SPELLING CONTEST FOR GRADE SCHOOLS

County School Superintendent Bushey has sent out the following letter to the grade school teachers of the county, pertaining to the county-wide spelling contest:

"I wish to call your attention again to the county-wide spelling contest, which will be conducted this year and to urge that every Sixth, Seventh and Eighth grade teacher take active interest in this work. If you read the bulletin sent out earlier in the year, you understood that the time spent upon the regular spelling lesson during the year will fit pupils to enter this contest since the lists of words selected are the regular spelling lists in the Merrill speller.

"Arrangements have been made whereby a gold watch will be offered for first prize in the county contest and a Eastman Kodak for the second. Both of these prizes will be suitable for a boy or girl. I have received many interesting letters from teachers and district chairmen, announcing their intention of taking part and stating the prizes to be offered locally.

Schools entering the contest will first hold a local spelling match, the winners to represent the school in a sectional contest to be held at some central point two weeks before the teachers' institute. The winners in the sectional contests will meet in the final test during institute week next April.

The Women's Guild of the Episcopal church will hold a sale of useful and beautiful articles for Christmas in the Palace hotel dining room Saturday afternoon, the 9th.
