

THE PULLMAN HERALD

Devoted to the best interests of Pullman and the best farming community in the Northwest surrounding it.

PULLMAN, WASHINGTON, FRIDAY, SEPTEMBER 8, 1916

NUMBER 47

FARMERS, BANKERS HERE OCTOBER 6-7

Biggest Delegation of Visitors in
Town's History Will Be Enter-
tained by City and College—
Chamber of Commerce
to Help

On Friday and Saturday, October 6 and 7, Pullman and the State College will entertain the biggest delegation of visitors in the history of the town, when between 500 and 700 farmers and bankers from all parts of the state will be the guests. Every bank in the state will be asked to send a representative and to pay the expenses of three or more farmers of its territory. All the railroads have granted special rates for the occasion and indications point to a highly successful gathering. The visitors will arrive in Pullman Friday noon to remain until Saturday evening. The sleepers on the specials will accommodate only a part of the delegation and quarters will have to be provided for 200 or more. The evening meal of Friday and the Saturday noon meal will be served in the gymnasium at the college, one of the meals to be provided by the college and the other by the chamber of commerce. It is estimated that the cost to the chamber will be in the neighborhood of \$125, and this amount will be raised by subscription among the business men, this subscription and that for the boys' and girls' club fair to take the place of the usual hog show contributions, the hog show being abandoned to make way for the other attractions.

Plans for the big excursion were perfected at a meeting held in Spokane last Saturday. Anent the meeting the Spokesman-Review of Sunday had the following to say:

A farmer-banker convention, the second in the United States, will be held at the Washington State College, Pullman, October 6 and 7. At a meeting at the Davenport hotel yesterday of bankers, State College representatives and representatives of four railroads plans were perfected for the convention.

In addition to the railroad men E. E. Flood, assistant to the president of the Exchange National bank, who acted as chairman; G. W. Pedcord, president of the Bank of Colville; F. W. Shultz, president of the Commercial Bank and Trust company of Wenatchee; F. C. Forrest, cashier of the First National bank of Pullman and president of the Pullman Chamber of Commerce; E. O. Holland, president of Washington State College; Profs. C. A. Isaacs and O. L. Waller, Washington State College; and W. E. Hanson, state bank examiner of Olympia. Concessions from all railroads of a fare and a third for the round trip from any point in the state to Pullman and return were announced. Chairman Flood estimated the number of farmers to attend the convention at 1000.

The sub-committee in charge of the program reported that addresses would be given by Louis W. Hill, president of the Great Northern railroad; N. B. Coffman, Chehalis; Scott C. Bone, editor of the Seattle Post-Intelligencer; Joseph Swallow, vice president of the National Bank of Commerce, Seattle; Ralph Stacey, president of the National Bank of Tacoma and of the Washington Bankers' association; A. L. Rogers, Oroville; G. W. Dodds, managing editor of the Spokesman-Review; and W. H. Paulhamus of Puyallup.

The entertainment features in Pullman will include a banquet and luncheon on the campus, music and athletic program at the college, live stock show, and the Varsity-Alumni football game.

Wisconsin is the only state in which a similar convention has been held.

"We aim," said Mr. Flood last night, "to help break down the apparent bars between the bankers and the farmers and bring these two elements of the country's prosperity closer together. The greater acquaintance ought to be valuable to both."

Dolph Coolidge and C. L. MacKenzie, Colfax bankers, were Pullman visitors Monday.

GRAIN MARKET IMPROVES

Following the cessation of strike activities by railway employees the grain market again assumed its upward flight and yesterday had recovered all the ground lost in the sensational decline due to the expected strike. Wheat again touched the season's high mark yesterday and still great advances are expected. The markets have been very quiet during the past 10 days, and little selling has been reported. Yesterday's quotations were as follows:

Red Russian wheat\$1.12
Club wheat\$1.15
Fortyfold wheat\$1.17
Oats, per cwt.\$1.25
Barley, per cwt.\$1.60

1028 QUALIFY FOR TUESDAY'S PRIMARY

Rush During Last Few Days Adds
Many Names to Registration
List—Precinct 64 Has
Most Voters

A total of 1028 voters in the four city precincts qualified themselves for participation in the primary election of next Tuesday prior to the closing of the registration books last Friday evening. Many names were added during the last few days. City Clerk M. F. Gannon being kept busy registering the eleventh hour electors. The books showed a total of 1045 names, but 17 of this number were persons who have transferred since registration or whose registration was not completed. The registration by precincts is as follows:

Precinct 41—261.
Precinct 51—277.
Precinct 64—313.
Precinct 72—177.

During the last day of the registration period 49 voters affixed their names to the books, 58 were registered August 31, 27 on August 30 and 38 on August 29.

The polling places for the various wards will open at 11:00 o'clock Tuesday morning, to remain open until 8:00 o'clock that evening, but all voters who are in the polling places at the closing hour will be given an opportunity to cast their votes after that time.

MOVIE HOUSES MUST PAY ADDED LICENSE

City Council Passes Ordinance Imposing Heavier Tax on Theatres.
Vendors, Peddlers, Circuses
Also Hit

Pullman's "movie" houses must hereafter pay license fees of \$25 per quarter instead of \$10 as at present, action to this effect being taken by the city council Tuesday evening when Ordinance No. 328, fixing the license fees to be paid by various enterprises, was passed with only one dissenting vote. Councilman J. N. Scott registered his opposition to the measure, contending that the added fee for the "movie" houses is exorbitant and unreasonable.

Under the terms of the ordinance, which is comprehensive in scope, pawnbrokers will be forced to pay a license fee of \$25 per quarter, transient auctioneers \$2.50 per day, circuses or menageries \$20 for each performance, or a fee of \$25 for each performance for a circus and menagerie combined. Side shows charging separate admission fee must pay \$5 for each performance, while a license fee of \$5 per day must be paid on all cane racks, knife racks, "nigger baby" racks, peddlers and itinerant vendors of retail merchandise. The license for hawkers or fakirs is placed at \$10 per day, and the same amount must be paid by street vendors of medicines. Skating rinks will be assessed \$10 per quarter or \$2.50 per day, and concerts, exhibitions and tent shows must pay \$2.50 per day. Even the merry-go-round man must dig up, his license fee being placed at \$1 per day.

WHITMAN COUNTY CLUB FAIR IN PULLMAN SEPTEMBER 15-16

Substantial Prizes Offered for Winning Boys
and Girls—Several Will Go to State Fair
at North Yakima—Rules of Contest.

The first annual exhibit of the work of the national boys and girls clubs of Whitman county will be held in Pullman September 15-16. The exhibit will be housed in the big hog show tent and the business men of Pullman will be called upon to subscribe the necessary funds to pay for the running expenses and prizes. Premium lists have been issued, setting forth rules governing the exhibit and the premiums offered. They are as follows:

Rules Governing Exhibits

1. Every boy and girl in Whitman county under 19 years of age is eligible to exhibit at this fair.
2. All exhibits must be the product of the exhibitor. The fair committee may require a certified statement if there is any doubt as to the exhibit being the product of the exhibitor.
3. All exhibits must be entered on or before September 15, 1916.
4. Any boy or girl in Whitman county under 19 years of age may enter the canning contest, corn judging, potato judging or stock judging contests.
5. Three best in canning, two best in stock judging and the one winning first prize in cooking will represent Whitman county at the State Fair at North Yakima.
6. Those exhibiting the best hill of potatoes must have two witnesses (not relatives) certify that the exhibit contains potatoes from only one hill.

Rules Governing Contest in Canned Vegetables

- (a) State on label pasted on face of each variety:
- (1) Method of cooking.
- (2) Length of time cooked.
- (3) Kind of utensils used.
- (4) Ingredients.
- (5) Cost—in time and money.
- (b) All exhibits shall be judged by the following score card:

Quality 80
Flavor 50
Soundness and ripeness 30
Appearance 10
Color 5
Size 5
Cost 10
In money 5
In time 5
 100

Rules Governing Contest in Canned Fruits

- (a) State on label pasted on face of each variety:
- (1) Method of cooking.
- (2) Length of time cooked.
- (3) Kind of utensils used.
- (4) Ingredients.
- (5) Cost—in time and money.
- (b) All exhibits shall be judged by the following score card:

Quality 80
Flavor 50
Soundness and ripeness 30
Appearance 10
Color 5
Size 5
Cost 10
In money 5
In time 5
 100

Rules Governing Contest in Bread Making

- (a) It is suggested that a recommended bulletin on bread making be read carefully prior to entering the contest.
- (b) The flour used shall be any brand produced in the Northwest.
- (c) Treat the crust with milk or water, but not with oil of any kind.
- (d) The exhibits shall be judged according to the points listed on the following score card:

Texture 45
Grain 20
Lightness 15
Crumb 10
Flavor 35
Crust 10
Tenderness 4
Depth 3
Texture 3
Appearance 10
Shape 4
Color 4
Size 2
 100

Rules Governing Contest in Cake or Cookie Making

- (a) The cake must be plain foundation cake without icing.
- (b) The recipe should accompany the cake.
- (c) The flour used shall be any brand produced in the Northwest.
- (d) The exhibit shall be judged according to points exhibited on the following score card:

Flour 50
Texture 30
Grain 15
Lightness 15
Appearance 10
 100

according to points listed in the following score card:

Rules Governing Contest in Canned Fruit

- (Berries—strawberries, loganberries, raspberries, blackberries)
- (a) State on the label pasted on jar:
- (1) Method of cooking.
- (2) Length of time cooked.
- (3) Kind of utensils used.
- (4) Strength of syrup used.
- (5) Cost—in time and money.

Score Card for Canned Fruits

(Continued on page five)

BRYAN RALLY MONDAY NIGHT

A big rally for Enoch A. Bryan of this city, candidate for the republican nomination for United States senator, will be held on the streets next Monday evening, the night before the primary election. Dr. Bryan himself will speak, as well as several others, and efforts will be made to insure a full vote for the primary. It is expected that Dr. Bryan will receive the biggest vote ever cast for a single candidate in Pullman.

State Auditor C. W. Clausen has directed the city council to add the sum of \$70 to its budget of expense for 1917 to cover the cost of examining the city books and records by the state bureau of inspection.

PULLMAN BOY IN CONCERT WEDNESDAY

Theo. Karle, Now Noted Tenor, Will
Appear Before Pullman Audience
Under Auspices of Citizens
Band

The music recital by Theodore Karle, the former Pullman boy, will be given next Wednesday evening, September 13, in the college auditorium. The recital is given under the auspices of the Pullman Citizens band and the noted tenor is brought to Pullman under a heavy guarantee. Unusual interest attaches to the event, inasmuch as the singer is well known here, being the son of Mrs. A. B. Ford, formerly a resident of Pullman. The tenor will be assisted by Edgar Sherwood, pianist, of Spokane. Tickets to the attraction will be placed on sale Monday.

Among the numbers sung by the world-famed tenor at the Pullman concert will be "Eleanore," "Autumn Song," "My Heart Shall Be Thy Garden," "Aria Celeste Aida," "The Crying of Waters," "The Time I've Lost in Wooing," "Care Selve," "Moon of My Delight," "Mavis," "Im Zitternden Mondlicht," "When the Camas Blooms Again." Aside from these numbers Karle will sing a cycle of three Indian songs from "The Garden of Kama," including "Starlight," "Just in the Hush Before the Dawn," and "This Passion Is But an Ember."

HIGH SCHOOL GRIDIRON WORK BEGINS MONDAY

Football Hampered by Lack of Athletic Field—Good Material at Hand Indicates Strong Team

The football season for Pullman high school will begin next Monday, September 11, when Coach Savage will issue his first call for candidates. Considerable delay and difficulty in starting the football training was occasioned by the fact that, through the abandonment by the chamber of commerce of its lease on the Mrs. Koppel property, east of the city park, the high school squad is left without an athletic field. Preliminary training will start in earnest, however, in anticipation of the securing of adequate training and playing grounds before the season is far advanced.

Notwithstanding the difficulties encountered, Coach Savage and Captain McIver expect to have a strong team lined up when the whistle blows for the first game of the season, with Palouse, the latter part of this month. The old men who will be back in the game to form a nucleus for the team include Captain McIver, Miller, Glover, Shirk, Nash, Barclay, George, Lingg and Stone. The new material, while not yet tried out, looks better than usual. While the complete schedule has not yet been arranged, it is expected that games will be played with Palouse, Colfax, Tekoa, W. S. C. Preps, Lewiston and Walla Walla. Suits and lockers will be assigned to the candidates Friday evening.

Basket ball prospects also look bright, all of last year's winning players having returned to school.

BIG ENROLLMENT IN LOWER GRADES

Many High School Students Are
Working in the Harvest Fields,
but Will Enroll Later

The Pullman public schools opened Tuesday, September 5, with the following enrollment:

Edison School
Miss Brown—Grade One, 23.
Miss Williams—Grades Two B and Three B, 38.
Miss Votaw—Grades Four B and Five B, 36.
Miss Baird—Principal—Grades Five B and Six B, 30.
Total, 127.

Main School
Mr. Schroder—Principal—Grade Eight, 36.
Miss Core—Grades Seven A and Seven B, 30.
Miss Murray—Grade Seven B, 36.
Mrs. Flagg—Grade Six B, 34.
Mrs. Clyde—Grades Five A and Five B, and special students, 23.
Mrs. Skidmore—Grades Four A and Five B, 34.
Mrs. Thompson—Grades Four B and Three A, 37.
Miss Stark—Grades Two A and Three B, 36.
Mrs. Kennedy—Grades Two B and One A, 42.
Miss Trout—Beginners, 35.
Total, 343.
Grand total grade enrollment, 470.

High School
History—Mr. Lacey, principal.
Domestic Science—Miss Inez Armstrong and Miss Gladys Waller.
Mathematics and Physics—Mr. Kennedy.
Manual Training—Mr. Hevly.
English—Miss Davis.
German and Latin—Miss Davidson.

Commercial Department—Miss Mallette.
Botany, Agriculture and Coach—Mr. Savage.
Music—Mrs. Hulscher.
Total high school enrollment, 150.
Enrollment in all grades and high school, 620.

The high school enrollment is smaller than usual at this period of the year, owing to the large number of larger boys who are still in the harvest field. The increase in the grades below the high school more than make up for the loss in the high school. At the close of the first month of last year the grand total enrollment for the schools was 640. All indications are that the enrollment will be much larger this year than last. The primary department of the main school is especially crowded. All beginners should enter before October 1 as none will be admitted after that date in grade One B. No child under six can be enrolled in the schools.

ASKS \$1000 DAMAGES
Claiming that his property on Maiden Lane was damaged to a large extent through the new grade established by the city when the Maiden Lane paving was laid, T. J. Ellis has demanded damages in the amount of \$1000 in compensation. The petition from Mr. Ellis to the city council, which has been turned over to the city attorney and will be acted upon by the council later, was as follows:
"In grading and paving Maiden Lane you raised the grade of the street in front of my property, to wit, lot 4 in block 7, Reaney's addition to Pullman, more than three feet above the grade that had been established and on which I had erected the buildings on my lot, and my property has been damaged \$1000 by the raising of said grade. I therefore demand that the city pay to me the damage sustained to my said property, arising from the raising of the grade on said street."

PULLMAN DAY WEDNESDAY

Next Wednesday is "Pullman Day" at the Whitman County Fair at Colfax and a large number of Pullman citizens will journey to the county seat to assist in making the annual event a success. A committee from the chamber of commerce has been appointed to arrange a Pullman exhibit for the fair.

Typewrite to Phonograph Music

High School Adopts Novel Method of Teaching Typewriting—To Induce Easy Motion of Wrist and Hand

A departure from the ordinary methods of teaching typewriting will be found in the new and somewhat novel method adopted by the Pullman high school this year, when a phonograph and records were installed in the commercial department, under the supervision of Miss Gertrude Mallette, and the students will practice to the tunes emitted by the musical instrument. In explanation of this movement on the part of the commercial department, Miss Mallette said:

"There is nothing new in the basic idea of working to music. The United States navy has for years coaled ship with the band playing, and there are a thousand and one other connections in which the value of rhythm has been demonstrated.

Our purpose is using the phonograph in the typewriting room is first of all to induce an easy movement of the wrist and hand, after that to secure a light touch, and finally to assist the student in achieving that degree of speed without which typing is useless. Eastern commercial schools have been using the phonograph in the typewriting rooms for some time, and the value of the method has been demonstrated beyond any possibility of doubt."

The idea is fast becoming popular in the larger educational institutions and phonographs will be installed this year in the commercial department at the State College. The Pullman high school enjoys the distinction of being one of the first, if not the first, high schools in this state to adopt this method of teaching typewriting, and that the system is popular with the students is indicated by the fact that the typewriting class is already filled almost to capacity, there being room for only six additional students in the classes.
