What Kind of a Battery Would You Sell?

Would it be a cheap battery that the manufacturers wouldn't stand back of?

Or a high-priced battery that made no attempt at economy?

Or a sound, well built battery that sells at a fair price and that gives the most miles of uninterrupted service per dollar, as does the Willard Threaded Rubber Battery?

Experience has proved our wisdom in choosing the Willard Battery with Threaded Rubber Insulation.

Come in—and we'll tell you how it will save money for you.

Don't Wait for the Fatal Stages of Kidney Illness. Profit by Pullman People's Experiences

Occasional attacks of backache, irregular urination, headaches and dizzy spells are frequent symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but generally return with greater intensity. Don't delay a minute. Begin taking Doan's Kidney Pills, and keep up their use until the desired results are obtained. Good work in Pullman proves the effectiveness of this great kidney remedy.

C. E. Bailey, carpenter, 1203 State St., says: "I suffered from lame back just about a month ago. When I tried to lift anything, my back seemed to give way on me and a sharp pain struck me in the small of it, nearly taking my breath away. I had to pass the kidney secretions too often and they were scanty and burning in passage. I heard about Doan's Kidney Pills and one box cured me of the backache and put my kidneys acting all right. I always recommend Doan's Kidney Pills."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bailey had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
