

California

The very name means color, and beauty, and romance, and boundless charm. A very world of sunshine, fruit and flowers, where just to live is wonderful. But California offers a great deal more—out-door sports of every kind, boulevards, beaches, orange groves, missions, an array of places to visit and things to do equaled nowhere else in the wide world. A new, and a broader view of life is granted those fortunate ones who visit California.

FOOTBALL STAR TAKES A BRIDE

Basil B. Doane, star fullback on the State College football team, played his last game as a single man against Montana last Sunday. Less than an hour after the game, in which Doane was a potent factor in piling up 28 points against the Montana gridiron artists, the fullback took as his bride Miss Gladys Marks, a charming Spokane girl. The ceremony was performed in Holy Trinity church by the Rev. James A. Palmer, rector. The mother of the bride and a few intimate friends attended the nuptials, which came as a complete surprise to Doane's friends and teammates. Mr. Doane returned to Pullman with the team Sunday morning and will be joined by his bride in Seattle Thanksgiving day, when the State College pigskin chasers close the season against Washington University.
