LAND ALL MEN IN DISTRICT

Arthur Wissman Post, Avon, S. D., Rounds Out Its 100 Per Cent Membership.

To serve as commander of an American Legion post, which includes every eligible ex-service man in its district of 200 square miles, is the honor conferred on David L. Wickens of Arthur Wissman post, No. 150, Avon, S. D.

In rounding out its one hundred per cent membership, the post conducted a contest in which the losing side suffered the penalty of serving as kitchen police for a general feast. After the contest the ex-service men not yet enrolled were assigned to individuals until the last man in the territory was signed up.

CLUBHOUSE IS IN ORDER NOW

Kensington Post at Philadelphia Is Ready for Entertainment of the Boys During Warm Days.

Clubhouse "All Dolled Up."

Members of Kensington Post of the American Legion at Philadelphia have just finished painting their summer clubhouse and have renovated it from top to bottom. By doing the job themselves, the members of the Pennsylvania post have saved the price of numerous entertainments which are planned for the summer of 1921.

WHAT THEY DO WITH BONUS

Seventy Per Cent of Minneapolis Men Increase or Open New Savings Accounts.

What do ex-service men do with their bonus money received from the various states? Some persons opposed to handing out cash to the men either by the states or nation, give us their greatest argument that the beneficiaries will squander the money foolishly as soon as they get it.

But the experience of the Wells Dickey Trust company of Minneapolis which firm has been instrumental in advancing \$2,265,000 to ex-service men through special arrangement with the bonus board, completely overturns this conjecture. Figures just compiled by the cashier of the trust company show that of the 3,924 claims handled by the bank for Minneapolis men, 70 per cent of the men increased their own accounts and 26 per cent opened savings accounts at once.

Blasts Hopes of Politicians.

The indorsement of a candidate for political preferment by any organization of the American Legion in Illinois will result in disciplinary action for the offending organization, it was decided at a meeting of the state executive committee of the Legion. The Illinois legionnaires further resolved "that we disapprove the use of the name of the American Legion or of the prestige of office or membership therein by any person for the furtherance of his personal efforts to promote any political candidacy or partisan principles."

Flowers From President Wilson. A bouquet of flowers from President Wilson was sent every day to Wells Hawks, veteran press agent and commander of S. Rankin Drew Post 340 of the American Legion at New York during his recent illness. Mr. Hawks, while on a visit to Washington, was suddenly taken down with inflammatory rheumatism and removed to George Washington hospital. It was while he was in the Washington hospital that the President, a member of the American Legion, aided his "buddy."

Participation in Athletics. Athletic programs have been developed in a number of state departments of the American Legion. In Indiana and Iowa Legion basketball tournaments are under way, and in Massachusetts, under the leadership of a committee composed of notable Massachusetts athletes, Legion members propose interstate competition in a number of major sports.
