EWARTSVILLE

J. S. Klemgard lost a valuable mare one night last week. She seemed to be well when fed at night, but was found dead in her stall the next morning. Her mate, standing in the same stall, was very sick, but recovered. The cause of death is unknown.

Reade Young received his call last week and left on Tuesday for Fort Lawton. He will later be sent to Camp Cody, Pennsylvania. He enlisted a short time ago in the tank corps and did not expect to receive his call until October 1. With his going the neighborhood loses one of its finest young men, but he is to be congratulated on his patriotism, and his ability to enlist in this part of the service, as a severe test was given to those wishing to enlist in it. Last year his father, H. J. Young, had a sale and turned over the farm to him. He has been very efficient in his work, both on the farm and in college. All his many friends wish him the best of luck and hope he will be able to return home after the war, with all the honors due a patriot.

Miss Patsy Klemgard spent Friday night with friends at Uniontown.

BAKER MOTOR COMPANY

PULLMAN, WASHINGTON

Public Sales!

As the sale season is now on and as I am busy all through the sale season at some point in the Northwest, I take this medium of asking the public to call and see Mr. Dan Downen and arrange for a date for your sale. As I am unable to be in town for more than a day at a time, don't look me up when you want a date, but see Dan Downen and it will be taken care of as though I were there myself and the day of the sale I will endeavor to give you my best efforts, like I did at my first sale at Pullman, Nat Bryant's.

I don't care if your sale is large or small, I will take care of them all. Try to give me about two weeks or more notice so that I can arrange date to suit you.

My intentions were to move to Pullman the first of September, but on account of sickness in the family I may not be able to move for some time to come. I intended to call and visit with every farmer tributary to Pullman this summer, but on account of the scarcity of labor I worked in the harvest fields, as I can not pass the examination for overseas service and thought it my duty to help out wherever possible. I trust I may meet you all at the fall sales. I thank you for your patronage and trust you will see Dan Downen whenever you want a date. When I am in town I will make my headquarters at the Palace hotel.

My dates are as follows for September: 16-17th, Yakima; 18th, Dishman; 19th, Cheney; 20th, Nezperce; 24th, Nezperce; 25th, Ilo; 26th, Lewiston; 27th, Nezperce.

I beg to announce I have been apointed the Official Auctioneer of the Lewiston and Portland sales at the Stock Shows; any other parties advertising as such are faking, as I have the appointment in black and white.

Trusting you will think of me when you hold your next sale, I beg to remain

Yours, for business,

Harry C. Cranke
