

BOYS AND GIRLS ON TRACK AND FIELD

Second Annual Playground Track Meet Results in Good Records
—Meet Well Managed

The young ladies of the playgrounds classes at the State College entertained the youth of the city last Saturday on Rogers field in the second annual playground track meet. Many boys and girls were on hand to compete in the events in the different divisions and competition was keen in practically all of the events. The meet was well managed and was run through with dispatch under the direction of Miss Marion Swezey, physical director for women at the college.

The winners in the numerous events, with the records established, are as follows:

STATE FEDERATION OF WOMEN'S CLUBS

To the Club Women of Washington: Two questions are still asked concerning the State Federation endowment fund: First, when and how was it created? The General Federation of Women's Clubs adopted the endowment fund plan in 1910, \$100,000 the amount, assessing each state federation proportionately to its strength. Washington's share was \$1000, but the clubs raised \$1261, and at the 1913 convention, Ellensburg, following the lead of the

General Federation and other state federations, it was decided to use the surplus \$261 to establish a state endowment fund with \$13,000 the amount, selected because of the year and for "good luck."
Second question, the need and purpose of the fund?
The regular income of the federation derived from dues of the member clubs has permitted financing the routine work, but nothing beyond this. On the other hand, the work and scope and demands upon the federation have been constantly increasing. Also, the vision of the club woman has been broadening; she

sees possibilities not only of the present but of the future; glimpses development of cherished and valuable plans, some in embryo, some ready for action. But, the income has not kept pace with all this and, being practical, a way had to be found to meet the situation, to keep step with progress. Result, the endowment fund which is to be placed on interest, the interest alone to be used. The present earning of the fund is added to the principal—to hasten completion of the fund. A payment of \$25 entitles to the honor roll for the current year, while \$100 gives a place on the permanent

Founder's Roll. The committee hopes to report at the convention next month, North Yakima, that the fund has materially increased this year; also, to dispose of all remaining "Club Stories."

BIG MUSICAL COMEDY
COMING TO PULLMAN
"September Morn," the whirligig musical delight from the LaSalle opera house (Chicago), comes to the

Theatrum Wednesday night, June 6, with the jolly comedian, William Moore, always a welcome entertainer and associate with this brilliant fellow of nimble legs and funny faces are many happy comedy players, including Maud K. Williams, Ruth Wilkins, James Baber, J. J. Patton, Billy Murphy, Leslie Jones, and other talented principals who help to keep the fun moving at a rapid fire pace. The company numbers nearly 50 and the pretty chorus of girls have much to do with "putting over" the tuneful jingles and attractively arranged ensembles. The dances are many and have to do with the famous tan-

goes and graceful hesitation waltz movements, which are the rage of the leading music halls and cabarets. "September Morn" is a musical jingle of tangos, comedy and joy, and Ruth Wilkins, "The American Gaby Deslys," is a hit as "Argentina" in this big fun show.
The producers, who have a long string of theatrical successes to their credit, have given this delightful success an extremely elaborate mounting, both in regards to scenic effects and costuming.
