"The Best Glove for Least Money"

This has been the effort of the Hansen Company for over a quarter of a century, and here is the result.

In every point exactly built to enable you to work with maximum freedom of fingers and wrist, with greatest possible protection against heat, steam and injury.

Gloves cost more than formerly. Don't begrudge paying this difference. The products you raise, and the work you do bring more money. Your hands are your fortune and deserve the protection of a Hansen.

A glove for every purpose.
