5. Always use an L on every pole.
6. Do the work thoroughly the first time over, but do not fail to repeat at once if you are not satisfied with your spraying.

To provide a systematic and absolutely safe plan for the investment of savings, and to aid its members to acquire homes of their own is the object of the Pullman Savings and Loan Association. The Association is in every sense a HOME institution.

Who It's For

It is for the Practical Man, who realizing the uncertainties of business and health, and of the folly of spending all his money as fast as he gets it, provides for an emergency.

It is for the Prudent Woman, who out of her earnings or allowance, desires to put away a little money, monthly, where it will be securely and profitably invested, and give her the least trouble and where she can get it when needed.

It is for the Young Man possessing the manhood and determination to save something every month from his earnings as a reserve fund, to draw on when sick or out of a position, for providing a home or for a start in business.

It is for Boys and Girls, to help them to be economical and industrious and to encourage them to acquire the habit of saving, provide a fund to educate them and to make them independent.

It is for Societies, Fraternal and Other Organizations wishing to invest their income for the purpose of creating a reserve fund, or for building.

It is for all Seeking a Home or who want to improve their property, or pay off a mortgage or to provide a fund for any other worthy purpose.
