

One of the largest and most complete X-Ray equipments outside of Spokane, Washington, has recently been installed in the office of Dr. Matthew J. Beistel. Dr. Beistel will do all varieties of X-Ray picture and fluoroscopic work of any part of the body, specializing in Stomach and Intestinal Diseases. He has also recently installed a large Electric Light Bath Cabinet in the Rose Park Hospital for the treatment of Rheumatism, Neuritis and similar diseases. Special treatments for the Eye, Ear, Nose and Throat. Glasses properly fitted.

Office in the Pullman State Bank Bldg., Pullman, Wash.

COLLEGE DEPUTATION VISITS GARFIELD

State College Students Mingle With Garfield Boys—Defeated at Baseball but Accomplished Good

The college Y. M. C. A. deputation team, composed of Clarence Zimmerman, Roy Bohler, Homer Mathews, Forrest Murdock, Benton Bangs, William Cole, Phil Dix, William Beardsley and J. R. McCurdy, spent the week-end at Garfield. The object of the trip was to stimulate the young men and boys to clean Christian living and to have the college men realize how much influence they exert on younger men and boys.

Bangs, Zimmerman and McCurdy went to Garfield on the noon train Friday and Bangs spoke to the high school on "Clean Athletics," Zimmerman speaking to the grade schools. During Friday afternoon Zimmerman and Bangs watched the high school track team work out and in the evening, after the rest of the members arrived, an entertainment was put on in the Presbyterian church. The quartet, consisting of Messrs. Cole, Beardsley, Mathews and Murdock, gave several selections. Trombone duets by Beardsley and Mathews, a reading by Cole, and short talk by Zimmerman were part of the program. After the program the team members enjoyed the opportunity of meeting and talking with the people they had entertained. Saturday morning about 40 boys hiked to the river where fires were built and "weinies" roasted for lunch, after which there were stories told and Zimmerman talked to the boys. As soon as the hike was finished the college men, under the leadership of Roy Bohler, who held down the pitcher's box, played the town team a game of baseball and were honorably defeated by the score of 6 to 1.

At 7:30 p. m. a meeting was held in the Methodist church and the following men spoke: Bohler, "Playing the Game"; Murdock, "Opportunities for Service"; Zimmerman, "Character"; and Dix, "The Need of Christ in a Boy's Life." Murdock sang a solo and the quartet gave one selection at this meeting.

On Sunday the deputation team split up into pairs and visited the

various Sunday schools and church services. The quartet sang at all four services in the morning. In the afternoon at the Methodist church all of the members of the team spoke to the young men and boys on "What It Means to Me to Be a Christian." Trombone duets were again given by Beardsley and Mathews.

Sunday evening the churches of the town combined and had two union services: one for the men at the Christian church and one at the Nazarene church for the women. Regent R. C. McCroskey presided at the men's meeting and J. R. McCurdy spoke. The members of the deputation team all felt that the trip was worth while and were agreed that they would like to go again. Two very definite results were apparent as a result of the trip. The people in Garfield were pleased to realize that college men are interested in trying to help the boys of this section of the state to higher ideals of life and the college men were happy over the response that their efforts called forth.

The deputation committee under the direction of its chairman, Clarence Zimmerman, is planning three or four more trips before college closes. One of these trips will be to Colfax. Just where the other two will be has not been definitely decided upon.

PHI DELTA THETA WILL ENTER W. S. C.

Little Doubt That Local Fraternity Will Be Granted Charter by National Organization

Enoch Torpen, Victor Stevens, Walter Gordon, Homer Martin, Willie Reed, and L. E. Swanson, who were delegates from the local Delta fraternity, and Dr. E. T. Patee, Phi Delta Theta, Kansas Beta Chapter, returned from Seattle Monday, where they had been in attendance at the fourth biennial convention of Kappa Province of Phi Delta Theta fraternity.

The friends of the local Delta fraternity will be glad to learn that it was granted the endorsement of Kappa Province of Phi Delta Theta. This action places the local petitioning organization in a position to go before the national convention of the fraternity at Atlanta, Georgia, with the certainty of being granted a charter.

The local Delta fraternity was founded in the year 1911 by the following local men: Milton Newhouse, Tabor LaFollette, Victor Hyslop, Henry Doelle, Hilary Donahue, C. F. Holmes, Max C. Bartlett, Ben Brown, E. T. Love, Dale Strong, and Prof. Ashby, who is a member of Phi Delta Theta. The standing of its members has always been high.

The national fraternity of Phi Delta Theta is among the strongest organizations of its kind. The fraternity was founded by six men at Miami university in 1848 and it now has 79 chapters and some 20,000 members.

The monthly social session of the W. S. C. T. U. will be held Tuesday afternoon, March 28, at the home of Mrs. Ageton, 601 Grand street, at 2:30 o'clock. All friends are cordially invited to attend.

W. E. Hanson, state bank examiner, is greeting his old friends and taking in the inauguration exercises.

O. F. Russell, who left Pullman 21 years ago, arrived with his family last Saturday from Tacoma and expects to again make his home here.

Mrs. C. D. Martin returned Friday from Spokane.

Councilman W. C. Kruegel acted in the dual capacity of councilman and city clerk at the meeting of the city dads Tuesday evening, City Clerk Mrs. Gannon being absent from the city.

Mrs. O. E. Draper and Mrs. D. R. Campbell entertained a large number of friends at a reception last Friday afternoon at the Draper home.

C. L. MacKenzie, Wm. Fudge and Wm. Sutherland of Colfax were in Pullman on business last Tuesday.

Mr. and Mrs. C. A. Bengaman of LaGrande, Ore., are visiting Mr. and Mrs. F. M. Slagle.

The Dimici Sci club will serve hot 10-cent lunches at the high school every Friday noon.

The second of a series of concerts to be given by the Uniontown public school band will be at Johnson, Wash., on the night of April 7, 1916. The boys will give the public some very classical music, consisting of solos, quartets and other numbers by the entire band. Director Thompson expects to make quite a hit with the boys.

The council Tuesday evening denied the petition of H. H. Curtis and Mrs. Matilda F. Gannon for the vacation of certain property on Methodist hill.

BELOVED MATRON ANSWERS LAST CALL

Mrs. Sarah E. Woods Passed Away Last Saturday at Family Home East of Pullman—Ten Children Survive

Pullman lost one of its most beloved matrons and the state of Washington an esteemed pioneer in the death last Saturday of Mrs. Sarah E. Woods, widow of the late David H. Woods, which occurred at the suburban family home, about one and one-half miles east of Pullman. Mrs. Woods has been an invalid for several years, but three weeks ago her condition grew more serious and she passed away Saturday morning, leaving a family of 19 children and hundreds of friends to mourn her death.

Sara Ellen Rose was born in 1849 and on August 19, 1864, she was united in marriage to David Hopkins Woods, in Shelby county, Illinois. In 1884 the family emigrated from Illinois to Washington territory, locating at Walla Walla, where they spent one year, then removing to Garfield county, near Pomeroy. The family came to Pullman in 1898 and have since resided on the farm east of Pullman. Mrs. Woods was 67 years of age at the time of her death.

Deceased is survived by 10 children, her husband having passed away in February, 1914. The children are Mrs. W. B. Eakin of Spokane, John William Woods of Alaska, Dr. Benton S. Woods of Seattle, Mrs. J. D. Meemach of Seattle, Miss Muzetta Woods of Pullman, Elmer Tilden Woods of Pullman, Neva Delores Woods of Pullman, Tony Herrick Woods of Harrington, Mrs. D. R. Burnham of Pullman, and Guy Woods of Montana.

Funeral services were held from the home Sunday afternoon, the Christian Science service being conducted by Mrs. E. H. Babcock. A large number of friends paid their final respects and the beautiful floral tributes attested the high esteem in which deceased was held. Interment was in Fairmont cemetery, south of Pullman.

THE GREAT DIVIDE

Under the direction of Edgar Lewis, the newly engaged producer for the Lubin company, the company numbering 16 with camera men, carpenters, and guides were quartered at the bottom of the Grand Canyon of Arizona for more than four weeks in the taking of the remarkable exterior scenes of the production. "The Great Divide" is heralded as one of the most expensive productions which has been produced by any of the makers of motion pictures and it abounds with thrill upon thrill. Manager E. F. Emmick of the Grand theatre has booked "The Great Divide" as the picture attraction for Monday, March 27—shown matinee and evening.

MRS. GEORGE GRIMES CALLED BY DEATH

Esteemed Pullman Lady Succumbs at Family Home Wednesday Afternoon—Funeral Services This Afternoon

Another esteemed Pullman matron was called to the great beyond Wednesday afternoon when Mrs. George C. Grimes succumbed to an illness of several months duration at the family home on Morton street, aged 34 years, two months and nine days. Mrs. Grimes had been ill for six months and for the past three months, following a paralytic stroke, her condition had been considered serious, the disease attacking her heart. Her heart failed at 1:00 o'clock Wednesday afternoon and Pullman had lost a devoted wife, a loving mother and a highly esteemed citizen.

Funeral services will be held from the Kimball parlors at 2:30 tomorrow afternoon, in charge of the Rev. C. H. Harrison of the Federated churches.

Maud M. Burnette was born at Brownsville, Nebraska, January 13, 1882, coming later to the state of Washington with her parents. On August 17, 1904, at Asotin, she was united in marriage to George C. Grimes, and the couple came to Pullman, where they have since resided. Besides the husband, four children survive, two boys and two girls. The children are Kester, aged 11; Burnette, aged 9; Georgia, aged 7, and Kermit, aged 5.

Mrs. Grimes had for many years been a member of the Baptist church and at Asotin was affiliated with the Rebekah lodge. She leaves hundreds of friends who mourn her untimely death.

Mr. Grimes for several years has been employed as head janitor for the college buildings, and has the heartfelt sympathy of his many friends in his crushing bereavement.

A WEEK OF BIG SHOWS AT THE GRAND THEATRE

The week beginning March 27 will be a very unusual one for theatre goers of Pullman. More big attractions have been booked at the Grand theatre for six consecutive days than has ever been assembled in any three months before. On Monday the feature picture will be "The Great Divide," a high class feature that was run for one week at the opening of the Colestine theatre in Seattle. On Tuesday two triangle features will be run, "The Penitents," a five-reel drama of an unusually high class will be shown along with the Keystone comedy, "The Hunt." This is the first comedy featuring Ford Sterling since he joined the Keystone fun makers. In addition to the regular picture program for Monday and Tuesday Punch and Jones' Black and Tan Negro minstrels will present their well known minstrel program.

For Wednesday and Thursday the Triangle feature, "The Edge of the Abyss," a three-reel Griffith drama featuring Mary Boland, Willard Mack and Frank Mills will be run with the Keystone comedy, "The Submarine Pirate." Syd Chaplin, a brother of Charlie Chaplin, plays the lead. This picture ran for one week at the Liberty theatre in Spokane to packed houses. This picture is far ahead of anything that Mack Sennett has ever done before.

On Friday "The Craving" will be shown for one day. William Russell plays the lead in this picture. The Washington State College football team formed the background for a very successful college drama. This picture recently enjoyed a week's run at the Colonial theatre in Seattle. This picture has a special interest for Pullman picture fans as more is seen of our champions than in any other football picture yet shown in Pullman. On Saturday "The Battle Cry of Peace" will be shown on a return date. This picture needs no boosting; the record attendance at the Grand theatre on the first engagement leaves no doubt of the quality of the Saturday attraction. In order to give all a chance to see the shows a matinee will be run every day at 3:30 p. m.—Adv.
