ORDER MAXWELLS FOR AFRICAN USE

William Campbell, agent for the Maxwell Motor company, Inc., of Detroit, for the whole of South Africa, was a visitor at the main offices of the company last week and brought with him the news that the Maxwell dealer in Johannesburg has just filed an order for 50 touring cars, the order being placed by the government buyer. This news was contained in a cablegram received by Mr. Campbell in New York just before he took a train for Detroit.

These 50 cars are now being delivered from stock and will be used for transportation purposes in the war under General Smuts in German East Africa. This order was placed by the government buyer after a careful investigation of the entire field and after testing other makes he satisfied himself of the sturdy character and low after-cost of the Maxwell product.

Another of the vital elements that led to the selection of the Maxwell for this severe military service is the enviable record for low consumption of petrol the car has made in the South African country. This is a more important item in South Africa than it is even in the United States. Mr. Campbell says that fuel in Johannesburg now sells at 78 cents a gallon.

At the evening service at 8:00 o'clock there will be a special program under the auspices of the C. W. B. M. of the church. The minister, Clark S. Thomas, will preach at the morning service at 11:00 o'clock on the subject, "Can Miracles Be Performed Today?" This sermon is the third in the series, "Some Bible Doctrines Wrongly Presented."

Rev. C. H. Harrison will preach Sunday morning.

AVENGING CONSCIENCE

"Avenging Conscience" is my supreme achievement. It is a greater picture than my "Birth of a Nation." It is two years ahead of its time.

So writes D. W. Griffith of his masterpiece in six reels, which will be at the Grand theatre next Monday and Tuesday, September 2 and 3.

In the picture is perhaps the most notable cast ever assembled in any one picture, including Blanche Sweet, Henry B. Walthall, Mae Marsh, Robert Harron, Ralph Lewis, George Siegman, Josephine Crowell and Spottiswoode Aitken—in fact, the entire cast of "The Birth of a Nation," with the addition of Miss Sweet.

The wonders of film production have been taxed in producing "Avenging Conscience," and it is for this reason that Mr. Griffith declares it is two years ahead of the day. From many standpoints it marks an entirely new era in motion picture photography.

The showing of "Avenging Conscience" in Pullman will be a notable one.

A FIRST CLASS SHOW

Cooper Bros. show will visit Pullman tomorrow, September 2, for two performances. With each successive season one looks forward to the visits of the various tented aggregations that travel the country for the amusement of the people and no show is ever more heartily welcomed than Cooper Bros. They have made a reputation for themselves by giving the people a good high class entertainment which appeals to all as interesting, amusing and instructive. Everybody loves horses and ponies. More especially does this apply to the ladies who, with the little ones, are the most loyal patrons. They are assured of the highest form of entertainment free from everything at all calculated to offend the most sensitive. In addition to the trained animal features, Cooper Bros. have the very best of lady and gentlemen performers. The performing elephants and rare wild beasts, Barty Buntz, the cute little baby elephant, the good night pony, together with the many prancing ponies in military drills and marches are especially pleasing to the little ones. The funny clowns, the many beautiful lady artists, the feature acts by the world's greatest gymnast, Mlle. Roberts, in her death-defying act in mid-air, the like of which has never been witnessed, will live long in memory when many other shows have faded away into forgetfulness. Don't fail to see the grand free street review. Two complete performances daily.
