It's a good thing at least once a year for every farmer to stand aside and look at his place as if it belonged to some other fellow, and pick out the things this other fellow has left undone. Sticking too close to the work sometimes narrows a man's vision and makes him overlook important things. By going past a pile of rubbish four or five times a day you finally come to think it belongs there, just as a man will sometimes plow around an old stump year after year as if it were established by Divine mandate.—Exchange.

Zinc-clad nails are nails heavily coated with zinc in a bath of the molten metal. The manufacturers say these nails weather better than ordinary galvanized ones which get only a thin coating by an electrical process. Tests of zinc-clad nails are under way.

SOME FACTS ABOUT THE PULLMAN SAVINGS AND LOAN ASSOCIATION

Who It's For
 To provide a systematic and absolutely safe plan for the investment of savings, and to aid its members to acquire homes of their own is the object of the Pullman Savings and Loan Association. The Association is in every sense a Home institution.

It is for the Practical Man, who realizing the uncertainties of business and of health, and of the folly of spending all his money as fast as he gets it, provides for an emergency.

It is for the Prudent Woman, who out of her earnings or allowance, desires to put away a little money, monthly, where it will be securely and profitably invested, and give her the least trouble and where she can get it when needed.

It is for the Young Man possessing the manhood and determination to save something every month from his earnings as a reserve fund, to draw on when sick or out of a position, for providing a home or for a start in business.

It is for Boys and Girls, to help them to be economical and industrious and to encourage them to acquire the habit of saving, provide a fund to educate them and to make them independent.

It is for Societies, Fraternal and Other Organizations wishing to invest their income for the purpose of creating a reserve fund, or for building.

It is for all Seeking a Home or who want to improve their property, or pay off a mortgage or to provide a fund for any other worthy purpose.

ALL OUT OF SORTS

Has Any Pullman Person Never Felt That Way?

Feel all out of sorts?
 Tired, Blue, Irritable, Nervous?
 Back feel lame and achy?
 Perhaps it's the story of disordered kidneys—
 Bad blood circulating about;
 Uric acid poisoning the body.
 There's a way to feel right again,
 Stimulate the sluggish kidneys;
 Do it with Doan's Kidney Pills.
 Doan's are recommended by many Pullman people.

Here's one case.
 Mrs. T. J. Richardson, 107 Cleveland St., Pullman, says: "Kidney trouble came on me with dizzy spells and pains in my back. I knew that my kidneys were at fault. Another of my family had told me of the great benefit she had had from Doan's Kidney Pills, when suffering from kidney weakness and she advised me to try them. I did, and got splendid results. Doan's Kidney Pills helped me from the first. The pains and splitting headaches left me and my health improved in every way."

Oiliness

Without "oiliness" any lubricant would be worthless. You can feel the oiliness of Zerolene by pouring a little on a piece of glass and rubbing it around with your finger. Oiliness is in reality the molecules of the oil rolling over each other—miniature ball bearings as it were. Thus when you use a good oil like Zerolene the wearing surfaces of your engine roll over these "ball bearings" instead of rubbing together. Dealers everywhere.

I RULE FOR THE REAL TOBACCO CHEW AND YOU'LL FIND IT TO BE YOUR MOST POPULAR DECISION

THE UMPIRE EXPLAINS TO THE GOOD JUDGE

GO right to your dealer and get a pouch of "Right-Cut"—the Real Tobacco Chew.

It will give you better satisfaction than the old kind and last you longer and taste better.

It's a new blend of mellow, sappy leaf—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it's the Real Tobacco Chew. That's why it costs less in the end.

It's a ready chew, cut fine and short ahead so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.
