STRAIN TOO GREAT

Hundreds of Pullman Readers Find Daily Toil a Burden

The hustle and worry of business men,
The hard work and stooping of workmen,
The woman's household cares,
Often weaken the kidneys.
Backache, headache, dizziness,
Kidney troubles, urinary troubles—frequently follow.

A Pullman citizen tells you what to do.
Fred Rodeen, farmer, Route No. 1, says: "Many years of hard work as a farmer is what weakened my kidneys and caused backache some four years ago. When I tried to lift anything, a severe pain struck me in the small of my back and I had to raise up by inches. I got up nights to pass the kidney secretions and they were highly colored and scanty in passage. I suffered severely from headaches. I read about Doan's Kidney Pills and one box from Watt's Pharmacy, cured me of the attack. The pain left my back and head and my kidneys acted fine."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rodeen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Come to Pullman and give your children a college education. I can sell you some well located houses if you get here soon enough. J. M. Reid, Pullman, Wash. aug5ff

Studebaker

NEW PRICE \$1635

SERIES 21 SPECIAL SIX
Five-Passenger, 50-horsepower, 119-inch wheelbase
\$1635 f.o.b. Detroit

NO other factor than public appreciation of the **SPECIAL-SIX** spread mouth-to-mouth fashion by prideful owners, could account for the unquestioned popularity that it enjoys today. For this unusual car is a member of the Studebaker family of cars whose production and sales, during the first six months of 1921, exceeded those of every other automobile manufacturer in the country with the exception of one manufacturer of a well known and very low-priced car.

This is a Studebaker Year
