FINE VESPERS PROGRAM GIVEN LAST SUNDAY

The program at vespers Sunday was given by Mr. Karel Havlicek and Miss Ruth Bradley.
Mr. Havlicek displayed his ability in rapid fingering, clear tones and interpretation in his rendition of three violin solos, comprising the second group of the program.

Miss Bradley executed her part in the third group with her pleasing personality and unusual technique, bringing out with striking contrast, when accompanying or being accompanied by the violin, the attractive strains of Caesar Frank's "Sonata."

Dish washers, vacuum cleaners and home conveniences are to the women what sulky plows and binders have been to the men—laborsavers.

Over half a million people viewed agricultural exhibits at fairs as the means of introducing improved methods on many farms.

TO HOLDERS OF—

War Savings Stamps

The United States Treasury Department has announced that the green War Savings Certificates, Series of 1918, which were purchased during the war, will be redeemed at face value January 1, 1923.

Holders of unregistered certificates are invited to leave them for collection with the Pullman State Bank, payment to be made on the first business day in January.

Our Certificates of Deposit (bearing four per cent interest if left six months), or an open Savings Account in this strong bank, afford an ideal means of profitably reinvesting such funds.

TO OWNERS OF—

Victory Liberty Bonds

Victory Liberty Bonds, series "A" to "F" inclusive, will be retired December 15, 1922.

This bank will handle these bonds, giving immediate credit.

We have several very profitable investments which we believe will appeal to the holders of these bonds, in case they do not already have a place for the reinvestment of the funds made available by these Victory Bonds.
